

May 20, 2020

Good morning FPCNS Families,

We are delighted to share that we have partnered with the education specialists at Curated Care to provide remote learning enrichments in lieu of our regularly scheduled three-week Early Summer Program. These classes are available to graduating Green, Red, Yellow and Blue Room children.

As an extension of our gratitude to you, we have arranged for these exceptional experiences to be available to all students for free!

You may sign up for one class or all three for one week, two weeks or all three weeks. Classes will be conducted using ZOOM. If you are interested in participating in Remote Early Summer Enrichment please sign up today.

Mondays – Thursdays: June 8-11; June 15-18; June 22-25

Movement and Music

Learn the fundamentals of music: rhythm, tempo and beat. Children explore beat and rhythm structures as they engage with songs that inspire movement and dance. This class focuses on exploration and peer socialization - all while moving and grooving to fun and engaging beats.

Art & Science

Expose your child to a variety of artistic mediums and scientific principles at the same time! We'll practice engineering with 3D sculptures using recycled materials found at home. We will dive into chemistry with watercolor color mixing and build & design musical instruments as we study sound. Through a series of materials and methods, we'll create unique, handmade projects that encourage young minds to explore and ask questions. Join us for a true exploration of art & science!

Fun Fridays: June 12, 19 and 26

Under the Big top: June 12th @ 11:00 AM

Spend Friday morning "under the big top"! Curated Care brings juggling, clowning games, and magic tricks to you with Kid Expert, Becca B. Laugh and play with magic and circus fun that delight kids and parents alike.

Sparkles Storytime & Dance: June 19th @ 11:00 AM

Sparkles the Unicorn Princess will read about Razzle and Dazzle the two friends on a mission to save a rainbow that has lost all its colors. Expect to wiggle, giggle, and groove with Sparkles while learning new dance steps too.

Kiddie Jam Session: Virtual Melodies: June 26th @ 11:00 AM

Come rock out with Curated Care's resident guitarist and melody maker Jordan D! We'll enjoy a variety of classic hits and kid favorites to create an epic sing-along every child 0-100 will love.

Tune in via your computer or iPad and enjoy an interactive music session. We're chasing the blues away with a little rhythm and blues - and enjoying the company of our friends virtually.

Registration will close on Wednesday June 3rd. If you are interested in having your child participate please [sign up here](#).

Thank you!

Halima Fuller
Educational Director
