

Staff Nurse: RGN/RMN

Location:

Coalville

Salary:

£14-15 per hour + free training / CPD

Job description:

Registered Nurse – RGN/RMN for Nursing Home for the elderly

Full Time and Part Time, Days or Nights

Description

Our Client is a large care provider, catering for the elderly in need of care or suffering from dementia, as well as for children and adults with a range of disabilities. Their Registered Nurses are guaranteed clinical autonomy, CPD and career progression. Successful applicants will receive support in building upon their clinical skills as well as every opportunity to develop their people management experience.

Under the guidance of a Deputy Manager/senior clinical staff you will have responsibility for:

- Delivering the very best in Holistic nursing care to the people we support
- Directing and supervising a care team to achieve the highest all-round standards.

This company pride themselves on providing achievable career progression plans for their employees and highlight the fact that many of their most senior executives started their careers with the company as registered Nurses. The company offers an array of training programmes and qualification schemes to help their nurses achieve the most in a career of caring, whilst keeping their skills relevant and up to date.

All applicants MUST be a RGN or RMN qualified.
