## Mondays Ratings Results For 2015

Immediately below you will find all of the ratings covering Mondays racing in 2015.

You will also find below helpful open and honest summaries of exactly how the day has gone. If we have had a great day we will tell you and if we have had an average day we will tell you as well. Nothing is hidden on the site everything you see is exactly what you get.

**Results:** Please note as of the 24th of May 2015 you will see a change in how the live results are given on the website. After the winner result you will see a number for example Winner (1) \$5.30 the (1) represents the winner came from the first tip in the sequence. So (2) will represent tip 2, (3) tip 3 and (4) tip 4. This information is given to help people clearly see which horse in the tips sequence actually won and it is also very helpful in tracking winning betting patterns.

The Live Results on the website are very important as you can constantly see at a quick glance how things are going. For example if Exotics are doing well at a certain venue then you may like to play the Exotics there. For example at a certain venue if only Win Bets are doing well then you may like to try that approach, if the Top Selections are doing well at a certain venue then you may like to back the next Top Selection. If the 3rd and 4th selections are only doing well at a certain venue then you may like to even try that approach. And also if a certain venue is not doing well at all results wise it may be wise to avoid betting at that venue altogether. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

\* You will see the [Exacta](#) mentioned a lot on this site but it is for a reason as [the win rate for boxed exacta's on the site averages between 30% and 50% of all races run each day](#). And if you can get the exacta logic will tell you that if you have the field for 3rd you then have the trifecta and if you have the field for 4th you then have the first 4. Dependant on field sizes and thanks to the flexi dividend if you tie the race up right you can get as much as 33% of the div for as little as \$10. ### Mondays December 7th 2015 Horse Racing Tips:

The results are in...

Ok it was Monday so let's have a look at the numbers with 18 races covered today. For Exotics players the strike rate for the Exacta was sitting at 39% with the best paying out at \$21.90 and that also leads into trifecta's and first 4's if you play them the right way. For Win Bets the strike rate for the Top 2 Selections today was sitting at 50% with the best priced tipped winner at \$7.40. Overall a nice tough grinding monday. And maybe a hint of sorts as I don't normally don't play First 4's at all and the only reason there is even a mention of them at all on the help page at all is that someone smarter than me noticed an anomaly and that is First 4's in small fields. I had one today and maybe I just got lucky or it was simply just good timing and I put it on just like it is on the site 2x4xfxf and spent \$10 for 4% and it paid out at over \$4000 mind you I only did get 4% of that total and it was on the QLD TAB which is where I bet. I have been keeping a little eye on them, not a huge 1 though and for a good percentage of the time from the ones I have seen I have noticed a profit being created,, not huge though from most of the ones I have seen, but every dollar does add up in this game when you are aiming for a target and if the right one comes along it does make for an easy day, so it might be something to keep an eye on for yourself.

### Special Suggested Bet Of The Day:

Really on paper and according to betting markets Rib Eye in Terang Race 7 looks to possibly the safest banker bet of the day so we will have a try at the exacta which if it wins should pay above \$8 which will mean a nice profit.

#### Terang Race 7 Exacta:

1 / 6 and 9

So its 1 for 1st  
and 6 and 9 for 2nd.

Total Cost \$10 which will return 500% of the dividend.

Where The Money Is: Those runners which stand out as being really well supported early.

There is nice early support for all of the following runners this Monday which brings them under some notice.

- Terang Race 5 No 7 Unique Miss at \$10.00 -Ran 3rd
- Terang Race 8 No 4 Super Deluxe at \$9.00 - Unplaced
- Terang Race 9 No 9 Ways Of A Tycoon at \$16.00
- And Terang Race 7 No 1 Rib Eye at \$1.90 - Very solid support at the short quote. - Ran 1st

#### Best Longshot's Of The Day:

Nothing to report today.

#### Best Quaddie Of The Day:

Terang on paper looks to have the potential to pay a low dividend so we will for try the harder option and go for Taree which should give us the potential for a higher dividend at a small outlay.

#### Taree Quadrella:

Race 5: 9, 8, 13, 11  
Race 6: 13, 12, 2, 4

## Mondays October 12th 2015 Horse Racing Tips:

The results are in...

Mondays are the sort of day you just hold on tight and by christ hope for the best and things did manage to turn out right overall although it was not a day of big dividends so let's have a look at the numbers with 22 races covered on the site. The best priced tipped winner today was at just \$7.00 with the strike rate for the Top Selection sitting at 32% with the strike rate for the Top 2 sitting at 45% of all races run. There were 8 Exacta's in total which is a strike rate of 36% with the best paying out at \$37.80 with the best tipped Trifecta paying out at a massive \$81.90. All in all not a bad start to the week but it was a real grind.

### Special's Of The Day:

Only the 1 special today its been tough trying to find a suitable runner with only the 3 meetings being run but it is in Stawell Race 2 and it is something different a trifecta special. So its No 8 Snow Grumpy for 1st / 14, 2, & 11 for 2nd / and the field for 3rd. This will cost \$10 for 30% of the dividend which should pay quite well if it salutes with a roughie for 3rd. So great luck today that's it from me.

### Best Longshot's Of The Day:

- Armidale Race 6 No 10 Yarrandi at \$41.00 this horses form is bad but not as bad as it looks and you never know on a monday anything can bob at a country meeting. We shall see how it goes.

### Best Quaddie Of The Day:

Stawell Quadrella:

Not a lot of choice this Monday so we shall go where the most money is and that will be at stawell. Its going to be a tough quadrella to hit but we should go very close.

### Special's Of The Day:

Only 1 special today and it is more of an observation than a special. In Warwick Farm Race 1 No 7 Lieder currently at \$3.30 fixed has attracted some very nice bets and is unselected by virtually every tipster in Australia so a good way to approach this race is to play safe and use the Quinella so the selections are no 7 from numbers 8, 10, 4 & 5 which should if it gets up set us off to a good start to the day. That's it from me. Great luck and happy punting this Monday.

### Monday's September 14th 2015 Horse Racing Tips:

The results are in...

And it was a really quite Monday with only the 21 races covered on the site and there was not much action at all to report but let's have a look at the numbers anyway. The best priced tipped winner was at \$14.00 with the strike rate for the Top 2 Selections at a just ok 23%. There were only the 5 Exactas as well which is also a strike rate for 23% with the best one paying out at \$71.00 with the best tipped Trifecta paying out at \$178.80 and the best tipped First 4 paid out at \$529.80. All in all not the ideal start to the week but we shall be back again as usual tomorrow to do it all over again only much ...much better.

### Results:

All of the results are constantly updated below so you can view at a quick glance how things are going. For example if exotics are doing well at a certain venue then you may like to play the exotics there. For example at a certain venue if only win bets are doing well then you may like to try that approach. And also if a certain venue is not doing well at all results wise it may be wise to avoid betting at that venue altogether. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

\* Results: The winner result which is displayed on the website may not necessarily be the on-top selection it may come from one of the 4 selections given. Please note as of the 24th of May 2015 you will see a change in how the live results are given on the website. After the winner result you will see a number for example Winner (1) \$5.30 the (1) represents the winner came from the first tip in the sequence. So (2) will represent tip 2, (3) tip 3 and (4) tip 4. This information is given to help people clearly see which horse in the tips sequence actually won and it is also very helpful in tracking winning betting patterns.

### Mondays July 27th 2015 Horse Racing Tips:

The results are...

Well the day started out with great promise but got a little bit shakey towards the end. No good today with our best quaddies but all you can do is try your best and then sit back and hope for the best but that did not happen today although it will certainly happen a few times this week. So lets get into it and have a look at the numbers with only 18 races being run today. The best priced tipped winner was at \$11.90 with the strike rate for the top 2 runners at a unusually low 22%. There were 8 exacta's recorded which is a strike rate of a good 44% of all races run with the best paying out at \$75.00 there were just 5 tipped trifecta's today with the best paying out at \$217.10 and the best tipped first 4 of which there was only 1 paid out at \$203.60. All in all just an average monday at the races with promises of much better things to come this week as the better horses come out to play.

### Mondays July 20th 2015 Horse Racing Tips:

The results are in...

And we were hopeful of a good day and what we got in return was a very tough Monday at the races. Not good at all but let's take a look at the numbers anyway with 15 races being run in total. The best priced tipped runner was at \$8.10 with the strike rate for the on-top selection at 33% with the strike rate for the top 2 at 40% which was not entirely ideal. There were only 4 exacta's today which is a strike rate of only 27% with the best paying out at \$41.30 there were also only 2 tipped trifecta's today with the best paying out at \$55.70 and just the 1 first 4 which paid out at \$67.20. Not the best start to the week but we will no doubt learn the lesson's of the day and come out swinging for this Tuesday's racing which we are now really looking forward too.

## Mondays June 29th 2015 Horse Racing Tips:

The results are in...

After a huge weekend of wins there were only the 2 meetings on today and things went just ok with nothing really exciting to report. The best priced winner of the day won at \$9.30 the strike rate for the on-top runner was at 21% with the strike rate for the top 2 at 37%. The exacta trike rate was at 26% with the best paying out at \$39.40. Overall just an average and not so exciting monday and it really gives us something to work upon for the rest of the week.

### Results:

All of the results are constantly updated below so you can view at a quick glance how things are going. For example if exotics are doing well at a certain venue then you may like to play the exotics there. For example at a certain venue if only win bets are doing well then you may like to try that approach. And also if a certain venue is not doing well at all results wise it may be wise to avoid betting at that venue altogether. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

\* Results: The winner result which is displayed on the website may not necessarily be the on-top selection it may come from one of the 4 selections given. Please note as of the 24th of May 2015 you will see a change in how the live results are given on the website. After the winner result you will see a number for example Winner (1) \$5.30 the (1) represents the winner came from the first tip in the sequence. So (2) will represent tip 2, (3) tip 3 and (4) tip 4. This information is given to help people clearly see which horse in the tips sequence actually won and it is also very helpful in tracking winning betting patterns.

### Special's Of The Day:

There were 9 exacta's in total which is a 41% strike rate with the best one paying out at \$38.80. The best tipped trifecta on the site paid out at \$84.70 and the best tipped first 4 paid out at \$258.40

### Monday's June 15th 2015 Horse Racing Tips:

The results are in...

An unusual day of results there were 23 races run and we were right in 13 of them and 12 of them all came in the top 2 selections which is the way they are meant to come but it was unusual that there was only 1 random result where the 4th selection won. Anyway enough of observations lets get down to business. The best priced winner of the day was at \$14.30 the strike rate for the top 2 was at 52%. It was not a huge day for exotics wins which was running at 26% and we had to wait until the last race at Echuca to gain the best exacta result which paid out at \$59.30. Not an exciting day and pretty tough all-round but we still managed to scrape together some nice collects in amongst it all.

### Results:

All of the results are constantly updated below so you can view at a quick glance how things are going. For example if exotics are doing well at a certain venue then you may like to play the exotics there. For example at a certain venue if only win bets are doing well then you may like to try that

Only 1 special today and that is in Northam Race 1 No 1 Ripper Red who is currently quoted at a fixed odds price of \$1.55 but don't be scared of the short price as the early money has already gone on and the price should get out to a decent quote by race start time. ### Monday's May 18th 2015 Horse Racing Tips:

The results are in...

Monday's can either be boom or bust so how did today go? Well passable. Moe was a good day with 6 winners the best paying \$10.40 there were 4 exacta's the best of paying \$61.10 which would have also translated into 4 trifecta's and first 4's if following the advice from the website. Tamworth was basically a washout with only 2 winners recorded and 2 exacta's the best of paying out at \$37.30 although in somewhat of a highlight we did manage a boxed first 4 paying \$345.30

### Special's Of The Day:

2 specials today and the first is in Moe Race 3 No 4 Freedom Son who is currently quoted at a fixed odds price of \$1.75 there are wraps on this first starter and the money has come as well as this one has been heavily backed which is a sure sign to its chances today. The next special is in Tamworth Race 1 No 1 My Michelle who is currently quoted at a fixed odds price of \$3.70 again there is good money around to say this one will be in the finish, ideally placed in this race it will have every chance to win. I have not mentioned quadella's for a while but today may be the day to have a flutter although I would be putting the field into the last leg at Tamworth as this is a tough race where anything can win. That's it from me. Great luck and happy punting this Monday!

- Moe Race 7 No 11 God's Tilla at \$20.00

The results are in...

And it was a truly dreadful day's racing.

#### Suggested Bets:

There are no specials today in the wet on both tracks so it will be a good day to follow the quadrella's as with only 2 meetings being run there will be a lot of money in the betting pools and with value runners given in each leg we will be a great chance of a decent collect that is if luck is on our side. That's it from me. Great luck and happy putning this Monday!

### [Suggested Bets:](#)

Only 2 specials today and they are Sapphire Coast Race 2 No 3 Burradoo currently at a fixed odds quote of \$2.50 well supported early it well deserves to break through for a maiden win and really get its best chance today and will make a good win bet and banker in your exotics. And Swan Hill Race 2 No 4 All Australian Gal heavily backed early and currently at a fixed odds price of \$2.10 should be winning with the right luck in running. We have had some quaddie wins over the past 2 days nothing to get really excited about though. Today there are only 3 meetings being run and there will be a lot of money in the pools so chancing a bet on the quadrella may be a wise bet today. It only costs \$14 to play for 5% of the dividend which is a nice safe way to play for a big dividend. That's it from me. Great luck and happy betting today!

And it was a good day including a \$2300 quadrella.

#### Suggested Bets:

Again only 1 special today and that is Cessnock Race 3 No 7 It's Gonna Happen, it has been well supported early and is drawn to get the run of the race, currently quoted at a fixed odds price of \$2.10 its an obvious banker for your exacta's, trifecta's and first 4's. With only the 2 meetings being run today it would be wise to also keep a close eye on the quadrella's as there will be quite large pools involved. We have value runners in each leg and with the right results we could be in for a decent sized collect. That's it from me. Great luck and happy betting this Monday!

#### Suggested Bets:

Werribee Race 1 no 4 Bahamas heavily backed early and at a short quote of \$1.45 fixed should really win and there will be no excuses if it does not and Armidale Race 2 no 1 Around The Moon another well supported early and is at a fixed price of \$2.00 only has Stop The Fight to beat and should really win all things being equal. Both of these runners will make ideal bankers in your exacta's, trifecta's and first 4's. Yesterday we had mixed success in the quadrella's we made it to the last leg and got beaten in both so today we will try and line up again for a result and hopefully make it past leg 4. That's it from me. Great luck and happy punting this Monday.

And it was another brilliant day.

### Suggested Bets:

Only the one special today and that is Kilmore race 2 No 9 Texas Flower it has been well supported early in betting and has a great chance of winning, so is a must for a banker in your exacta's, trifecta's and first 4's. Will today be the day we knock off a great paying quadrella, I really hope so, it costs only \$14 for 5% of the dividend so this may also be a good bet. That's it from me. Great luck and great punting!
