The Bag2School collection this term earned us £132. Thanks to all who donated and helped us on the day.

Project Gener8 Update;

As you know, we are raising funds to assist 8 college departments with requests. To date, we have succeeded in providing the Geography, Art, Catering, and History departments with the items they needed.

Our next purchase will be in January, a 3D Printer and training for DT. This will be used by all the boys.
