

An impressionistic painting of several flowers in shades of orange, red, and yellow, set against a dark, textured background. The brushstrokes are visible and expressive, giving the artwork a dynamic and painterly quality. The flowers are in various stages of bloom, with some showing dark centers and others more open. The overall color palette is warm and vibrant, with the flowers appearing to glow against the darker background.

INTO THE LIGHT

JUST IN TIME FOR CHRISTMAS

Welcome Back to The Maclaurin

We are pleased to announce that another two galleries are now open. Our new Exhibition INTO THE LIGHT celebrates the creativity of a group of Ayrshire artists and makers who have produced this work over the last six months. It is an eclectic mix of subjects and styles, inspirational and uplifting. There is something for everyone to enjoy and plenty of ideas for Christmas presents! We hope you will be able to visit us in person but for those who are unable to do this we have created a virtual exhibition.

Covid 19 restrictions are in place. Please telephone the gallery to make an appointment to gain access to the exhibitions.- **01292 445447**
