

Registered Mental Health Nurse (RMN), Senior level also available

Bristol

£16 - £17 per hour.

Are you an experienced Mental Health Nurse with a passion for improving the lives of your patients? If so, we are able to offer a Senior Nursing position with rates of pay well above market rates.

We are currently looking to fill a staff nurse - RMN position within a state of the art Locked Rehabilitation unit for males and Females with a variety of Mental Health related issues. The Hospital is ideally located on the outskirts of Derby and can be reached by train and bus.

Responsibilities of the Role:

- Taking day to day leadership responsibility for the clinical and operational running of a ward within the service, ensuring care and treatment needs are met and task allocation is completed.
- Contributing towards MDT working, by providing nursing knowledge and inputs to a range MDT processes
- Acting as Primary Nurse to a small number of patients, taking overall responsibility for the nursing input they receive, through nursing assessments and care planning.
- Providing written nursing reports for a range of statutory and clinical review processes such as CPA's, MHA Hospital Managers Hearings and First Tier MHA Review Tribunals.
- Contributing to risk assessment and management, to enable positive risk taking and care pathway planning.
- Contributing towards a programme of on-going clinical improvement, through participation in CPD events, governance and audit arrangements.
