

Flexi-Pak

Packaging Machinery suitable for filling, heat sealing and lidding pre-formed containers and trays

SPECIALIST CONVEYORS

Flexi-Pak's range of Specialist Conveyor systems can be supplied as part of a turnkey solution with our rotary and linear pot filling machines or they can be supplied independently, ready for integration into an existing production line. To complement our standard range, we also provide a bespoke design and build service to align with our customers exact requirements. All Flexi-Pak equipment is manufactured to the highest standards.
