# Markers, Caskets & Keepsake Jewelry Collection

Keepsake jewelry is created using sterling silver to contain a small portion of cremated remains in an internal chamber that is secured with a threaded stopper and adhesive. Each piece includes a matching 18" chain; these pieces also include an attractive presentation box, a funnel, a hex wrench and adhesive. Keepsake jewelry is intended to be worn casually; please remove at bedtime.

## Engravable Line Art:

Engravable line art featured below is an attractive and tasteful way of memorializing a pet. Your choice can be engraved directly on the surface of an engravable urn **SE**, on a plate that attaches to the surface of an urn **EP** or on an engravable metal easel **E**. Line art can also be combined with text and numbers. Please consult your pet deathcare professional regarding dimensions and placement of engravable line art and the availability of additional breeds. \* Denotes premium artwork; additional charges may accrue.
