

ARE YOU READY TO TRI THIS RACE?

WHERE ARE YOU IN THE RACE OF LIFE?

UNCONCERNED - You may have heard a lot about Jesus or very little. The point is you have no personal interest in Him at this time. The race has started and you're snoozing.

CONCERNED - You're pushed under water and lost your goggles. You've lost a job or a friend, experienced a divorce or are just wondering what life is all about. God is trying to get your attention!

CONVICTED - The Race Marshal has stopped you in your tracks ... and you're guilty! Hey, let's face it, your sins have to be dealt with now or in the Judgment. You cannot run away from them. Freedom comes with knowing Christ has already paid the price of your sins in his death and resurrection.

REPENTANCE - Make your turn today and head toward Jesus. You are changing your Race Director. You are getting a new sponsor. You are on your way to a new "Coach" - Jesus Christ. "He takes over every aspect of your training, racing and every area of your life." Jesus said, "unless you repent you will all perish." Luke 13:3. It's your choice. Get saved or you'll end up lost.

SAVING FAITH - This is a leap of faith, crossing the line into Eternal Life. The Bible calls it believing ... committing yourself totally to Him. He is waiting to welcome all who repent and believe - TODAY. "Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ." Romans 5:1
