

Year 7 literacy catch-up premium

- Across years 7-9 baseline reading/writing assessments with standardised scores
- RAG against reading scores leads to targeted and personalised interventions
- A 6 weekly round of interventions with improvements across the term recorded - students reviewed and changed each 6 weeks

Mechanisms:

- targeted students identified from GL assessment tests
- students with standard score of below 90 resit in summer which evidences progress
- phonics assessment test focus student work on phase 6 phonics
- range of phonics resources including 'Letters and Sounds'
- revisiting basic literacy skills
- individual spelling lists used to evidence progress at the end of each term
- 'Reading for Meaning' to develop reading comprehension skills
