Thursdays Ratings Results For 2015

Immediately below you will find all of the ratings covering Thursdays racing in 2015.

You will also find below helpful open and honest summaries of exactly how the day has gone. If we have had a great day we will tell you and if we have had an average day we will tell you as well. Nothing is hidden on the site everything you see is exactly what you get.

Results: Please note as of the 24th of May 2015 you will see a change in how the live results are given on the website. After the winner result you will see a number for example Winner (1) \$5.30 the (1) represents the winner came from the first tip in the sequence. So (2) will represent tip 2, (3) tip 3 and (4) tip 4. This information is given to help people clearly see which horse in the tips sequence actually won and it is also very helpful in tracking winning betting patterns.

The Live Results on the website are very important as you can constantly see at a quick glance how things are going. For example if Exotics are doing well at a certain venue then you may like to play the Exotics there. For example at a certain venue if only Win Bets are doing well then you may like to try that approach, if the Top Selections are doing well at a certain venue then you may like to back the next Top Selection. If the 3rd and 4th selections are only doing well at a certain venue then you may like to even try that approach. And also if a certain venue is not doing well at all results wise it may be wise to avoid betting at that venue altogether. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

* You will see the [Exacta](#) mentioned a lot on this site but it is for a reason as [the win rate for boxed exacta's on the site averages between 30% and 50% of all races run each day.](#) And if you can get the exacta logic will tell you that if you have the field for 3rd you then have the trifecta and if you have the field for 4th you then have the first 4. Dependant on field sizes and thanks to the flexi dividend if you tie the race up right you can get as much as 33% of the div for as little as \$10. Thursdays December 3rd 2015 Horse Racing Tips:

The results are in...

There were 34 races and it was an excellent day where making target goal for the day was not that much of a hard effort at all. It was not a day of big dividends however for Win Bet players but in saying that we do this 363 days a year and not every day of the year is a Win Bet price bonanza that is impossible. Exotics players on the other hand had a quick time with 19 Exacta's in total recorded which is a strike rate of 56% of all races run with the best paying out at \$41.00. For Win Bets the best priced tipped winner was at \$8.00 with the strike rate for the Top Selection sitting at 34% and the Top 2 Selections at 47%

All of the results are constantly updated below so you can view at a quick glance how things are going. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

Thursdays July 30th 2015 Horse Racing Tips:

The results are in...

And I am starting to sound like a broken record as it was another very good day at the races and we are lucky as we don't have too many bad days so I guess we are blessed in a way and lets hope it continues anyways lets have a look at the results with 33 races being run in total today. The best priced tipped runner was at \$10.90 with the strike rate for the top 2 selections at a good 36% of all race run. There were 14 exacta's in total today which is a strike rate of 42% of all race run with the best paying out at \$35.60 the best tipped trifecta on site paid out at \$141.40 and the best first 4 on which there was only 1 tipped today was at \$133.00. Our best quaddie of the day saluted but only paid out at \$634.30 with the 40-1 shot we needed in the last leg running second unfortunately as it would have been an \$8000+ payout oh well there is always tomorrow. All in all another good day although the dividends were not that huge across the board.

Results:

All of the results are constantly updated below so you can view at a quick glance how things are going. For example if exotics are doing well at a certain venue then you may like to play the exotics there. For example at a certain venue if only win bets are doing well then you may like to try that approach. And also if a certain venue is not doing well at all results wise it may be wise to avoid betting at that venue altogether. Just use your logic when it comes to this information as PATTERNS are very IMPORTANT!

* Results: The winner result which is displayed on the website may not necessarily be the on-top selection it may come from one of the 4 selections given. Please note as of the 24th of May 2015 you will see a change in how the live results are given on the website. After the winner result you will see a number for example Winner (1) \$5.30 the (1) represents the winner came from the first tip in the sequence. So (2) will represent tip 2, (3) tip 3 and (4) tip 4. This information is given to help people clearly see which horse in the tips sequence actually won and it is also very helpful in tracking winning betting patterns.

Special's Of The Day:

Only 1 special today and that is in Gosford Race 1 No 3 Pop A Bottle currently quoted at a fixed odds price of \$1.55 this one is more than likely too short to back and was scratched at the barrier last start when a short priced and well supported favorite and will again get its chance today. The trick to this race will be the exacta with it banked from numbers 2, 1 & 5 and with a little luck it will pay close to 10-1 for the exacta. That's it from me. Great luck and happy punting this Thursday!

Thursdays May 28th 2015 Horse Racing Tips:

The results are in...

Its been a really outstanding week, but today did not even register a blip on the radar. Townsville and Northam went well however Sale and Kembla Grange went terribly with so many roughies winning. They say every horse has it day and quite a few had there day today. Anyway the best priced winner of the day paid out at \$21.30 and the best exacta paid out at \$83.20. And so we live to fight another day and that day is tomorrow where we will no doubt continue again on our winning ways after this ever so slight hiccup.

Special's Of The Day:

Only 1 special today and that is in Sale Race 1 No 1 All About Gold who is currently quoted at a fixed odds price of \$2.25 this one has been heavily backed in early betting and its main rival has been easy so really it makes this horse an obvious choice and hopefully it shall be winning. That's it from me. Great luck and happy punting this Thursday!

Longshot's Of The Day:

- Rockhampton Race 1 No 8 Tara's Ransom at \$61.00 - back for the place.
- Rockhampton Race 7 No 8 Khaatantes at \$17.00 - eachway.

Thursdays May 21st 2015 Horse Racing Tips:

The results are in...

The first half of today's meetings was brilliant however things started to go a little shaky in the second half. The best priced winner today was at \$10.30 with 13 exacta's recorded the best paying out at \$55.20 which would have also translated into 13 trifecta's and first 4's if following the systems on the site. Overall not too bad of a day but things could have gone a lot smoother.

Suggested Bets:

The will be 3 odds on favorites at Seymour today and I am not convinced on any of them, sure they might win but I am not confident enough to put them up as specials. So there are again no specials on the website today. We did however in good news manage to get 2 quadrella's yesterday so we are hoping to jag some more today, it only costs \$14 for 5% of the dividend so this is a nice cheap way to play. Thats it from me today. Great luck and punting this Thursday!
