

Awar the Rattlesnake

Awar the rattlesnake, the symbol of awareness,
Has a warning system built within to warn unwanted guests.
And if the warning goes unheeded, there's no contest.
The consequence follows right behind with incredible swiftness!

Awar, awareness. Awar of oneness, Awar, completeness
Awar, aware, Awar
Awar, awareness, Awar of wholeness, Awar of happiness
Awar of how things really are!
Aware, Awar

My emotions warn and reward me with increasing clarity.
As I heed these emotions, I come to see who I really am to be.
I am ready to flow in that continual process of self-mastery.
Improving daily, allowing light in, degree by degree.

Awar, awareness. Awar of oneness, Awar, completeness
Awar, Aware, Awar
Awar, awareness, Awar of wholeness, Awar of happiness
Awar of how things really are!

Awar
