LANDSCAPING

Tuff Turf's Landscaping Services offers all aspects of residential and commercial landscaping design. With our experienced team of professional landscape designers and horticulturists, Tuff Turf Landscaping can design, and build all aspects of landscape construction, installation and maintenance from start to finish.

PONDS & OUTDOOR LIVING

We take pride in professional custom design for your yard or grounds. Tuff Turf's landscaping services can design and build a distinctive outdoor living environment that will give enjoyment for years to come. Designed with each client's unique needs in mind Tuff Turf can help you to increase your property value.

ABOUT US

Tuff Turf Lawn Care Inc has beautified the surrounding Omaha area for the past 20 years. We proudly offer a comprehensive array of both lawn and landscape services for the residential and commercial client. You will receive professional care from our crews and staff when you hire us to maintain, design or construct your outdoor living areas. We work to deliver high quality, value-added services. Our success is evidenced by our many satisfied clients who renew their relationships with us year after year.

A green, lush landscape enhances your image in the community, plus preserves and increases your property's value, and protects your investment. With our proactive work approach to landscape maintenance, we maintain and care for your property in a professional manner with the highest regard for excellence. We ensure that we accommodate your needs and budget.

TESTIMONIALS

"The design Shane drew up for our landscaping was exactly what we were looking for. Excellent job!" – Todd Saylor

"I just left my house and your guys were just wrapping up. They did such a fabulous job! Thanks for taking care of me on short notice!" – Amy A

"My yard looks wonderful! Shane was great to work with! He kept me up to date on all the plans, and plants. I know he went to different places to get just the right ones. He deserves a raise! The yard will be beautiful for my wedding in three weeks. Thank you!" – Mary Lou B
