

Flexi-Pak

Packaging Machinery suitable for filling, heat sealing and lidding pre-formed containers and trays

ANCILLARY EQUIPMENT

Flexi-Pak's vast range of Ancillary Equipment can be supplied and installed as part of a turnkey solution with our rotary and linear pot filling machines or they can be added at a later date as an upgrade etc.

Flexi-Pak equipment is manufactured in stainless steel and is designed to be robust and easy to clean.

All our ancillary equipment is built to meet our customers' requirements.
