ADMISSIONS POLICY 2017-18

The Governing Body of St Boniface's RC College is the admission authority for St Boniface's RC College. St Boniface's RC College will comply with provisions within the School Admissions Code and the School Appeals Code available at www.gov.uk/government/collections/statutory-guidance-schools.

The admission arrangements outlined within this document apply to St Boniface's RC College in the 2017/18 academic year. This policy should be read in conjunction with the Secondary and In-Year Co-ordinated schemes of admission available at www.plymouth.gov.uk/schooladmissions.

Any parent who makes an application is presumed to want their son to benefit from the specifically Christian ethos of the College. This does not affect the rights of parents who not of the Catholic faith to be considered for a place.

SECTION I

(i) Secondary admissions (normal point of entry)

The admission arrangements outlined in this section apply to children starting in Year 7 for the first time in 2017/18. The published admission number (PAN) for this year group is 136. The closing date for applications is 31 October 2016. Allocation results will be notified on 1 March 2017 (or the next working day where 1 March is not a normal working day). St Boniface's RC College follows Plymouth City Council's co-ordinated secondary admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to their home local authority.
- (ii) In addition, applicants should complete the school's own supplementary information form or provide their baptism certificate if the application is made on faith grounds.

If you only complete the Local Authority form your application will be valid, but the school may not be able to rank your application against their admission criteria. If you only complete the school's form your application will not be valid and will not be considered.

(ii) In-Year Admissions

The admission arrangements outlined within this section apply to in-year admissions for St Boniface's RC College in the 2017/18 academic year.

An In-Year admission is any entry to school other than at the normal point, for example, transferring school due to a house move or for other personal reason. Requests for admission to Year 7 made after the normal round of admissions – after 31 August 2017 – and requests for places in other Year Groups should be made direct to Plymouth City Council.

¹ At the time of determination, St Boniface's RC College purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider

For students already enrolled in Plymouth schools, in year applications will only be considered from students wishing to enroll at the start of terms 1, 3 and 5.

With the exception of a child with an Education, Health and Care Plan (EHCP) or Statement of Special Educational Needs (SEN), all applications will be considered under Plymouth City Council's Fair Access Protocol.

Application should be made via Plymouth City Council¹ at www.plymouth.gov.uk/schooladmissions. St Boniface's RC College follows Plymouth City Council's local co-ordinated in-year admissions scheme available at www.plymouth.gov.uk/schooladmissions.

All applicants must:

- (i) Complete the Common Application Form available from, and returnable to Plymouth City Council¹.
- (ii) In addition, applicants should complete the school's own supplementary information form or provide their baptism certificate if the application is made on faith grounds.

If you only complete the Local Authority form your application will be valid, but the school may not be able to rank your application against their admission criteria. If you only complete the school's form your application will not be valid and will not be considered.

Unless otherwise agreed, the published admission number applies to each year group as it moves through the school. Offers should be made within twenty school days of the application submission date.

SECTION 2

Oversubscription criteria for St Boniface's RC College for normal point of entry and in-year admissions

A child with an Education, Health and Care Plan (EHCP) or Statement of Special Educational Needs (SEN) which names the school will be admitted.

Where there are fewer applicants than the PAN, all children will be admitted unless they can be offered a higher ranked preference. In the event that the Academy is oversubscribed, the admission authority will apply the following oversubscription criteria in order of priority:

1. **Looked after children and all previously looked after children.** A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. **Baptised boys who regularly practise their faith.** Evidence required is the baptism certificate plus a priest's signature on the supplementary information form (SIF). Catechumens will also be considered under this criterion.
3. **Other baptised Catholic boys.** Evidence required is a baptism certificate only.

¹ At the time of determination, St Boniface's RC College purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider

4. **Boys currently attending Catholic Primary Schools**
5. **Practising members of other Christian Churches.** Evidence required is the signature of the vicar or minister of the church they attend. The signature on the SIF will confirm that the family are known to practice their religion.
6. **Any other Christian boy who can provide evidence of baptism.**
7. **A boy who is a member of another recognised faith** whose SIF is signed by a senior leader of that faith confirming membership.
8. **All other boys.**

Notes:

A Catholic Child is a child baptized according to the rites of the Roman Catholic Church.

Another recognised faith community is a world recognized faith such as Islam, Judaism, Buddhism and Hinduism.

Appeals: In the event that an applicant is denied a place at the school, the parent/carer will have the right of appeal to an independent appeal panel. Information relating to the appeal process can be obtained from Plymouth City Council's School Admissions Team.

By Catechumen we mean a child enrolled on the rite of Christian Initiation of Children (RCIC) programme. This will be verified by the parish priest or the person leading the programme.

Home address: Any allegations received by the admission authority of people providing false or accommodation addresses when applying for school places shall be fully investigated and, if found to be true, allocated places may be withdrawn, as appropriate. Schools have been advised by Plymouth City Council to ask parents to provide proof of residence (for example utility bills) before admitting a child. Plymouth Local Authority (LA) will also carry out checks as appropriate¹. A child's home address is defined as the address at which the child is normally resident or, where a child lives at more than one address, the address at which the child lives for the majority of the time. Where the home address is unclear, the Admission Authority will determine the appropriate address taking into account factors such as the address to which the Child Benefit Allowance or Child Tax Credit is payable, registration for medical services etc.

Multiple births: Defined as children of multiple birth (including those born within the same academic year cohort). We understand that parents/carers would like to keep twins, triplets and other children of multiple birth together. Where the admission criteria is applied and it is not possible to offer places to all children of the same multiple birth family we would work with the family to find the best solution for them and their children. Should it transpire that it is not possible to offer place(s) to all children within that multiple birth, the parent will be invited to nominate which child should be allocated the place(s).

Parent means:

- any natural parent,
- any person who although not a natural parent, has parental responsibility for a child
- any person who, although not a natural parent, has care of the child.

Parents seeking a place for their child outside of their normal age group: To make an application for admission out of age cohort, please include a letter to accompany your Supplementary Information Form explaining the reason for this request (for example, for a gifted and talented child, or a child who has experienced ill-health). To support such an application, documentary evidence should be submitted. These applications will be reviewed by the Governors Admission Committee.

¹ At the time of determination, St Boniface's RC College purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider

Practising means attending Mass weekly for Roman Catholic families. Parents will indicate their parish on the college's supplementary information form (SIF). A priest's signature on the SIF will be the required evidence for regular practice.

Practising means for members of other Christian Churches or other recognised world faiths means regular attendance at Church or other place of worship. Parents will indicate their parish/place of worship on the college's supplementary information form (SIF) A Vicar's, Priest's or Leaders signature on the SIF will be required evidence for regular practice.

Response: Parents/carers must respond to an allocation of a school place within two weeks of the date of notification of availability of a school place. Response must be made to Plymouth City Council. In the absence of a response, the offer may be revoked and the place may be reallocated to someone else.

Sibling: means children living in the same household. Typically this will be brother(s) and sister(s) or children with the same person having parental responsibility.

Tie-breaker: In any situation the application of the above criteria results in more children with an equal right to admission to the school than the number of available places within a single criterion, places will be allocated in the following order:

1. Brothers of pupils who will be on roll in September 2017.
2. Final tie-break will be made by a lottery. The names of all those with an equal right to admission will be allocated to numbered counters. These will then be drawn and the order in which they are drawn will give the order of priority for the allocation of the places available. The places will be allocated, in order, up to the number of places available. This process will be carried out under the supervision of an independent observer.

Definitive tie-breaker: In the event of there still being a tie, there will be a random ballot using an electronic random number generator. Such a ballot will be supervised by an officer of Plymouth City Council¹.

Waiting lists: If a place cannot be offered at the preferred school, the child's name will automatically be added to the waiting list for any school ranked higher than the school allocated. Those on a waiting list and late applicants will be treated equally and placed on the same list. Waiting lists will be held in the order of the published admission criteria and will be maintained until the end of the summer holidays 2017 in respect of the normal point of entry. Any vacancies that arise will be allocated to the child at the top of the waiting list.

From the commencement of the September term in 2017, the in-year admissions scheme applies and the waiting list procedure will change in that parents will be asked to confirm their wish for their child to remain on a waiting list in order that the list can be kept up to date.

¹ At the time of determination, St Boniface's RC College purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider

SECTION 3

Sixth form admissions

The admission arrangements outlined within this document apply to admissions to the sixth form at St Boniface's RC College in the 2017/18 academic year. The arrangements apply to children transferring from Year 11 in a secondary school to Year 12 in a secondary school.

Where a school operates a sixth form, students are normally accepted from other school bases as long as the school has capacity and the applicant meets the relevant admission criteria. Each school will have a different application timetable and number of places to offer. Applications should be made direct to the school.

The number of students who have applied for each course will need to be taken into account, meaning that extra students can sometimes be accommodated over the admission number if the student's chosen course is not full.

The admission arrangements apply equally to those seeking admission from year 11 within the school to those seeking transfer from other schools. All those seeking admission to Year 12 must achieve the necessary grades for access onto the courses they have chosen.

The level of academic attainment required for entry to AS, BTEC and other Level 2 course requires that students should have a grade point average, from the best eight subjects taken, of 5 or above, to include English and Mathematics.

Entry to AS level and BTEC courses requires that students should have a grade point average, from the best eight subjects taken, of 5 or above, to include English and Mathematics. For most subject areas on the sixth form curriculum a points score of 6 in the relevant subject at GCSE is a prerequisite. In some cases Curriculum Leaders may make conditional offers to students who have not achieved a point score of 6. The entry to courses is at the discretion of the Curriculum Leader.

Entry onto Vocational courses demands a minimum point score of 3 (grade E) preferably to include English and Mathematics.

All existing pupils who seek a place and have the required qualifications for a course we offer will be given a place in our Sixth Form.

Those not already in attendance at St Boniface's Catholic College who seek to join us for Sixth Form study and who have the necessary qualifications for a course we offer will be admitted subject to the availability of places. If there are more qualified applicants than available they will be prioritised using the following criteria:

Admissions Arrangements for September 2017

1 Looked after children and all previously looked after children. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2.1 Baptised Catholic children who regularly practise their faith. (Evidence required is a baptism certificate plus a priest's signature on the Supplementary Information Form (SIF). Catechumens will also be considered under this criterion.)

¹ At the time of determination, St Boniface's RC College purchases services from Plymouth City Council. If the school ceases this service, the function will be undertaken by the school or contracted to another provider

2.2 Other baptised Catholic children. (Evidence required is a baptism certificate only.)

3 Siblings of students who will be on role in September 2017.

4 Practising members of other Christian Churches. (Evidence required is the signature of the vicar or minister of the Church they attend. This signature on the SIF will confirm that the family are known to practise their religion.)

5 Other students.
