

# Potjie Fest to become annual event

**WHITE RIVER** - The Casterbridge October Potjie Festival was launched last weekend as an annual charity fundraiser in true Lowveld spirit. Lowvelders from all walks of life joined in and participated with gusto.

Numbi Auto tore ahead of the pack, clearly showing their expertise in the fields of cookery and kitchen building, winning both the 'Best Pot' and 'Best Kitchen' categories. While the rowdy bunch from Pro Cooling did their very-

in favour of the tripe potjie. A fantastic day was had by all who took part. The highlight of the day being some good tunes by the Stevenson Hamilton Pipe Band, which is a trademark of White River tradition, just ahead of the prize giving.

Congratulations to the GumTreez team for all the effort they put into the day, the Casterbridge October Potjie Festival will surely grow from strength to strength.

# Vision & hard work pays off

**HOEDSPRUIT** - The efforts of four years of team work, struggles, highlights, disappointments and achievements have finally culminated in the issuing of a single page document that enables the registration of stands purchased at Zandspruit Bush & Aero Estate.

The Section 38 certificate for Hoedspruit Ext. 12 was issued on October 31 by the Limpopo DFA Tribunal Designated Officer after all conditions of establishment were adhered to, proof was delivered and the register was opened in the deeds office in Pretoria.

The first set of transfer documents will be handed in at the Pretoria deeds office within the week, said Tracy den Dunnen on October 31.

This is excellent news for Maruleng Municipality as well, as they will take transfer of the land allocated to them for an eight mega litre water reservoir which is set to solve the water problems of Hoedspruit for many decades to come.

The developers of Zandspruit Bush & Aero Estate; Martin den Dunnen, Gerrit Jan van der Grijn and Tracy den Dunnen wish to thank their staff and the

professional team of consultants for their dedication in making this dream a reality. A warm hearted thanks goes out to the businesses in Hoedspruit, Laeveld Bou Handelaars in particular, who believed in this project, supported Zandspruit Bush & Aero Estate and assisted in making it 'the better place to

move to'. 'Thank you to all the investors and purchasers without whom none of this would have been possible. We salute your vision and present to you this world first, Zandspruit Bush & Aero Estate in Hoedspruit, Limpopo' ends Tracy on behalf of the developers.
