**UK's No.1 Poker
Table Manufacturer**

Company Overview

CardroomDirect.com is the "UK's No. 1 Poker Table Manufacturer". We are dedicated to producing the highest quality, hand built, custom designed poker tables for the gaming industry.

Based in the Northwest of England, we have been in the industry for over 17 years & have built up a large client base of satisfied customers including FULL TILT POKER, PARADISE POKER, GALA CASINOS, MINT CASINOS, CIRCUS CASINOS & many more.

Our tables have been featured in BLUFF EUROPE MAGAZINE, FLUSH MAGAZINE, POKER PLAYER MAGAZINE and GAMBLING ONLINE MAGAZINE

Craftsmanship

We spent over 2 years working on product development to ensure our manufacturing process would deliver the best Poker tables possible, utilizing computer aided cutting techniques and deep dye sublimation artwork, we feel, and our customer agree it was time well spent.

The hand rail is padded with 25mm HR40 high density foam and expertly upholstered in BS5852 ignition source 0, 1 & 5, BS 7176 medium hazard contract vinyl. The playing surface is fire retardant to BS5852, has unlimited colours to full width and is Teflon treated.

The Tables

All our poker tables are constructed from 18mm medium density fibre board with a 9mm medium density fibre board handrail. Under the playing surface we install a 6mm low density HR25 foam, this allows the cards to be easily lifted for viewing.

Table measurements are approximately 2450mm x 1180mm overall with a playing area of 2170mm x 880mm.

The table will come complete with steel folding legs, these are manufactured here in the UK, are very sturdy and even powder coated to give you a life time of use.

Accessories

CardroomDirect also offer a wide range of accessories to custom your poker tables to exactly suit your needs, we can supply and fit chip trays, drop boxes and cup holders we also supply a range of pedestal bases as an alternative to the folding legs.

Custom Artwork

We can put any design onto a poker table: graphics, pictures, logos, text. We start with top quality 5.2 ounce casino grade speed cloth and dye into the fabric your custom creation. It's not painted or silk screened it is achieved via deep dye sublimation, this is the exact same process and fabric used by major casinos everywhere for the roulette and blackjack tables.

Your custom design becomes part of the felt and is even washable!

Advantages

- ♦ Quality 5.2 ounce casino grade cloth
- ♠ Doesn't pill or wrinkle
- ♥ Water and stain-resistant
- ♣ Dye-sublimation printing infuses dyes into the cloth, making it colour-fast

Added Info

CardroomDirect guarantee the quality of our tables, we will not be beaten on price or workmanship, so whether its a single table for your home game or a full cardroom installation when you buy from us you can rest assured that you are dealing with the "No. 1 Poker Table Company" in the industry.
