INNSBRUCK PROPERTY OWNERS ASSOCIATION, INC.

Article I
Name, Membership, Applicability, and Definitions

Section 1. Name. The name of the Association shall be Innsbruck Property Owners Association, Inc. (hereinafter sometimes referred to as the "Association").

Section 2. Membership. The Association shall have three (3) classes of membership, Class "A", Class "B", and Class "C", as more fully set forth in that Declaration of Covenants, Conditions, and Restrictions for Innsbruck, (said Declaration, as amended, renewed, or extended from time to time, is hereinafter sometimes referred to as the "Declaration"), the terms of which pertaining to membership are specifically incorporated by reference herein.

Section 3. Definitions. The words used in these ByLaws shall have the same meaning as set forth in said Declaration of Covenants, Conditions, and Restrictions for Innsbruck recorded or to be recorded in the Land Records of White County, Georgia, (hereinafter the "Declaration").

Article II
Association; Meetings, Quorum, Voting, Proxies

Section 1. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors in White County, Georgia; or as convenient thereto as possible and practical.

Section 2. Annual Meetings. The first meeting of the members, whether a regular or special meeting, shall be held within one (1) year from the date of incorporation of the Association. The next annual meeting shall be set by the Board so as to occur no later than ninety (90) days after the commencement or the close of the Association's fiscal year. Subsequent regular annual meetings of the members shall be held within sixty (60) days of the same day in each year thereafter, at an hour set by the Board. Where directors or officers are to be elected by members, such election may be conducted by
mail, if authorized by the Board of Directors and subject to such conditions as the Board may provide.

Section 3. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a majority of a quorum of the Board of Directors or upon a petition signed by at least twenty-five (25%) percent of the total votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

Section 4. Notice of Meetings. Written notice of each special meeting of the members shall be given by or at the direction of the Secretary or any person or persons authorized to call a meeting by mailing a copy of such notice, postage paid, at least seven (7) days, but not more than thirty (30) days, before such meeting to each member entitled to vote thereat, addressed to the member's address last appearing on the books of the Association or supplied by such member to the Association for the purpose of the notice. Notice of annual meetings so long as the date of such annual meeting is set forth at least thirty (30) days in advance thereof in the minutes of a Board of Directors meeting shall be given by posting in a conspicuous place on the Property the date, time and place. Any posting in a publicly traveled area (i.e. clubhouse, bulletin boards, entranceway to community) of the Common Area shall be deemed a conspicuous place. Any notice of an annual meeting may be given, in addition to the foregoing, in the same manner as notice of a special meeting.

Section 5. Waiver of Notice. Waiver of notice of meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting shall also be deemed waiver of notice of all business transacted thereat unless objection to the calling or convening of the meeting is raised before the business, of which proper notice was not given, is put to a vote.
Section 6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 7. Voting. The voting rights of the members shall be as set forth in the Declaration and Articles and such voting rights provisions are specifically incorporated here.

Section 8. Proxies. At all meetings of members, each member may vote in person or by proxy, as further may be limited by the terms of the Declaration. All proxies shall be in writing and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable, unless expressly provided therein to be irrevocable. Each proxy shall automatically cease upon a member's criteria for membership ceasing to exist or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation (unless irrevocable). No proxy shall be valid after eleven (11) months from the date of its execution, unless otherwise provided in the proxy. In no event shall a proxy remain irrevocable for more than eleven (11) months.

Section 9. Majority. As used in these By-Laws, the term "majority" shall mean those votes, members, or other group, as the context may indicate, totaling more than fifty (50%) percent of the total number.

Section 10. Quorum. Except as otherwise provided in these By-Laws or in the Declaration, the presence in person or by proxy of more than ten (10%) percent of the total votes existing in the Association shall constitute a quorum at all meetings of the Association. In the event a quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the quorum required at the first meeting. In the event a quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-fifth (1/5) of the quorum required at the original meeting. Any provision in the Declaration concerning quorums is specifically incorporated herein.
Section 11. **Conduct of Meetings.** The President shall preside over all meetings of the Association and the Secretary shall keep the minutes of the meeting and record in a minute book all resolutions adopted at the meeting as well as a record of all transactions occurring thereat.

Section 12. **Record Date.** The Association may establish such record dates for membership as may be authorized by the Georgia Nonprofit Corporation Act or applicable Georgia law.

**Article III**

**Board of Directors: Number, Powers, Meetings**

A. **Composition and Selection.**

Section 1. **Governing Body; Composition.** The affairs of the Association shall be governed by a Board of Directors. Except as provided in Section 2 of this Article, the directors shall be members or spouses of members; provided, however, that no person and his or her spouse may serve on the Board at the same time.

Section 2. **Directors During Declarant Control.** The initial Directors shall be selected by the Declarant, acting in its sole discretion, and shall serve at the pleasure of the Declarant so long as the Class "B" membership exists as set forth in the Declaration unless the Declarant shall earlier surrender this right to select Directors. The Directors selected by the Declarant need not be members of the Association nor owners or residents in Innsbruck. The names of the initial Directors selected by the Class "B" members are set forth in the Articles of Incorporation of the Association.

Section 3. **Veto.** From the termination of the Class "B" membership or the relinquishment otherwise of Declarant's right to appoint directors, the Declarant shall have a veto power over all actions of the Board, as is more fully provided below. This power shall expire when waived in writing by the Declarant or fifteen (15) years from the date of recording of the Declaration, whichever first occurs. This veto power shall be exercisable only by Declarant, its successors, and assigns who specifically take this power in a recorded instrument. The veto shall be as follows:

No action authorized by the Board of Directors shall become effective, nor shall any action, policy, or program be implemented until and unless:
(a) Declarant shall have been given written notice of the meeting at which an action is to be taken by certified mail, return receipt requested or by personal delivery, at the address it has registered with the Secretary of the Association, as it may change from time to time, which notice complies with Article III, Sections 9 and 10, of the By-Laws as to regular and special meetings of the Directors, and which notice shall, except in the case of the regular meetings held pursuant to the By-Laws, set forth in reasonable particularity the agenda to be followed at said meeting; and

(b) Declarant shall be given the opportunity at any such meeting, if Declarant so desires, to join in, or to have its representatives or agents join in, discussion from the floor of any prospective action, policy, or program to be implemented by the Board. Declarant and its representatives or agents shall make its concerns, thoughts, and suggestions known to the members of the Association and/or of the Board. At such meeting, Declarant shall have, and is hereby granted, a veto power over any such action, policy, or program authorized by the Board of Directors and to be taken by said Board, the Association, or any individual member of the Association if Board approval is necessary for said member's action. Said veto may be exercised by Declarant, its representatives, or agents at the meeting held pursuant to the terms and provisions hereof or in writing within ten (10) days of written notice of the proposed action. Any veto power shall not extend to the requiring of any action or counteraction on behalf of the Board or Association. If Declarant so desires, Declarant may construe this veto power as Declarant, being a member of the Board of Directors, existing in a class of directors independent from the other Board members with a term equal to the term of the veto power and with the powers as described herein.

Section 4. Number of Directors. The number of Directors in the Association shall be not less than three (3) as the Board of Directors may, from time to time, determine by resolution. The initial Board shall consist of three (3) members.

Section 5. Nomination of Directors. Except with respect to Directors selected by the Declarant, nominations for election to the Board of Directors shall be made by a Nominating Committee. The Nominating Committee shall consist of a Chairman, who shall be a member of the Board of Directors, and two or more members of the Association. The Nominating Committee shall be appointed by the Board of Directors not less
than thirty (30) days prior to each annual meeting of the members to serve from the time of appointment until the close of the annual meeting, and such appointment shall be announced at each such annual meeting. The Nominating Committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but in no event less than the number of vacancies or terms to be filled. Nominations shall be permitted from the floor, also. All candidates shall have a reasonable opportunity, if they so desire, to communicate their qualifications to the members and to solicit votes.

Section 6. Election and Term of Office.

(a) Declarant appointees shall serve for terms equal to the time of existence of the Class "B" members or such shorter term as determined by Declarant. The initial terms of the Directors elected after termination of the Class "B" membership shall be fixed as provided herein, to wit: initially, the term of one (1) Director shall be fixed at one (1) year; the term of one (1) Director shall be fixed at two (2) years; and the term of one (1) Director shall be fixed at three (3) years. At the expiration of the initial term of office of each respective member of the Board of Directors, a successor shall be elected to serve for a term of three (3) years. If additional directors shall exist their initial terms shall be fixed so as to create a staggered term thereafter. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association or until they resign, whichever first occurs.

(b) At the first annual meeting of the membership after the termination of the Class "B" membership, and at each annual meeting of the membership thereafter, Directors shall be elected by members of the Association in accordance with their voting powers, as further specified in the Declaration and Articles of Incorporation. Members shall vote on all directors to be elected, and the candidates receiving a plurality of votes shall be elected.

Section 7. Removal of Directors. Upon the termination of the Class "B" membership, at any regular or special meeting of the Association duly called, any one or more of the members of the Board of Directors may be removed, with or without cause, by a majority of the members authorized to vote for directors and a successor may then and there be elected to fill the vacancy thus created. A Director whose removal has been proposed shall be given at least ten (10) days
notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting.

B. Meetings.

Section 8. Organization Meeting. The first meeting of the members of the Board of Directors following each annual meeting of the membership shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Board.

Section 9. Regular Meeting. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least two (2) such meetings shall be held during each fiscal year. Notice of the regular schedule shall constitute sufficient notice of such meetings.

Section 10. Special Meetings. Special meetings of the Board of Directors shall be held when called by the President on his own motion or when requested by the Vice President or Secretary of the Association, or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a person at the Director's home or office who would reasonably be expected to communicate such notice promptly to the Director; or (d) by telegram, charges prepaid. All such notices shall be given or sent to the Director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal delivery, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least twenty-four (24) hours before the time set for the meeting.

Section 11. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the
purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 12. Quorum of Board of Directors. At all meetings of the Board of Directors a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 13. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by a majority vote of the total vote of the Association at a regular or special meeting of the Association.

Section 14. Conduct of Meetings. The President shall preside over all meetings of the Board of Directors and the Secretary shall keep a minute book of the Board of Directors, recording therein all resolutions adopted by the Board of Directors and a record of all transactions and proceedings occurring at such meetings. Robert's Rules of Order (current edition) shall govern the conduct of the meetings of the Board of Directors when not in conflict with Georgia law, the Declaration, these By-Laws, direction of the President or Board resolution.

Section 15. Executive Session. The Board may, with approval of a majority of a quorum of the Board members, adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters, litigation in which the Association is or may become involved, and orders of business of a similar nature.

Section 16. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors.
C. Powers and Duties.

Section 17. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the members.

Section 18. Management Agent.

(a) The Board of Directors may employ for the Association a professional management agent or agents, at a compensation established by the Board of Directors, to perform such duties and services as the Board of Directors shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these By-Laws. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of three (3) years. Any management contract must permit termination by either party, without cause and without termination fee, on ninety (90) days' or less written notice.

Section 19. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of improving, acquiring, repairing, modifying, or restoring the Common Area without the approval of the members of the Association.

Section 20. Rights of the Association. With respect to the Common Areas, or other areas of Association responsibilities, and in accordance with the Articles of Incorporation and By-Laws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational, or other agreements with trusts, condominiums, cooperatives, or neighborhood and other homeowners' or residents' associations, both within and without the Properties. Such agreements shall require the consent of two-thirds (2/3) of the total votes of all Directors of the Association.
Article IV
Officers

Section 1. Officers. The officers of the Association shall be a President, one (1) Vice President, a Secretary, and a Treasurer. The Board of Directors may elect such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have the authority and perform the duties prescribed from time to time by the Board of Directors. Any two or more offices may be held by the same person, excepting the offices of President and Secretary. The President and Treasurer shall be elected from among the members of the Board of Directors.

Section 2. Election, Term of Office, and Vacancies. The Officers of the Association shall be elected annually by the Board of Directors at the first meeting of the Board of Directors following each annual meeting of the members as herein set forth in Article III. A vacancy in any office arising because of death, resignation, removal or otherwise may be filled by the Board of Directors for the unexpired portion of the term.

Section 3. Removal. Any officer may be removed by a majority vote of the Board of Directors present, a quorum being present, whenever in its judgment the best interests of the Association will be served thereby.

Section 4. Powers and Duties. The officers of the Association shall each have such powers and duties as generally pertain to their respective offices, as well as such powers and duties as may from time to time be specifically conferred or imposed by the Board of Directors. The President shall be chief executive officer of the Association. The Treasurer shall have primary responsibility for the preparation of the budget, as provided for in the Declaration, and may delegate all or part of the preparation and notification duties to a finance committee, management agent, or both.

Section 5. Resignation. Any officer may resign at any time by giving written notice to the Board of Directors, the President, or the Secretary. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.
Section 6. Agreements, Contracts, Deeds, Leases, Checks, Etc. All agreements, contracts, deeds, leases, checks, and other instruments of the Association shall be executed by at least two (2) officers or by such other person or persons as may be designated by resolution of the Board of Directors.

Article V
Committees

Section 1. General. Committees to perform such tasks and to serve for such periods as may be designated by a resolution adopted by a majority of the Directors present at a meeting at which a quorum is present are hereby authorized. Such committees shall perform such duties and have such powers as may be provided in the resolution. Each committee shall be composed and shall operate in accordance with the terms of the resolution of the Board of Directors designating the committee or with rules adopted by the Board of Directors.

Section 2. Covenants Committee. The Board of Directors may appoint a Covenants Committee consisting of at least three (3) and no more than five (5) members. Acting in accordance with the provisions of the Declaration, these By-Laws, and resolutions the Board may adopt, the Covenants Committee may act as a hearing tribunal of the Association for covenant violations.

Section 3. Parcel Committees. In addition to other committees as provided in Section 1 of this Article V, there may be established a Parcel Committee for each of the Parcels contained in Innsbruck. Each Parcel Committee shall consist of three (3) members; provided, however, that by vote of at least fifty (50%) percent of the residents of a Parcel this number may be increased to five (5). The Parcel Committees shall be appointed and elected in the manner provided for Directors in Article III, Sections 2 and 6. Any Association Director elected from a Parcel shall be an ex officio member of the Committee. It shall be the responsibility of the Parcel Committee to determine the nature and extent of services, if any, to be provided to the Parcel by the Association in addition to those provided to all members of the Association in accordance with the Declaration. A Parcel Committee may advise the Board on any other issue but shall not have the authority to bind the Board of Directors. Each Parcel Committee shall elect a chairman from among its members who shall preside at its meetings and who shall be responsible for transmitting any and all communications to the Board of Directors. A Parcel
Committee shall be advisory in nature, and the Board of Directors shall at all times have superior jurisdiction.

Article VI
Miscellaneous

Section 1. Fiscal Year. The initial fiscal year of the Association shall be set by resolution of the Board of Directors. Unless otherwise provided, the fiscal year shall be the calendar year.

Section 2. Parliamentary Rules. Robert's Rules of Order (current edition) shall govern the conduct of Association proceedings when not in conflict with Georgia law, the Articles of Incorporation, the Declaration, these By-Laws, rulings of the President, or resolutions of the Board.

Section 3. Conflicts. If there are conflicts or inconsistencies between the provisions of Georgia law, the Articles of Incorporation, the Declaration, these By-Laws, the provisions of Georgia law, the Declaration, the Articles of Incorporation, and the By-Laws (in that order) shall prevail.

Section 4. Books and Records.
(a) Inspection by Members. The membership register, books of account, and minutes of meetings of the members, of the Board, and of committees shall be made available for inspection and copying by any member of the Association, or by his duly appointed representative, at any reasonable time and for a purpose reasonably related to his interest as a member, at the office of the Association or at such other place as the Board shall prescribe.

(b) Rules for Inspection. The Board may establish reasonable rules with respect to:

(i) notice to be given to the custodian of the records by the member desiring to make the inspection;

(ii) hours and days of the week when such an inspection may be made; and

(iii) payment of the cost of reproducing copies of documents requested by a member.
(c) **Inspection by Directors.** Every Director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned by the Association. The right of inspection by a Director includes the right to make extra copies of documents at the reasonable expense of the Association.

Section 5. **Notices.** Unless otherwise provided in these By-Laws, all notices, demands, bills, statements, or other communications under these By-Laws shall be in writing and shall be deemed to have been duly given if delivered personally or if sent by first class mail, first class postage prepaid:

(a) If to a Member, at the address which the Member has designated in writing and filed with the Secretary, or if no such address has been designated, at the address of the Residential Unit of such member; or

(b) If to the Association, the Board of Directors or the Managing Agent, at the principal office of the Association or the Managing Agent, if any, or at such other address as shall be designated by the notice in writing to the members pursuant to this Section.

Section 6. **Audit.** An audit of the accounts of the Association shall be made annually in the manner as the Board of Directors may decide; provided, however, that after having received the Board's audit at the annual meeting, the members, by a majority vote, may require that the accounts of the Association be audited as a common expense by a public accountant. Upon written request of any institutional holder of a first mortgage, such holder shall be entitled to receive a copy of the annual audited financial statement within ninety (90) days after the end of each fiscal year.

Section 7. **Amendment.** These By-Laws may be amended only by the affirmative vote or written consent of a majority of the members of the Board of Directors of the Association.

We, the undersigned, being all of the directors of Innsbruck Property Owners Association, Inc., do hereby certify:

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS
FOR
INNSBRUCK

This Declaration of Covenants, Conditions, and Restrictions for Innsbruck is made this 26th day of December 1985, by Innsbruck, Ltd., a Georgia corporation (hereinafter referred to together with its successors-in-title who come to stand in the same relation to the Property as its predecessor did as "Declarant");

WITNESSETH

Declarant is the owner of the real property described in Exhibit "A" attached hereto and incorporated herein by reference. Declarant intends by this Declaration to impose upon the Exhibit "A" property mutually beneficial restrictions under a general plan of improvement and development for the benefit of all owners of property within Innsbruck. Declarant desires to provide a flexible and reasonable procedure for the overall development of the property and the interrelationships of the component associations and other areas, and to establish a method for the administration, maintenance, preservation, use, and enjoyment of such property as is now or may hereafter be submitted to this Declaration.

The Declarant's present intention, stated here for information of present intent only and not as a warranty or representation of a future fact, is to develop or allow others to develop Innsbruck with residential, resort and other types of accommodations of different styles, designs, and construction. These may include, by way of example and not limitation, condominium units, townhouse dwellings, villas, individually owned single family lots upon which accommodations may be built, timeshares, residential, resort and other types of accommodations, cooperatives, and motel units. Additionally, the Declarant reserves the option, in Declarant's sole discretion, to add commercial space which may or may not be subjected to the jurisdiction of the Association as defined herein and the terms of this Declaration. This Declaration and
the By-Laws recorded herewith set out the method of administration for the Innsbruck community.

NOW, THEREFORE, Declarant hereby declares that all of the property described in Exhibit "A" and any Additional Property as may by subsequent amendment be added and subjected to this Declaration shall be held, sold, and conveyed subject to the following easements, restrictions, covenants, and conditions which are for the purpose of protecting the value and desirability of and which shall run with the real property submitted to this Declaration and which shall be binding on all parties having any right, title, or interest in the described properties or any part thereof, their heirs, successors, successors-in-title, and assigns, and shall inure to the benefit of each owner thereof.

Article I

"Additional Property" shall mean all that property described in Exhibit "B", attached hereto and any property as may be adjacent to or contiguous with the Exhibit "B" Property (or Property made a part of Innsbruck), which may be added to the Innsbruck community in accordance with the terms of Article VI of this Declaration. Property shall be deemed to be adjacent to or contiguous with the Exhibit "B" Property (or property made a part of Innsbruck) if it physically connects to such property, at any point, or if it is separated only by a road, public or private, or water course, including any river, creek or lake.

Section 2. "Association" shall mean and refer to the Innsbruck Property Owners Association, Inc., a Georgia Nonprofit Corporation, its successors and assigns.

Section 3. "Board of Directors" or "Board" shall be the elected body of the Association having its normal meaning under the Georgia Nonprofit Corporation Act and law.

Section 4. "Builder/Owner" shall mean and refer to the owner of a Lot who owns such Lot solely for the purpose of development and sale to third parties and is designated, in writing, as a Builder/Owner by Declarant.

Section 5. "Commercial Space" shall mean any portion of the Properties which may be designated by the Declarant for use for commercial purposes, including, but not limited to, retail stores, hotel/motel centers, motel buildings, or

In the sole discretion of Declarant, Declarant may submit Commercial Space to all or some of the provisions of this Declaration by a Supplemental Declaration or by amendment, and Declarant hereby expressly reserves the right and option, but not the obligation, to submit such Commercial Space to all, any part or a part of the provisions of this Declaration. The reservation of this right and option shall include, but not be limited to, the Declarant's reserved right for so long as the Class "B" member shall exist to grant easements, rights of ingress and egress, use rights, and other similar rights of Owners over and to any of the Common Area or other Properties to the owners of the Commercial Space, their business invitees and Declarant's assigns. By exercise of this right and option, Declarant may give owners of Commercial Space and their business invitees the same rights given to Owners within the Innsbruck community under this Declaration. provided further, a Parcel may include more than one Phase if so designated by Declarant.

Section 16. "Parcel Assessments" shall mean assessments for common expenses provided for herein or by any Supplementary Declaration or amendment which are used for the purposes of promoting the recreation, health, safety, welfare, common benefit, and enjoyment of the Owners within a specific Parcel, including, but not limited to, the maintenance of property within a given Parcel.

The term "Residential Unit" shall not include any Commercial Space, including, but not limited to, hotel and motel rooms, which might be subject to all or part of this Declaration, unless otherwise designated by Declarant or for the purpose provided in Article VII, Section 1. For the purposes of this Declaration, a newly constructed Residential Unit shall come into existence when substantially complete.

Property Rights

Section 1. General. Every Owner, every owner of Commercial Space, if any, and, to the extent authorized by the Declarant, every Timeshare Interest owner or user shall have a right and easement of enjoyment in and to the Common Area subject to any restrictions, limitations, or provisions contained in this Declaration. Such right and easement may be exercised by the Owner, Commercial Space Owner, or Timeshare Interest Owner, as the case may be, and the members of such Owners' family and his or her tenants, licensees and invitees, subject to such reasonable regulations or procedures as may be adopted by the Board. The aforementioned right and easement of enjoyment shall be appurtenant to and shall pass with the title to every Lot, Commercial Space or, if so created, Timeshare Interest, subject to the following reservations, rights, and provisions:

(a) the right of the Association to suspend an Owner's or a Commercial Space Owner's (or Timeshare Interest Owner, if such exists) voting rights and right to use the facilities as may be located on the Common Area for any period during which any assessment of the Association or such other association as may be made a part of the Properties against said Owner's, Commercial Space Owner's or Timeshare Interest Owner's Lot or property remains unpaid, and for any infraction of the Association's rules and regulations for the duration of the infraction and for an additional period thereafter not to exceed thirty (30) days;

(b) the right of the Declarant or the Association, with the approval of Declarant, to dedicate, transfer, or grant permits, licenses, or easements in and to the Common Area for utilities, roads, and other purposes reasonably necessary or useful for the proper development, maintenance, or operation of
the Innsbruck community, all as benefit the Additional Property or the Properties or any portions thereof;

(c) the right of the Association to borrow money for the purpose of (1) improving the Properties or any portion thereof, (2) acquiring additional Common Area, or (3) repairing or improving any facility located or to be located on the Properties, and to give as security for the payment of any such loan, a mortgage or deed of trust conveying all or any portion of the Common Area; provided, however, the lien and encumbrance of any such mortgage or deed of trust given by the Association shall be subject and subordinate to any and all rights, interests, options, easements, and privileges herein reserved or established for the benefit of Declarant, any Owner, any other person, or the holder of any mortgage or deed of trust, irrespective of when executed, given by Declarant or any Owner encumbering any Lot, Residential Unit, or other property located within Innsbruck;

(d) the easement right of Declarant and its successors and assigns to enter and travel upon, over, and across the Common Area for the purpose of completion and repair of the improvements within the Properties or Additional Property and for all reasonable purposes to further assist and enhance the marketing of property, Lots, or Residential Units located or to be located on the Properties or Additional Property;

(e) the reserved easement and right in Declarant, invitees and guests of Declarant, the Innsbruck Golf and Country Club, its invitees and guests, and the then current members of the Innsbruck Golf and Country Club, present and future, to enter and travel upon, over, and across the Common Area for the purpose of accommodating the use of the Innsbruck Golf and Country Club facilities by such persons; and

(f) the reserved easement and right in Declarant and assigns of Declarant who may own all or any portion of the Property that may possibly be annexed to this Declaration to use and enjoy the Common Area, such right and easement being in gross to Declarant but assignable (by Declarant) to any and all of those owners of all or any portion of property as might be annexed to this Declaration.

Section 2. Owner's Right to Ingress, Egress, Use and Support. Every Owner, every owner of Commercial Space if any (and their business invitees), and, to the extent authorized by the Declarant, every Timeshare Interest Owner, shall have the right of ingress and egress over, upon, and across the Common
Area necessary for access to his or her Lot or Residential Unit and shall furthermore have the right and easement of use and enjoyment of the Common Area and the right to lateral support. Such rights shall be appurtenant to and pass with the title to each Lot or Residential Unit.

Section 3. Easement of Encroachment. If any portion of the improvements constructed on the Common Area encroaches upon a Lot or any improvement constructed on a Lot encroaches upon the Common Area as a result of construction, reconstruction, repair, shifting, settlement, or movement of any portion of the improvements, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists; provided, however, if any improvement on a Lot is knowingly and willfully constructed, reconstructed, or repaired so as to encroach on the Common Area, to an extent greater than five (5) feet, no such easement shall exist.

Section 4. Use of Common Area. Other than for the right of ingress and egress and the normal intended use as interpreted by the Declarant, the Owners are hereby prohibited and restricted from using any of the Common Area except as may be allowed by the Association's Board of Directors or as may be expressly permitted in this Declaration or any amendment or Supplemental Declaration applicable to all or a portion of the Properties. By way of explanation and not limitation, no planting or gardening shall be done upon the Common Area, and no fences, hedges, or walls shall be erected or maintained upon the Common Area, except as are installed by Declarant or a Builder/Owner in accordance with the construction of the improvements located thereon or as approved by the Association's Board of Directors or their designated representatives. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all Owners and is necessary for the protection of said Owners.

Section 5. Acknowledgment of Rights of Use. Each Owner, each Owner of Commercial Space, if any, and each member of the Association, by acceptance of a deed or contract for deed to any Lot or Residential Unit in Innsbruck, is deemed to accept the reservations, rights of use, licenses, easements, and permits existing in, through, and over the Common Area.

Section 6. Conveyance of Common Area. The Association covenants to accept title to all or portions of the Common Area when offered by the Declarant.
Section 7. Rules and Regulations. The Board of Directors may establish reasonable rules and regulations concerning the use of the Common Area and improvements located thereon. No rule or regulation shall, however, diminish, alter, or affect the rights of use, easements, permits, privileges, or licenses existing in Declarant, its successors and assigns, the members of the Innsbruck Golf and Country Club, the Club itself, or invitees or guests of Declarant or such Club. Furthermore, no rule or regulation shall affect or treat Declarant, its successors and assigns, the members of the Innsbruck Golf and Country Club, the Club itself, or the invitees of Declarant or such Club in a manner differently than the Association's rules may affect or treat its Class "A" members. Copies of such regulations and amendments thereto shall be furnished by the Association to all Owners, the Declarant, and the Innsbruck Golf and Country Club prior to the rule's effective date. Such regulations shall be binding upon the Owners and users, their families, tenants, guests, invitees, and agents, until and unless such regulation, rule, or requirement is specifically overruled, cancelled, or modified by the Board. The Board shall have the authority to impose reasonable monetary fines and other sanctions for violations of its rules, and monetary fines may be collected by lien and foreclosure, as provided in Article VII hereof. In addition, the Board shall have the right to suspend votes and the right to use the Common Area (other than for access to one's Lot) for violation of its rules, as well as to proceed judicially to enjoin and abate violations of such rules as if such rules were use restrictions contained herein as covenants on the Properties.

Section 8. Construction and Sale Period. Despite any provisions contained in this Declaration to the contrary, it shall be expressly permissible for Declarant and all Builder/Owners to maintain and carry on upon such portion of the Properties as the Declarant may deem necessary, including, but not limited to, the Common Area, such facilities and activities as in the sole opinion of Declarant may be reasonably required, convenient, or incidental to construction or sale, including, without limitation, business offices, signs, model homes, and sales offices, so long as construction on or offering for sale by Declarant or a Builder/Owner of all or any portion of the Properties or Additional Property, including Lots and Residential Units, continues. The right to maintain and carry on such facilities and activities shall include specifically the right to use Lots and Residential Units owned by Declarant or Builder/Owners as models and sales offices and to authorize sales and construction personnel to travel upon and enter the Common Area. Furthermore, Declarant
reserves the right, during installation of streets or other facilities, as shown on any Subdivision Plat or plat of any Phase, to enter onto any Lot or Lots for the purpose of disposing of excavation, if necessary, whether or not the Lot or Lots have been conveyed to and/or contracted for or by any other Owner or Owners.

Section 9. No Partition. Except as is permitted in this Declaration, there shall be no partition of the Common Area or any part thereof, nor shall any person acquiring any interest in any of the Properties or any part thereof seek any such partition, judicial or otherwise, unless the affected area has been removed from the provisions of this Declaration. This Section shall not be construed to prohibit the Board of Directors from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Section 10. Easements for Utilities, Etc. There is hereby reserved to the Declarant for as long as Declarant's right to annex Additional Property exists and thereafter to the Association, the power to grant blanket easements upon, across, over, and under all of the Property, including Lots, for ingress, egress, installation, replacing, repairing, and maintaining master television antenna or cable systems, security, and similar systems, walkways, and all utilities, including, but not limited to, water, sewers, telephones, gas, cable television, and electricity; provided this easement shall not authorize entry into or physical damage to any structure as might exist unless owned by Declarant if the Declarant is so acting or the Association if the Association is so acting. In furtherance of this easement, from and after such time as the Association is empowered as referred to herein, the Board shall, upon written request of Declarant, grant such easements as may be reasonably necessary for the development of any property described in Exhibit "A" or the Additional Property. In addition, Declarant reserves the easements and rights-of-way as shown on any Subdivision Plat or the Plat of any Phase or any of the Properties, including Lots, for the purpose of constructing, maintaining, and repairing a system or systems of electric lighting, electric power, telegraph and telephone line or lines, gas, sewers, or any other utility Declarant determines to install in, across, and/or under the Properties; provided, however, Declarant reserves the right to relocate, make changes in and additions to the above easements for the purpose of most efficiently and economically installing the improvements.
Section 11. Assignment of Declarant Rights.
Declarant may assign its rights as Declarant to all or any portion of the Property or Additional Property to any party or parties who take title to all or any portion of the Property or Additional Property for the purpose of development and sale. Declarant, however, unless otherwise specifically assigned, shall, so long as it owns any interest in the Innsbruck community, retain all Class "B" votes despite any such transfer or assignment.

Article III
Association Membership and Voting Rights

Section 1. Membership. Subject to Section 2 of this Article, every person who is the record owner of a fee or undivided fee interest in any Lot or Commercial Space that is subject to this Declaration shall have a membership in the Association. Owners or users of Timeshare Interests may, to the extent authorized by Declarant, have a membership in the Association. The foregoing is not intended to include persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership.

Section 2. Multiple Owners. Other than as the Declarant may authorize for Timeshare Interests, no Owner, whether one or more persons, shall have more than one (1) membership per Lot owned; provided, however, multiple use rights for multiple owners shall exist subject, however, to the right of the Board of Directors to regulate and limit use by multiple Owners. In the case of any Commercial Space, including a rental or leasehold motel facility, all occupants shall have use and easement rights, while in occupancy, coextensive with Class "A" members. The rights and privileges of membership, including the right to vote, may be exercised by a member or the member's spouse.

Section 3. Voting. The Association shall have three (3) classes of membership, Class "A", Class "B" and Class "C".

(a) Class "A". Class "A" members shall be all Owners, including Builder/Owners, with the exception of the Class "B" and "C" members. Class "A" members shall be entitled on all issues to one (1) vote for each Lot in which they hold the interest required for membership by Section 1 hereof;
provided any Timeshare Interest Owners vote shall be as provided in Article XII hereof. When more than one person holds such interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended in the event more than one person seeks to exercise it.

(b) Class "B". The Class "B" member shall be the Declarant. Until termination of the Class "B" vote, as below provided for, the Class "B" member shall be entitled to three (3) times the total number of then existing Class "A" and Class "C" votes. The Class "B" membership shall terminate upon the happening of the earlier of the following:

(i) one hundred twenty (120) days after seventy-five (75%) percent of the Lots contemplated to be part of Innsbruck have been conveyed to purchasers other than Builder/Owners or affiliates of Declarant;

(ii) when, in its discretion, the Declarant so determines; or

(iii) ten (10) years following conveyance of the first Lot in Innsbruck to a purchaser other than a Builder/Owner or affiliate of Declarant.

From and after the happening of these events, whichever occurs earlier, the Class "B" members shall be deemed to be Class "A" members entitled to one (1) vote for each Lot in which it holds the interest required for membership under Section 1 hereof.

(c) Class "C". Class "C" members shall be the Owners of any Commercial Space (other than the Association) which may be subject to the terms of this Declaration. Class "C" members shall have such memberships, voting rights and additional rights as may be delineated in any Supplemental Declaration subjecting such space to this Declaration.

Section 4. The Innsbruck Golf and Country Club.

(a) Every Owner of a Lot or member of the Association, by acceptance of a deed thereto or interest therein does thereby acknowledge that there may exist in the general vicinity of the Innsbruck community a golf course/clubhouse facility commonly referred to as Innsbruck Golf and Country Club in which rights of use may be offered on a fee or non-fee basis to Owners of Lots in the Innsbruck community as well as to those not owning property in the Innsbruck
community. The Owners of Lots in the Innsbruck community, by
acceptance of a deed or interest therein, acknowledge that
ownership of a Lot or interest in the Innsbruck community
contemplated herein does not entitle such Owner or the
Association to any proprietary, membership or equitable
interest in the Innsbruck Golf and Country Club facilities.
Declarant's present intention, stated here for information
purposes only, and not as a warranty or representation of a
future fact, is to own and operate such Country Club or to
create such Country Club with such Club to be operated and
owned by a successor to Declarant, selected at the option of
Declarant. Notwithstanding the foregoing, however, Declarant
has the right but not the obligation, to offer the Innsbruck
Golf and Country Club golf course and clubhouse facility to the
Association for purchase at the prevailing market price as
determined by the Declarant and thereafter, if the Association
does not agree to purchase the Golf and Country Club facilities
within fifteen (15) days of the receipt of the offer to sell,
the Declarant may sell or convey the Golf and Country Club
facilities as Declarant in its sole discretion may determine.
In the event of purchase by the Association, any such
conveyance shall not disrupt existing use rights as might exist
in the Innsbruck Golf and Country Club and any such conveyance
shall be expressly conditioned upon the continued recognition
and existence of existing use rights subject to payment of fees
as may be adjusted.

(a) All maintenance of Lots or Residential Units, unless specifically identified hereunder or in a Supplemental Declaration or other applicable Declaration of Covenants as being the responsibility of the Association or another party or entity, shall be the responsibility of the Owner of such Lot or Residential Unit.

(b) All maintenance of Commercial Space, if any, shall be the responsibility of the owner of such Commercial Space unless identified in a Supplemental Declaration or other applicable Declaration or Covenants as being the responsibility of another party or entity.

(c) In the event the Board of Directors of the Association determines that (i) any Owner or owner of Commercial Space has failed or refused to discharge properly his or her obligations with regard to the maintenance, repair, or replacement of items for which he or she is responsible hereunder; or (ii) that the need for maintenance, repair, or replacement which is the responsibility of the Association hereunder is caused through the willful or negligent act of an Owner, an owner of Commercial Space, his or her family, guests, lessees, or invitees, the Association, except in the event of an emergency situation, shall give the Owner or owner of Commercial Space written notice of the Association's intent to provide such necessary maintenance, repair, or replacement, at their sole cost and expense; the notice shall set forth with reasonable particularity the maintenance, repair, or replacement deemed necessary and the cost thereof. The noticed party shall have fifteen (15) days within which to pay such amount claimed; or, in the event such maintenance or repair is to the owner's Residential Unit, Lot, or Commercial Space complete said maintenance, repair, or replacement; or, in the event that such maintenance, repair, or replacement is not capable of completion within said fifteen (15) day period, to commence such work which shall be completed within a reasonable time. If any Owner or owner of Commercial Space does not comply with the provisions hereof, the Association may provide any such maintenance, repair, or replacement at such person's sole cost and expense, and the cost shall be added to and become a part of the assessment to which such party is subject.
and shall become a lien against the Lot or Commercial Space of such party.

C. Insurance and Casualty or Liability Losses.

Section 1. Insurance. The Association's Board of Directors or its duly authorized agent shall have the authority to and shall obtain insurance for all insurable improvements on the Common Area against loss or damage by fire or other hazards, including extended coverage, vandalism, and malicious mischief. This insurance shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board shall also obtain a public liability policy applicable to the Common Area covering the Association, its officers, directors, members, and agents. The public liability policy shall have at least a Five Hundred Thousand ($500,000.00) Dollar per person limit, as respects bodily injury and property damage, a One Million ($1,000,000.00) Dollar limit per occurrence, and a Fifty Thousand ($50,000.00) Dollar minimum property damage limit. Unless otherwise provided by the Board of Directors, the cost of all such insurance coverage shall be paid from the common expense. Each insurance policy may contain a deductible, and the amount thereof shall be added to the face amount of the policy in determining whether the insurance at least equals the full replacement cost.

All such insurance coverage obtained by the Board of Directors shall be written in the name of the Association, as Trustee, for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

(a) All policies shall be written with a company licensed to do business in Georgia and holding a rating of XI or better in the Financial Category as established by A. M. Best Company, Inc., if available, or, if not available, the most nearly equivalent rating.

(b) All policies on the Common Area shall be for the benefit of the Owners and their mortgagees, as their interests may appear.

(c) Exclusive authority to adjust losses under policies in force on any portion of the Properties, including the Common Area, obtained by the Association shall be vested in the Association's Board of Directors; provided, however, that no mortgagee having an interest in such losses may be
prohibited from participating in the settlement negotiations, if any, related thereto.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual owners, occupants, or their mortgagees, and the insurance carried by the Association shall be primary.

(e) All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement, if reasonably available, with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the White County, Georgia, area.

(f) The Association's Board of Directors shall be required to make every reasonable effort to secure insurance policies that will provide for the following:

(i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Directors, its Manager, the owners and their respective tenants, servants, agents, and guests;

(ii) a waiver by the insurer of its rights to repair and reconstruct instead of paying cash;

(iii) that no policy may be cancelled, invalidated, or suspended on account of any one or more individual owners;

(iv) that no policy may be cancelled, invalidated or suspended on account any defect or of the conduct of any director, officer, or employee of the Association or its duly authorized Manager without prior demand in writing delivered to the Association to cure the defect or to cease the conduct and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its Manager, any owner or mortgagee; and

(v) that any "other insurance" clause in any policy exclude individual owners' policies from consideration.

In addition to the other insurance required by this Section, the Board shall obtain, as a common expense, worker's compensation insurance, if and to the extent necessary, and a fidelity bond or bonds on directors, officers, employees, and other persons handling or responsible for the Association's
funds. The amount of fidelity coverage shall be determined in the directors' best business judgment, but may not be less than three (3) months' assessments, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association.

Section 2. Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed as follows:

(a) If the damage or destruction for which the proceeds are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction, as hereinafter provided. Any proceeds remaining after defraying such costs of repairs or reconstruction, or in the event no repair or reconstruction is made after making such settlement as is necessary and appropriate with the affected Owner or owners and their mortgagee(s), as their interests may appear, shall be retained by and for the benefit of the Association. This is a covenant for the benefit of any mortgagee of any part of the Properties and may be enforced by such mortgagee.

(b) If it is determined, as provided for in Section 12 of this Article, that the damage or destruction for which the proceeds are paid shall not be repaired or reconstructed, available proceeds shall be disbursed in the manner as provided for excess proceeds in Section 2(a) hereof.

Section 3. Damage and Destruction.

(a) Immediately after the damage or destruction by fire or other casualty to all or any part of the Properties covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition in which it existed prior to the fire or other casualty.

(b) Any damage or destruction to the Common Area shall be repaired or reconstructed unless at least seventy-five (75%) percent of the total vote of the Association and the Declarant shall decide within sixty (60) days after the
casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, that such extension shall not exceed sixty (60) days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction shall be repaired or reconstructed.

(c) In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Property by its respective owner or owners in a neat and attractive condition.

Section 4. Repair and Reconstruction. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment against all Owners ultimately responsible for the payment of the policy premium in the same proportion as an Owner's assessment bears to the Association's budget. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the cost of repair, such excess shall be deposited to the benefit of the Association.

Section 5. Lot Owner's Responsibility. By virtue of taking title to a Lot or to Commercial Space, each Owner of a Lot or owner of Commercial Space covenants and agrees with all other Owners and Owners of Commercial Space and with the Association to carry all risk casualty insurance in the event the Association does not carry blanket all-risk casualty insurance on improvements on Lots or the Commercial Space. Each Owner or Owner of Commercial Space, if any, further covenants and agrees that in the event of a partial loss or damage and destruction resulting in less than total destruction of any structure located on a Lot or any Commercial Space, he or she shall proceed promptly to repair or reconstruct the damaged structure in a manner consistent with the original construction. In the event that any Residential Unit or Commercial Space structure is totally destroyed or rendered uninhabitable or unusable and the owner thereof determines not
to rebuild or reconstruct, then that owner shall clear that Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction. The obligation of a Lot Owner hereunder specified shall not be applicable to any Owner whose Lot is insured under a casualty insurance policy obtained by an association of owners on his behalf.

Article V
Condemnation

Whenever all or any part of the Common Area shall be taken (or conveyed in lieu of and under threat of condemnation) by any authority having the power of condemnation or eminent domain, the award made for such taking shall be payable to the Association, as Trustee for all Owners, to be disbursed as follows:

If the taking involves a portion of the Common Area on which improvements have been constructed, then, unless within sixty (60) days after such taking the Declarant and at least seventy-five (75%) percent of the Class "A" members of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Area, to the extent lands are available therefore, in accordance with plans approved by the Board of Directors of the Association. If such improvements are to be repaired or restored, the above provisions in Article IV hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Area, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Directors of the Association shall determine.

Article VI
Annexation of Additional Property

Section 1. Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option (but not the obligation), from time to time at any time until ten (10) years from the date this Declaration is recorded in the White County,
Georgia. Official Records to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the Additional Property, whether in fee simple or leasehold, by filing in the White County, Georgia, Real Property Records, an amendment annexing such property. Such amendment to this Declaration shall not require the vote of members. Any such annexation shall be effective upon the filing for record of such amendment, unless otherwise provided therein. Such amendment may specify such specific use restrictions and other covenants, conditions, and restrictions to be applicable to the annexed property as Declarant may, in its own discretion, determine.

Declarant shall have the unilateral right to transfer to one or more other persons the right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least that part of said Additional Property to which such right, privilege, and option is assigned; and provided, further, such assignment shall not remove Declarant's right, option and privilege to annex.

Section 2. Annexation With Approval of Class "A" Membership. Subject to the written consent of the owner thereof, upon the written consent or affirmative vote of a majority of the Class "A" members present or represented by proxy at a meeting duly called for such purpose, and of the Declarant, the Association may annex real property other than the Additional Property, and following the expiration of the right in Section 1, the Additional Property, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the White County, Georgia, Official Records, a supplementary amendment in respect to the property being annexed. Any such supplementary amendment shall be signed by the President and the Secretary of the Association, and any such annexation shall be effective upon filing, unless otherwise provided therein. The time within which and the manner in which notice of any such meeting of the Class "A" members of the Association, called for the purpose of determining whether additional property shall be annexed, and the quorum required for the transaction of business at any such meeting, shall be as specified in the By-Laws of the Association for regular or special meetings, as the case may be.

Section 4. Condominium Conversions. Any Commercial Space structure subject to this Declaration may subsequently be converted to the condominium form of ownership, if such conversion is approved, in writing, by the Declarant. In the event of a condominium conversion, Declarant or the Board of

-21-
Directors shall prepare and record, without a membership vote, an amendment to this Declaration at the expense of the condominium converter. Such amendment shall identify the Commercial Space converted and may therein redesignate Commercial Space as residential.

Article VII
Assessments

Section 1. Creation of General Assessment. There are hereby created General Assessments for Common Expenses as may from time to time be specifically authorized by the Board of Directors. General Assessments shall be levied against all Lots subject to this Declaration and shall be used to pay expenses determined by the Board to be for the benefit of the Association, its members, and the Properties as a whole, including, but not limited to, maintenance and insurance of the Common Area and expenses otherwise incurred by the Association in accordance with its rights, powers, and privileges. The General Assessment levied against and payable by a Lot shall be determined by multiplying the established General Assessment rate times the number of Residential Units located on the Lot; provided, however, every Lot on which no Residential Unit exists (other than as otherwise herein provided) shall pay a General Assessment equal to an amount determined as if one (1) Residential Unit were located thereon, and further provided a Residential Unit located on Commercial Space shall only pay that portion of the annual General Assessment equal to the portion of the expired year that such a unit has been occupied. In the event Timeshare Interests exist, the General Assessment shall be allocated on the basis of "Lots" as defined and not on the basis of Timeshare Interest Owners.

Section 2. Creation of Parcel Assessment. There are hereby created Parcel Assessments for Common Expenses as may from time to time be authorized by the Board of Directors. Parcel Assessments shall be levied against Lots within particular Parcels of the Properties for whose benefit expenses are incurred, such as maintaining and operating facilities and amenities within a Parcel reserved for use of the residents within that Parcel, expenses of enforcing all assessments, covenants, and conditions relating to a respective Parcel, and expenses determined by the Board to be for the benefit of a respective Parcel. Each Lot within a Parcel shall pay a Parcel Assessment computed in the same manner as such Lot pays a General Assessment. Parcel Assessments established in one Parcel do not need to be equal to Parcel Assessments established in another Parcel.
Section 3. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed or contract for deed, whether or not it shall be so expressed in such instrument, is deemed to covenant and agree to pay to the Association, in accordance with the provisions hereof:

(a) annual assessments or charges, including General and Parcel Assessments;

(b) special assessments, such assessments to be established and collected as hereinafter provided; and

(c) specific assessments against any particular Lot or Residential Unit which are established pursuant to the terms of this Declaration, including, but not limited to, reasonable fines as may be imposed in accordance with Article II, Section 7, hereof.

All such assessments, together with interest at the highest rate permitted by applicable law, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made regardless of conveyance thereof. Each such assessment, together with interest, costs, late fees and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment came due, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, any first mortgagee who obtains title to a Lot pursuant to the remedies provided in the mortgage or foreclosure of the mortgage or deed in lieu of foreclosure will not be liable for such Lot's unpaid assessments which accrued prior to the acquisition of title to such Lot by the mortgagee. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors, which may include, without limitation, acceleration of the annual assessment for delinquents; the assessments shall be paid annually in advance, unless otherwise provided by the Board of Directors.

(a) It shall be the duty of the Board at least forty-five (45) days prior to the commencement of a fiscal year to prepare a budget covering the estimated costs of operating the Association and the Properties during the coming year. The budget shall separately list General and Parcel Assessments, if
any. The Board shall cause a copy of the budget and the assessments to be levied therefrom to be available to all members at a central location on the Properties at least twenty (20) days prior to the meeting. The budget and assessment established therefrom shall become and be effective unless objected to in writing executed by at least a majority of the total Association eligible vote and delivered to the Board of Directors no later than ten (10) days prior to the effective date of the proposed budget. Notwithstanding the foregoing, in the event that the membership disapproves the proposed budget or the Board fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein or by the procedure herein described repeated as need be, the budget and assessments in effect for the current year shall continue for the succeeding year.

(b) Despite anything else contained herein, the amount of the budgeted assessment in any particular year may be increased by the Board of Directors of the Association in a succeeding year without need of making the budget available for disapproval by the members, and without membership consideration, so long as the proposed assessment does not exceed the current "maximum allowable assessment amount." The current "maximum allowable assessment" amount shall be determined as follows:

Take the difference between the consumer price index, as established by the Consumer Price Index for Urban Wage Earners and Clerical Workers, Atlanta, Georgia, all Items, ("Index"), for June of the year under consideration and the consumer price index as established by the Index for June, 1985, and divide such difference by the consumer price index as established by the index for June, 1985. Thereafter, the resulting quotient is to be multiplied by one hundred. This resulting quotient expressed as a percentage, multiplied by the assessment existing in June, 1985, is the amount by which the assessment in existence may be increased, such increased amount being the current maximum allowable assessment amount.

Section 5. Special Assessments. In addition to the assessments authorized elsewhere herein, the Association may levy a Special Assessment in any year. The Board, by majority vote, may impose any special assessment without a membership vote; provided so long as Declarant owns a Lot on the community, no special assessment may be adopted without the consent of the Declarant.
Section 6. **Effect of Nonpayment of Assessments:**

**Additional Maintenance Fee.** Any assessments which are not paid when due shall be delinquent. Any assessment delinquent for a period of more than thirty (30) days shall incur a late fee in an amount as the Board may determine from time to time, but not to exceed Ten ($10.00) Dollars or ten (10%) percent of the initial assessment amount owed, whichever is greater; provided, if the Board does not determine a late fee, the late fee shall be the maximum amount hereby authorized.

Section 7. **Commencement of Assessments.**

Notwithstanding anything herein to the contrary, any and all assessments provided for in this Declaration shall commence against a respective Lot as in this section provided. Any and all assessments shall commence at the earlier to occur of the following: (i) at the time of conveyance of a Lot by the Declarant to an Owner other than a Builder/Owner or (2) one (1) year from the date such Lot is subject to the terms of this Declaration; provided, however, if within one (1) year from the date a Lot is subjected to the terms of this Declaration, Declarant conveys such Lot to a Builder/Owner, than any and all assessments provided for in this Declaration shall commence at the earlier to occur of the following: one (1) year from the date of conveyance to such Builder/Owner or (2) at the time of conveyance of a Lot by such Builder/Owner to an Owner other than a Builder/Owner or the Declarant.

**Article VIII**

**Architectural Standards**

All property which is now or may hereafter be subjected to this Declaration is subject to architectural review. This review shall be in accordance with this Article and such standards as may be promulgated by the Board, the New Construction Review Board, or the Modifications Committee.

Section 1. **New Construction Review Board.** The New Construction Review Board (NCRB) shall have exclusive jurisdiction over all original construction on any portion of the Properties. No original construction or development of any kind whatsoever shall commence or be carried out on any Lot until approved in writing by the NCRB. Approval shall be subject to such regulations, architectural standards, and application procedures as may be promulgated by the NCRB. The NCRB may charge a reasonable fee not to exceed One Hundred ($100.00) Dollars to cover the administrative expense of its review and comment, such fee to be payable to the NCRB members. The NCRB shall make its regulations, standards, and
procedures available to Owners, Builder/Owners, and developers who seek to engage in development of or construction upon all or any portion of the Properties and shall conduct its operations in accordance therewith. The Declarant, in its sole discretion, shall appoint the members of the NCRB which shall consist of three (3) members, none of whom shall be required to be residents of Innsbruck or own property at Innsbruck. The NCRB shall and may act independently of the Association and its Board until such time as the Declarant assigns its rights of appointment to the Board of Directors, at which time the NCRB shall function in the same fashion as committees of the Association. This Section may not be amended without the written approval of Declarant.

Section 2. Modifications Committee. The Modifications Committee (MC) shall consist of at least three (3) and no more than five (5) members, all of whom shall be appointed by the Board of Directors. The MC shall have jurisdiction over modifications, additions, or alterations made on or to existing Residential Units or structures containing Residential Units and the open space, if any, throughout the Properties; provided, however, the MC may delegate this authority to the appropriate board or committee of any residential association subsequently created or subsequently subjected to this Declaration, so long as the MC has determined that such board or committee has in force written review and enforcement practices, procedures, and appropriate written guidelines and standards at least equal to those of the MC. Such delegation may be revoked and jurisdiction reasserted at any time by written notice; provided, further, the MC shall not have jurisdiction over modifications or alterations made by the Declarant or Builder/Owners, and the jurisdiction of the MC shall be subordinate to the NCRB. Decisions of the MC shall be advisory in nature and reported to the Board of Directors no later than thirty (30) days prior to the time the Board's power to deny a proposed modification expires.

The MC shall promulgate detailed standards and procedures governing its area of responsibility and practice. In addition thereto, the following shall apply: plans and specifications showing the nature, kind, shape, color, size, materials, and location of such modifications, additions, or alterations, shall be submitted to the MC for approval as to quality of workmanship and design and harmony of external design with existing structures and as to location in relation to surrounding structures, topography, and finish grade elevation. Nothing contained herein shall be construed to limit the right of an owner to remodel the interior of his or her Residential Unit or to paint the interior of his or her
Residential Unit any color desired. In the event the Board, after receiving the report of the MC, fails to approve or to disapprove such plans or to request additional information reasonably required within sixty (60) days after submission, the plans shall be deemed approved. The MC may charge a reasonable fee not to exceed One Hundred ($100.00) Dollars to cover the administrative expense of its review and comment, such fee to be payable to the Association.

**Article IX**
**Mortgagees' Rights**

The following provisions are for the benefit of holders, insurers, or guarantors of first mortgages in Innsbruck. To the extent applicable, necessary, or proper, the provisions of this Article apply to both this Declaration and to the By-Laws of Innsbruck Property Owners Association, Inc. Where indicated, these provisions apply only to "eligible holders," as hereinafter defined.

**Section 1. Notices of Action.** So long as required by the Federal National Mortgage Association but only provided that Innsbruck is a planned development approved by or seeking approval by such Association (and such is approved by the Declarant, in writing) an institutional holder, insurer, or guarantor of a first mortgage who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the unit number), (therefore becoming an "eligible holder"); will be entitled to timely written notice of:

(a) any proposed termination of the development;
(b) any condemnation loss or any casualty loss which affects a material portion of the Properties or which affects any Lot or Residential Unit on which there is a first mortgage held, insured, or guaranteed by such eligible holder;
(c) any delinquency in the payment of assessments or charges owed by an Owner of a Lot or Residential Unit subject to the mortgage of such eligible holder, insurer, or guarantor, where such delinquency has continued for a period of sixty (60) days:
(d) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or
(e) any proposed action which would require the consent of eligible holders, as required in Sections 2 and 3 of this Article.

-27-
Section 2. Other Provisions For First Lien Holders.

To the extent possible under Georgia law:

(a) Any restoration or repair of the Common Area after a partial condemnation or damage due to an insurable hazard shall be substantially in accordance with this Declaration and the original plans and specifications unless approval is obtained of the eligible holders of first mortgages to which at least fifty-one (51%) percent of the votes of Lots and Residential Units subject to mortgages held by such eligible holders are allocated.

(b) Any election to terminate the development after substantial destruction or a substantial taking in condemnation must require the approval of the eligible holders of first mortgages to which at least fifty-one (51%) percent of the votes of Lots and Residential Units subject to mortgages held by such eligible holders are allocated.

Section 3. Amendments to Documents. The following provisions do not apply to amendments to the constituent documents or termination of the development made as a result of destruction, damage, or condemnation pursuant to (a) and (b) above, or to the addition of land in accordance with Article VI which might occur pursuant to any plan of expansion or phased development previously approved by the agencies and corporations, to the extent such approval was required under the applicable programs of the agencies and corporations.

(a) The consent of at least sixty-seven (67%) percent of the Class "A" votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of the eligible holders of first mortgages to which at least sixty-seven (67%) percent of the votes of such subject to a mortgage appertain, shall be required to terminate the development.

(b) So long as required by the Federal National Mortgage Association but only provided that the Innsbruck community is a planned development approved or seeking approval by the Federal National Mortgage Association (and such is approved by the Declarant, in writing) the consent of at least sixty-seven (67%) percent of the Class "A" votes and of the Declarant, so long as it owns any land subject to this Declaration, and the approval of eligible holders of first mortgages to which at least fifty-one (51%) percent of the votes of Residential Units and Lots subject to a mortgage appertain, shall be required materially to amend any provisions of the Declaration, By-Laws, or Articles of Incorporation of the Association, or to add any material provisions thereto.
which establish, provide for, govern, or regulate any of the following:

(i) voting;
(ii) assessments, assessment liens, or subordination of such liens;
(iii) reserves for maintenance, repair, and replacement of the Common Area;
(iv) insurance or Fidelity Bonds;
(v) rights to use of the Common Area, subject to the allowances herein contemplated;

(ix) leasing of Residential Units;
(x) imposition of any right of first refusal or similar restriction on the right of any Owner to sell, transfer, or otherwise convey his or her Lot;
(xi) establishment of self-management by the Association where professional management has been required by any of the agencies or corporations; or
(xii) any provisions included in the Declaration, By-Laws, or Articles of Incorporation which are for the express benefit of holders, guarantors, or insurers of first mortgages on Lots and Residential Units.

Section 4. **Special FHLMC Provision.** So long as required by The Federal Home Loan Mortgage Corporation (The Mortgage Corporation), but only provided that Innsbruck is a planned development approved by or seeking approval by The Mortgage Corporation (and such is approved by the Declarant, in writing), the following provisions apply in addition to and not in lieu of the foregoing. Unless two-thirds (2/3) of the first mortgagees or Owners give their consent, the Association shall not:
(a) by act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer the Common Area which the Association owns, directly or indirectly (the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area shall not be deemed a transfer within the meaning of this clause);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner;

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Lots or Residential Units and of the Common Area;

Section 5. Payment of Taxes. First mortgagees may, jointly or individually, pay taxes or other charges which are in default and which may or have become a charge against any Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for such Common Area. First mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 6. No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or any other party priority over any rights of the first mortgagee in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area.

Section 7. Notice of Default. Notwithstanding anything contained herein which might otherwise be construed to the contrary, a first mortgagee, upon request, will be entitled to written notification from the Association of any default in the performance by an Owner of a Lot or Residential Unit in which such mortgagee has an interest of any obligation under this Declaration, the By-Laws, or the Articles of Incorporation which is not cured within sixty (60) days.
Article X
General Provisions

Section 1. Coverage and Term. The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and shall be enforceable by the Association or the owner of any property subject to this Declaration, their respective legal representatives, heirs, successors, and assigns. The covenants, conditions, and restrictions of this Declaration, as they may be amended from time to time, shall run with and bind the Properties for a term of twenty (20) years from the date of recordation, unless amended, as herein provided. After such initial term, such covenants, conditions, and restrictions shall be automatically extended for successive periods of ten (10) years each, unless within sixty (60) days before the commencement of any such ten (10) year period, these covenants are extinguished by a written instrument executed by the members holding at least seventy-five (75%) percent of the Class "A" votes, seventy-five (75%) percent of the Class "C" votes, and, if existing, the approval of the Class "B" member and such instrument is recorded.

Section 2. Amendment. Subject to the provisions of Article IX, this Declaration may be amended only by the affirmative vote (in person or by proxy) or written consent of members representing two-thirds (2/3) or more of the total voting power of the Association authorized to vote on amendments, plus the consent of the Class "B" member. Any amendment must be recorded among the Official Records of White County, Georgia. No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege. Despite anything otherwise contained herein, in the event it is determined that any provisions of this Declaration need to be amended to conform to guidelines established by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association or an institutional lender who holds a loan secured by property subjected to this Declaration, Declarant, without need of a membership vote, may make and adopt such amendments.

Section 3. Variances and Waiver of Restrictions. So long as permitted by Georgia law and so long as Declarant owns any Lot or interest in property subjected to this Declaration, Declarant may waive or otherwise allow and authorize variances from the terms and restrictions hereof or the terms and restrictions of any Supplemental Declaration as might hereafter be relevant to the Property or any part thereof.

Section 4. **Indemnification.** The Association shall indemnify every officer and director against any and all expenses, including counsel fees, imposed upon or reasonably incurred by any officer or director in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Board of Directors) to which he or she may be a party by reason of being or having been an officer or director. The officers and directors shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct, or bad faith. The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such insurance is reasonably available.

Section 5. **Merger and Subdivision of Lots.** Upon application in writing by an Owner of adjoining Lots, the Declarant and, upon assignment of such right, the Board of Directors, may authorize the merger of adjoining Lots, subject to the consent of such mortgagees as may have an interest in the affected Lot. Such merger or subdivision shall be in conformance within the provisions of any Supplemental Declaration that may be applicable to such Lots, including provisions which may further regulate merger or subdivision and use provisions regulating use of Lots. Such plats and plans as may be necessary to show the merged or subdivided Lots shall be thereafter prepared at the expense of the requesting owner, who shall additionally be responsible for all costs, including legal fees, associated with the merger or subdivision of such Lots. The Declarant (or Board of Directors, as the case may be) may impose conditions for use of the merged or subdivided Lot as a condition precedent to granting approval for such a merger or subdivision. From and after the time a merger or subdivision of Lots is approved, such resulting Lots shall, for all purposes, be considered Lots in accordance with their new boundaries.
Section 6. Corrective Plats. Until the time a Lot or Residential Unit within a respective Parcel or Phase is transferred by the Declarant to another (other than a Builder/Owner, an affiliate of Declarant, or a holder of a first mortgage), no Owner of any Lot or Residential Unit shall have any rights whatsoever to the continuation of any covenants, conditions, or restrictions on such Parcel or Phase as contained herein or as may be imposed, expressly or impliedly, by recordation of any plat or as might otherwise be implied or expressed. In furtherance thereof, until the time a Lot or Residential Unit within a respective Parcel or Phase is transferred by the Declarant as aforementioned, the Declarant may revoke or cancel any plat or other instrument which might be deemed, either expressly or impliedly, to impose any covenants, conditions, or restrictions or may take whatever steps it deems necessary or desirable to avoid the implication of such existing.

Section 7. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 8. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Ronald Reagan, President of the United States.

Section 9. Reservation From Lot Conveyance. It is expressly agreed and understood that the title conveyed by Declarant to any Lot or Parcel of land within the Properties by contract, deed, or other conveyance shall be subject to any easement affecting same for roadways or drainage, water, gas, sewer, storm sewer, electric light, electric power, telegraph, telephone, or television purposes and shall convey no interest in any pipes, lines, poles, or conduits, or in any utility facility or appurtenances thereto, constructed by or under authority of Declarant or any easement owner, or their agents through, along, or upon the premises affected thereby, or any part thereof, to serve said land or any other portion of the Properties, and where not affected, the right to maintain, repair, sell, or lease such appurtenances to any municipality or other governmental agency or to any public service corporation or to any other party, and such right is hereby expressly reserved.
Section 10. Incorporation by Reference. All dedications, limitations, restrictions, and reservations shown on any recorded subdivision plat or any recorded plat of a Phase are incorporated herein and made a part hereof as if fully set forth herein and shall be construed as being adopted in each and every contract, deed, or conveyance executed or to be executed by or on behalf of Declarant and, thereafter, each successive Owner, conveying any of the Properties, whether specifically referred to therein or not.

Article XI
Use Restrictions

Section 1. Annoyance or Nuisances. No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done thereon which may become an annoyance to the neighborhood. The display or shooting of firearms, fireworks, or firecrackers is expressly forbidden.

Section 2. Temporary Structures. Subject to Declarant's and Builder/Owner's reserved rights herein, no structure of a temporary character, whether trailer, basement, tent, shack, garage, barn, or other outbuilding shall be maintained or used on any Lot at any time as a residence or for any other purpose, either temporarily or permanently. No garage, servants' quarters, or other permitted accessory structure shall be erected, placed, or maintained on any Lot until construction of a main residential dwelling has commenced. Any structure on which construction has commenced must be completed within a reasonable length of time. No boat trailers, boats, travel trailers, inoperative automobiles, campers, vehicles of any kind, or portable buildings are to be permanently or semi-permanently stored in the public street right-of-way or on driveways without approval of the Board.

Section 3. Signs and Billboards. No signs, billboards, posters, or advertising devices of any character shall be erected, permitted, or maintained on any Lot or on the Common Area without the express prior written consent of the Board of Directors, except for Builder/Owners, who may place on each Lot owned by such Builder/Owners during the construction and sales period of improvements signs as approved by the Declarant. The right is reserved by Declarant to construct and maintain such signs, billboards, or advertising devices as is customary in connection with the general sale of Property.
Section 4. Oil and Mining Operations. No oil drilling or development operation, soil refining, quarrying, or mining operations of any kind shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels, mineral excavations, or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil, natural gas, or minerals shall be erected, maintained, or permitted upon any Lot.

Section 5. Storage and Disposal of Garbage and Refuse. Subject to Declarant's reserved rights, no Lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste materials shall not be kept, except in sanitary containers constructed of metal, plastic, or masonry materials with sanitary covers or lids. Equipment for the storage or disposal of such waste materials shall be kept in clean and sanitary condition. No Lot shall be used for the open storage of any materials whatsoever, which storage is visible from the street, except that new building materials used in the construction of improvements erected upon any Lot may be placed upon such Lot at the time construction is commenced and may be maintained thereon for a reasonable time, so long as the construction progresses without undue delay, until the completion of the improvements, after which these materials shall either be removed from the Lot or stored in a suitable enclosure on the Lot.

Section 6. Unlicensed Motor Vehicles. No unlicensed motor vehicles shall be allowed on the Properties. No motorbikes, motorcycles, motor scooters, or other vehicles of that type shall be permitted on the Properties, if they are a nuisance by reason of noise or manner of use in the sole judgment of the Board.

Section 7. Pets. No horses, cows, hogs, poultry, or livestock of any kind (other than house pets of reasonable kind and number) may be kept on any Lot. Should such pets become a nuisance in the opinion of the Declarant or Board, they must be removed from the Properties. No pets are to run at-large.

Section 8. Drainage. Natural drainage of streets, Lots, or roadway ditches will not be impaired by any person or persons. Driveway culverts will be of sufficient size to afford proper drainage of ditches without backing water up into a ditch or diverting flow. Declarant or the Board may remove any culvert that obstructs the flow of water through the street ditches. The breaking of curbs for drive installations will be accomplished in a good and workmanship-like manner, and such
break will be installed without hindrance to drainage, and such work is subject to inspection and approval, as provided in Article VIII hereof.

**Article XII**

**Timesharing**

Section 1. Definitions.

(a) A "timeshare plan," for purposes of this Declaration, shall mean any arrangement subject to registration under the Georgia Time-Share Act as well as any other plan, scheme, idea, or similar device, whether by membership, agreement, tenancy-in-common, sale, lease, deed, rental agreement, license, right to use agreement, or by any other means whereby a purchaser or other consumer, in exchange for consideration, receives a right to use or interest in accommodations or facilities, or both, for a specific period of time less than a full year during any given year, but not necessarily for consecutive years, and which extends for a period of more than three (3) years.

(b) "Accommodation," for purposes of this Declaration, shall mean any apartment, condominium or cooperative unit, townhouse, cabin, lodge, hotel or motel room, single family detached home, villa, or any other private or commercial structure designed for occupancy by one or more individuals.

Section 2. Regulation of Timeshare Plans. No timeshare plan shall exist or be arranged, offered for sale, planned, instituted, sold, or implemented in any way within the Properties unless and until approved in writing by the Declarant. A Timeshare Interest shall be assessed by and vote in the Association as may be approved by the Declarant and, thereafter, provided for in any Declaration of Covenants or similar instrument creating or governing a timeshare plan. Any Declaration of Covenants or similar instrument creating or governing a timeshare plan shall, with the prior written approval of the Declarant, specify how a timeshare interest will be viewed in comparison to Residential Units within the Properties.

Section 3. Rights of Timeshare Interest Owners. If property on which Timeshare Interests exist shall be subjected to this Declaration, the owners of Timeshare Interests shall
have, at least, the rights, easements and privileges of owners otherwise, unless limited by Declarant.

IN WITNESS WHEREOF, the undersigned Declarant has executed this Declaration this 24th day of December, 1985.

shall not exceed one (1) story in height. The garage or car-
port must be connected to the street by a driveway of concrete,
asphalt or unpaved but covered with stones or pebbles or such
other material as approved by the New Construction Review Board
or Modifications Committee.

(b) Residential Nature of Improvements. No Lot may
be used for duplex houses, garage apartments, apartment houses,
Commercial Space purposes, Timeshare Interest use, nor for any
other business, commercial or manufacturing purposes, except
that a single-family Residential Unit, in accordance with the
terms hereof, may be constructed on any Lot for the purpose of
renting the same for residential occupancy only. No building
of any kind or character shall ever be moved onto any Lot
within this Phase without the written permission of the New
Construction Review Board or the Modifications Committee, as
further specified in the Master Declaration.

Section 2. Architectural Control. No building shall
be erected, placed or altered on any Lot until the construction
plans and specifications and a plot plan showing the location
of the structure thereon have been approved in accordance with
the Master Declaration.

Section 3. Dwelling Size. The total living area of
the main residential structure on any Lot, exclusive of open
porches, garages and/or carports shall not be less than 1,400
square feet.

Section 4. Type of Construction, Materials, and Land-

any Lot shall not have any exposed masonry surfaces, unless
approved in writing by the New Construction Review Board or
Modifications Committee. The exterior surface of a residence
or any other structure or improvement shall be wood, rock,
stucco, or brick, as approved by the New Construction Review

No dwelling or garage may be located closer than fifty (50) feet to the rear property line on Golf Course Lots. For the purpose of these restrictions, eaves, steps, and open porches shall not be considered as part of the building, structure or dwelling; provided, however, this shall not be construed to permit any portion of a building, structure, or dwelling on any Lot to encroach upon another Lot or upon a utility easement dedicated by the Subdivision Plat or other recorded document. For the purpose of these restrictions, the front of each Lot shall coincide with and be the property line having the smallest or shortest dimensions abutting a street.

The Owners shall ascertain the location of utility service lines and keep the area over the route, if underground, of said service drops free of excavations and clear or structures, trees and other obstructions; it being understood that the lighting and power company may install, maintain, repair, replace and remove said underground service drops, if any, and open the ground for any such purpose or purposes; and no payment will be due or made by any utility for such use or activity.

boundary of each Lot, protruding from each boundary into the
interior portion of each Lot, for the purpose of erection, con-
struction, maintenance, repair, and the continuous placement of
any and all utility systems components as may, in Declarant's
discretion, be installed. This reserved easement and license
is expressly reserved on behalf of and for the benefit of
Declarant and any public utility company. This reserved ease-
ment and license includes the express right of Declarant and
such public utility company to clear, grade, and remove such
obstructions, including, but not limited to, trees, bush, and
other landscaping, as Declarant or the public utility company
may deem necessary in order to effectuate the construction,
errection, maintenance, and continuous placement of any and all
utility components. Declarant further reserves hereunder, unto
itself and to any such public utility company, the express
right to enter upon any Lot for the purpose of construction,
installation, maintenance, repair, and continuous placement of
any utility systems components and such shall not be deemed to
be a trespass in any respects to the rights of the Owner of the
Lot. Together with the right of Declarant and the public
utility company, the express right to remove, at the discretion
of Declarant or the public utility company, obstructions as
might exist within the area designated above is reserved. Each
Owner, by this reserved easement, license, and the rights
hereunder created, such easement and license and rights being
for the express benefit of each other Lot in the community.
Neither Declarant nor any public utility company acting under
the easement, license, or rights referred to herein shall be
liable for any damages done by them or their assigns, agents,
employees, or servants to any fences, shrubbery, trees,
flowers, or any other property of the Lot Owner situated on the
property by this easement and license.

Section 8. Walls, Fences, and Hedges. No walls or
fences shall be erected or maintained nearer to the front of
any Lot than the front building line as shown on the recorded
plat applicable to the Phase. The rear yards of Golf Course
Lots may not be fenced without the approval of the New Con-

Board or Modifications Committee, as further specified in the
Master Declaration.

Ownership of any wall, fence, or hedge erected as a
protective screening on a Lot shall pass with title to the Lot,
and it shall be the Owner's responsibility to maintain said
protective screening thereafter. In the event of default on
the part of the Owner or occupant of any Lot to maintain said
protective screening and such failure continuing after ten (10) days written notice thereof, the Association, at its option, without liability to the Owner or occupant in trespass or otherwise, may, in its discretion, enter upon said Lot and cause said protective screening to be repaired or maintained or do any other thing necessary to secure compliance with these restrictions, so as to place said protective screening in a satisfactory condition and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and all such payments by the Association shall, likewise, be secured by a lien for the benefit of the Association in the same manner as General Assessments paid the Association under the Master Declaration.

Section 9. Lot Maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful, and attractive manner.

Owners of Golf Course Lots may not grow nor permit to grow in the area of such Lots adjacent to the Golf Course varieties of grasses or other vegetation, which, in the opinion of the Innsbruck Golf and Country Club or Golf Course Greenskeeper, is inimical to Golf Course grasses or vegetation. Such Owners, may, however, with the prior approval of the Innsbruck Golf and Country Club or Golf Course Greenskeeper, install barriers which will prevent the spread of otherwise prohibited grasses and vegetation adjacent to the Golf Course. In no event shall any Lot be used for storage of materials and equipment, except for material and equipment normal to residential living or incident to construction of improvements thereon, as herein permitted. Furthermore, in no event shall any Lot Owner or occupant permit the accumulation of garbage, trash or rubbish of any kind on his or her Lot, and an Owner or occupant shall not burn anything on his or her Lot.

The drying of clothes in full public view is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice given by the Association, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise enter upon said Lot and cause to be cut weeds and grass and remove or cause to be removed such garbage, trash, or rubbish or do anything necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful, and sanitary condition and may charge the Owner or occupant of such Lot for the cost of such work so long as such fee does not exceed two hundred and fifty dollars ($250.00). The Owner or occupant, as the case may be, agrees.
by the purchase or occupancy of the property to pay such state-
ment immediately upon receipt thereof, and such payments made
by the Association shall be secured by a lien in the same
manner as General Assessments paid the Association under the
Master Declaration.

The digging of dirt or the removal of any dirt from
any Lot is expressly prohibited, except as may be necessary in
conjunction with the landscaping of or construction on such
Lot. No trees shall be cut or removed without the approval of
the New Construction Review Board or Modifications Committee,
except to provide room for construction or improvements or to
remove dead or unsightly trees.

Section 10. Septic Tanks. The installation of a
septic tank to service a Lot is expressly prohibited, unless
approved by the Declarant and all governmental agencies or
authorities having jurisdiction. An owner shall maintain any
septic tank installed to serve his or her lot.

No dwelling may be located closer than fifty (50) feet to the rear property line on Interior Lots; however, a garage or other permitted accessory building may be located no closer than fifteen (15) feet from the rear property line on Interior Lots. No dwelling or garage may be located closer than fifty (50) feet to the rear property line on Golf Course Lots. For the purpose of these restrictions, eaves, steps, and open porches shall not be considered as part of the building, structure or dwelling; provided, however, this shall not be construed to permit any portion of a building, structure, or dwelling on any Lot to encroach upon another Lot or upon a utility easement dedicated by the Subdivision Plat or other recorded document. For the purpose of these restrictions, the front of each Lot shall coincide with and be the property line having the smallest or shortest dimensions abutting a street.

The Owners shall ascertain the location of utility service lines and keep the area over the route, if underground, of said service drops free of excavations and clear of structures, trees and other obstructions; it being understood that the lighting and power company may install, maintain, repair, replace and remove said underground service drops, if any, and open the ground for any such purpose or purposes; and no payment will be due or made by any utility for such use or activity.

Declarant hereby reserves upon, across, and over each Lot an easement and license along the perimeter boundaries of each Lot, to the width of five (5) feet measured from each boundary of each Lot, protruding from each boundary into the
interior portion of each Lot, for the purpose of erection, construction, maintenance, repair, and the continuous placement of any and all utility systems components as may, in Declarant's discretion, be installed. This reserved easement and license is expressly reserved on behalf of and for the benefit of Declarant and any public utility company. This reserved easement and license includes the express right of Declarant and such public utility company to clear, grade, and remove such obstructions, including, but not limited to, trees, bush, and other landscaping, as Declarant or the public utility company may deem necessary in order to effectuate the construction, erection, maintenance, and continuous placement of any and all utility components. Declarant further reserves hereunder, unto itself and to any such public utility company, the express installation, maintenance, repair, and continuous placement of any utility systems components and such shall not be deemed to be a trespass in any respects to the rights of the Owner of the Lot. Together with the right of Declarant and the public utility company, the express right of Declarant and the public utility company, the express right to remove, at the discretion of Declarant or the public utility company, obstructions as might exist within the area designated above is reserved. Each Owner, by this reserved easement, license, and the rights hereunder created, such easement and license and rights being for the express benefit of each other Lot in the community. Neither Declarant nor any public utility company acting under the easement, license, or rights referred to herein shall be liable for any damages done by them or their assigns, agents, employees, or servants to any fences, shrubbery, trees, flowers, or any other property of the Lot Owner situated on the property by this easement and license.

Section 6. Walls, Fences, and Hedges. No walls or fences shall be erected or maintained nearer to the front of any Lot than the front building line as shown on the recorded plat applicable to the Phase. The rear yards of Golf Course Lots may not be fenced without the approval of the New Construction Review Committee. All walls and fences on any Lot must be no higher than as might be approved and must be of wood, rock or brick construction. No fence may be installed which will impede the natural flow of water across the lot. All fences must be approved by the new Construction Review Board or Modifications Committee, as further specified in the Master Declaration.

Ownership of any wall, fence, or hedge erected as a protective screening on a Lot shall pass with title to the Lot, and it shall be the Owner's responsibility to maintain said protective screening thereafter. In the event of default on the part of the Owner or occupant of any Lot to maintain said protective screening and such failure continuing after ten (10) days written notice thereof, the Association, at its option,
without liability to the Owner or occupant in trespass or otherwise, may, in its discretion, enter upon said Lot and cause said protective screening to be repaired or maintained or do any other thing necessary to secure compliance with these restrictions, so as to place said protective screening in a satisfactory condition and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and all such payments by the Association shall, likewise, be secured by a lien for the benefit of the Association in the same manner as General Assessments paid the Association under the Master Declaration.

Section 7. Lot Maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful, and attractive manner.

Owners of Golf Course Lots may not grow nor permit to grow in the area of such Lots adjacent to the Golf Course varieties of grasses or other vegetation, which, in the opinion of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, is inimical to Golf Course grasses or vegetation. Such Owners, may, however, with the prior approval of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, install barriers which will prevent the spread of otherwise prohibited grasses and vegetation adjacent to the Golf Course. In no event shall any Lot be used for storage of materials and equipment, except for material and equipment normal to residential living or incident to construction of improvements thereon, as herein permitted. Furthermore, in no event shall any Lot Owner or occupant permit the accumulation of garbage, trash or rubbish of any kind on his or her Lot, and an Owner or occupant shall not burn anything on his or her Lot.

The drying of clothes in full public view is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice given by the Association, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise enter upon said Lot and cause to be cut weeds and grass and remove or cause to be removed such garbage, trash, or rubbish or do anything necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful, and sanitary condition and may charge the Owner or occupant of such Lot for the cost of such work so long as such fee does not exceed two hundred and fifty dollars ($250.00). The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and such payments made by the Association shall be secured by a lien in the same
manner as General Assessments paid the Association under the Master Declaration.

The digging of dirt or the removal of any dirt from any Lot is expressly prohibited, except as may be necessary in conjunction with the landscaping of or construction on such Lot. No trees shall be cut or removed without the approval of the New Construction Review Board or Modifications Committee, except to provide room for construction or improvements or to remove dead or unsightly trees.

Section 8. Septic Tanks. The installation of a septic tank to service a Lot is expressly prohibited, unless approved by the Declarant and all governmental agencies or authorities having jurisdiction. An owner shall maintain any septic tank installed to serve his or her lot.

Article II
Use Restrictions

Section 1. Land Use and Building Type.

(a) Residential Lots. No structure shall be erected, altered, placed, or permitted to remain on any Lot other than one (1) single-family dwelling and a detached or an attached garage or carport as approved by the New Construction Review Board or the Declarant. The garage or carport must be connected to the street by a driveway of concrete, asphalt or unpaved but covered with stones or pebbles or such other
materials as approved by the New Construction Review Board or Modifications Committee.

(b) Residential Nature of Improvements. No Lot may be used for duplex houses, garage apartments, apartment houses, Commercial Space purposes, Timeshare Interest use, nor for any other business, commercial or manufacturing purposes, except that a single-family Residential Unit, in accordance with the terms hereof, may be constructed on any Lot for the purpose of renting the same for residential occupancy only. No building of any kind or character shall ever be moved onto any Lot within this Phase without the written permission of the new Construction Review Board or the Modifications Committee, as further specified in the Master Declaration.

Section 2. Architectural Control. No building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plot plan showing the location of the structure thereon have been approved in accordance with the Master Declaration.

Section 3. Dwelling Size. The total living area of the main residential structure on any Lot, exclusive of open porches, garages and/or carports shall not be less than 1,400 square feet.

Section 4. Type of Construction, Materials, and Landscape.

(a) A residence or other structure or improvement on any Lot shall not have any exposed masonry surfaces, unless approved in writing by the New Construction Review Board or Modifications Committee. The exterior surface of a residence or any other structure or improvement shall be wood, rock, stucco, or brick, as approved by the New Construction Review Board or Modifications Committee.

(b) No external roofing material, other than wood shingles, built-up tar or asphalt shingles which are no lighter than three hundred forty (340) pounds per square and which are applied in accordance with the manufacturer's specifications shall be used on any building in any part of this Phase without the written approval of the New Construction Review Board or Modifications Committee.

(e) All roof ventilations (other than ridge ventilators) shall be located to the rear of the roof ridge line and/or gable of any structure and shall not extend above the highest point of such structure, so as not to be visible from any street. No dwelling or garage may be located closer than fifty (50) feet to the rear property line on Golf Course Lots. For the purpose of these restrictions, eaves, steps, and open porches shall not be considered as part of the building, structure or dwelling; provided, however, this shall not be construed to permit any portion of a building, structure, or dwelling on any Lot to encroach upon another Lot or upon a utility easement dedicated by the Subdivision Plat or other recorded document. For the purpose of these restrictions, the front of each Lot shall coincide with and be the property line having the smallest or shortest dimensions abutting a street.

The Owners shall ascertain the location of utility service lines and keep the area over the route, if underground, of said service drops free of excavations and clear of structures, trees and other obstructions; it being understood that the lighting and power company may install, maintain, repair, replace and remove said underground service drops, if any, and open the ground for any such purpose or purposes; and no payment will be due or made by any utility for such use or activity.

Declarant hereby reserves upon, across, and over each Lot an easement and license along the perimeter boundaries of each Lot, to the width of five (5) feet measured from each boundary of each Lot, protruding from each boundary into the interior portion of each Lot, for the purpose of erection, construction, maintenance, repair, and the continuous placement of any and all utility systems components as may, in Declarant's discretion, be installed. Each Owner, by this reserved easement, license, and the rights hereunder created, such easement and license and rights being for the express benefit of each other Lot in the community. Neither Declarant nor any public utility company acting under the easement, license, or rights referred to herein shall be liable for any damages done by them or their assigns, agents, employees, or servants to any fences, shrubbery, trees, flowers, or any other property of the Lot Owner situated on the property by this easement and license.

Section 6. Walls, Fences, and Hedges. No walls or fences shall be erected or maintained nearer to the front of any Lot than the front building line as shown on the recorded plat applicable to the Phase. The rear yards of Golf Course Lots may not be fenced without the approval of the New Construction Review Committee. All walls and fences on any Lot must be no higher than as might be approved and must be of wood, rock or brick construction. Ownership of any wall, fence, or hedge erected as a protective screening on a Lot shall pass with title to the Lot, and it shall be the Owner's responsibility to maintain said protective screening thereafter. In the event of default on the part of the Owner or occupant of any Lot to maintain said protective screening and such failure continuing after ten (10) days written notice thereof, the Association, at its option, without liability to the Owner or occupant in trespass or otherwise, may, in its discretion, enter upon said Lot and cause said protective screening to be repaired or maintained or do any other thing necessary to secure compliance with these restrictions, so as to place said protective screening in a satisfactory condition and may charge the Owner or occupant of
such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and all such payments by the Association shall, likewise, be secured by a lien for the benefit of the Association in the same manner as General Assessments paid the Association under the Master Declaration.

Section 7. Lot Maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful, and attractive manner.

Owners of Golf Course Lots may not grow nor permit to grow in the area of such Lots adjacent to the Golf Course varieties of grasses or other vegetation, which, in the opinion of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, is inimical to Golf Course grasses or vegetation. Such Owners, may, however, with the prior approval of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, install barriers which will prevent the spread of otherwise prohibited grasses and vegetation adjacent to the Golf Course. In no event shall any Lot be used for storage of materials and equipment, except for material and equipment normal to residential living or incident to construction of improvements thereon, as herein permitted. Furthermore, in no event shall any Lot Owner or occupant permit the accumulation of garbage, trash or rubbish of any kind on his or her Lot, and an Owner or occupant shall not burn anything on his or her Lot.

The drying of clothes in full public view is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice given by the Association, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise enter upon said Lot and cause to be cut weeds and grass and remove or cause to be removed such garbage, trash, or rubbish or do anything necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful, and sanitary condition and may charge the Owner or occupant of such Lot for the cost of such work so long as such fee does not exceed two hundred and fifty dollars ($250.00). The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and such payments made by the Association shall be secured by a lien in the same manner as General Assessments paid the Association under the Master Declaration.

The digging of dirt or the removal of any dirt from any Lot is expressly prohibited, except as may be necessary in conjunction with the landscaping of or construction on such Lot. No trees shall be cut or removed without the approval of the New Construction Review Board or Modifications Committee,
Section 8. Septic Tanks. The installation of a septic tank to service a Lot is expressly prohibited, unless approved by the Declarant and all governmental agencies or authorities having jurisdiction. An owner shall maintain any septic tank installed to serve his or her lot.

The garage or carport must be connected to the street by a driveway of concrete, asphalt or unpaved but covered with stones or pebbles or such other materials as approved by the New Construction Review Board or Modifications Committee.

(b) Residential Nature of Improvements. No Lot may be used for duplex houses, garage apartments, apartment houses, Commercial Space purposes, Timeshare Interest use, nor for any other business, commercial or manufacturing purposes, except that a single-family Residential Unit, in accordance with the terms hereof, may be constructed on any Lot for the purpose of renting the same for residential occupancy only. No building of any kind or character shall ever be moved onto any Lot within this Phase without the written permission of the New Construction Review Board or the Modifications Committee, as further specified in the Master Declaration.

Section 2. Architectural Control. No building shall be erected, placed or altered on any Lot until the construction plans and specifications and a plot plan showing the location of the structure thereon have been approved in accordance with the Master Declaration.

Section 3. Dwelling Size. The total living area of the main residential structure on Lots 1, 4-42, 69-97, exclusive of open porches, garages and/or carports shall not be less than 1400 square feet. The total living area of the main residential structure on Lots 43-68, exclusive of open porches, garages and/or carports shall not be less than 1100 square feet.

Section 4. Type of Construction, Materials, and Landscape.

(a) A residence or other structure or improvement on any Lot shall not have any exposed masonry surfaces, unless approved in writing by the New Construction Review Board or Modifications Committee. The exterior surface of a residence or any other structure or improvement shall be wood, rock, stucco or brick, as approved by the New Construction Review Board or Modifications Committee.

(b) No external roofing material, other than wood shingles, built-up tar or asphalt shingles which are no lighter than three hundred forty (340) pounds per square and which are applied in accordance with the manufacturer’s specifications shall be used on any building in any
part of this Phase without the written approval of the New Construction Review Board or Modifications Committee.

(c) No window or wall type air conditioners shall be permitted to be used, erected, placed, or maintained on or in any building or structure in any part of this Phase.

(d) Before work on any landscaping shall be commenced in the front of any newly constructed dwelling, the landscape layout and plans shall first be approved by the New Construction Review Board or Modifications Committee, as further specified in the Master Declaration. Such landscaping is to be done in the front of the Lot within one year from the date of initial occupancy of the dwelling.

(e) All roof ventilations (other than ridge ventilators) shall be located to the rear of the roof ridge line and/or gable of any structure and shall not extend above the highest point of such structure, so as not to be visible from any street. The New Construction Review Board or Modifications Committee shall have the right to approve exceptions to the foregoing in cases where energy conservation and heating/cooling efficiency require ventilators that, because of a particular roof design, cannot be hidden from public view.

(f) A Residential Unit may not be temporarily or permanently occupied until the exteriors thereof and the landscaping of the Lot on which the Residential Unit is located has been completed and a certificate of occupancy for such Residential Unit has been issued. Construction of all Residential Units shall be completed within one year of the commencement date of said construction. During the continuance of construction by an owner, such owner shall require it contractors to maintain the Lot, Residential Unit, or Common Area in a reasonably clean and uncluttered condition and, to the extent possible, all construction trash and debris shall be kept within refuse containers. Upon completion of construction, such owner shall cause its contractors to immediately remove all equipment, tools and construction material and debris from the Lot or Residential Unit on which such construction has been completed.

Section 5. Building Location Interior Lots and Golf Course Lots. No building or structure shall be located on any Lot nearer to the front Lot line or nearer to the side street Lot line than twenty-five (25) feet, the minimum building set back lines as shown or set forth on the recorded plat applicable to this Phase, nor nearer than ten (10) feet from an interior side Lot line. No dwelling may be located closer than fifty (50) feet to the rear property line on Interior Lots; however, a garage or other permitted accessory building may be located no closer than fifteen (15) feet from the rear property line on Interior Lots. No dwelling or garage may be located closer than fifty (50) feet to the rear property line on Golf Course Lots. For the purpose of these restrictions, eaves, steps, and open porches shall not be considered as part of the building, structure or dwelling; provided, however, this shall not be construed to permit any portion of a building, structure, or dwelling on any Lot to encroach upon another Lot or upon a utility easement dedicated by the Subdivision Plat or other recorded document. For the purpose of these restrictions, the front of each Lot shall coincide with and be the property line having the smallest or shortest dimensions abutting a street.
The Lot Owners shall ascertain the location of utility service lines and keep the area over the route, if underground, of said service drops free of excavations and clear of structures, trees and other obstructions; it being understood that the lighting and power company may install, maintain, repair, replace and remove said underground service drops, if any, and open the ground for any such purpose or purposes; and no payment will be due or made by any utility for such use or activity.

Declarant hereby reserves unto itself, upon, across, and over each Lot an easement and license along the perimeter boundaries of each Lot, to the width of twenty (20) feet measured from each boundary of each Lot, protruding from each boundary into the interior portion of each Lot, for the purpose of erection, construction, maintenance, repair, and the continuous placement of any and all utility systems components as may, in Declarant's discretion, be installed. This reserved easement and license is expressly reserved on behalf of and for the benefit of the Declarant and any public utility company. This reserved easement and license includes the express right of the Declarant and such public utility company to clear, grade, and remove such obstructions, including, but not limited to, trees, bush, and other landscaping, as Declarant or the public utility company may deem necessary in order to effectuate the construction, erection, maintenance, and continuous placement of any and all utility components. Declarant further reserves hereunder, unto itself and to any such public utility company, the express installation, maintenance, repair, and continuous placement of any utility systems components and such shall not be deemed to be a trespass in any respects to the rights of the Owner of the Lot. Together with the right of Declarant and the public utility company, the express right of Declarant and the public utility company, the express right to remove, at the discretion of Subdivision or the public utility company, obstructions as might exist within the area designated above is reserved. Each Owner, by this reserved easement, license, and the rights hereunder created, such easement and license being for the express benefit of each other Lot in the community. Neither Declarant nor any public utility company acting under the easement, license, or rights referred to herein shall be liable for any damages done by them or their assigns, agents, employees, or servants to any fences, shrubbery, trees, flowers, or any other property of the Lot Owner situated on the property by this easement and license.

Section 6. Walls, Fences, and Hedges. No walls or fences shall be erected or maintained nearer to the front of any Lot than the front building line as shown on the recorded plat applicable to the Phase. The rear yards of Golf Course Lots may not be fenced without the approval of the New Construction Review Committee. All walls and fences on any Lot must be no higher than as might be approved and must be of wood, rock or brick construction. No fence may be installed which will impede the natural flow of water across the lot. All fences must be approved by the New Construction Review Board or Modifications Committee, as further specified in the Master Declaration.

Ownership of any wall, fence, or hedge erected as a protective screening on a Lot shall pass with the title to the Lot, and it shall be the Owner's responsibility to maintain said protective screening thereafter. In the event of default on the part of the Owner or occupant of any Lot to
maintain said protective screening and such failure continuing after ten (10) days written notice thereof, the Association, at its option, without liability to the Owner or occupant in trespass or otherwise, may, in its discretion, enter upon said Lot and cause said protective screening to be repaired or maintained or do any other thing necessary to secure compliance with these restrictions, so as to place said protective screening in a satisfactory condition and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and all such payments by the Association shall, likewise, be secured by a lien for the benefit of the Association in the same manner as General Assessments paid the Association under the Master Declaration.

Section 7. Lot Maintenance. The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful, and attractive manner.

Owners of Golf Course Lots may not grow nor permit to grow in the area of such Lots adjacent to the Golf Course varieties of grasses or other vegetation, which, in the opinion of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, is inimical to Golf Course grasses or vegetation. Such Owners, may, however, with the prior approval of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, install barriers which will prevent the spread of otherwise prohibited grasses and vegetation adjacent to the Golf Course. In no event shall any Lot be used for storage of materials and equipment, except for material and equipment normal to residential living or incident to construction of improvements thereon, as herein permitted. Furthermore, in no event shall any Lot Owner or occupant permit the accumulation of garbage, trash or rubbish of any kind on his or her Lot, and an Owner or occupant shall not burn anything on his or her Lot.

The drying of clothes in full public view is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice given by the association, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise enter upon said Lot and cause to be cut weeds and grass and remove or cause to be removed such garbage, trash, or rubbish or do anything necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthful, and sanitary condition and may charge the owner or occupant of such lot for the cost of such work so long as such fee does not exceed two hundred and fifty dollars ($250.00). The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and such payments made by the Association shall be secured by a lien in the same manner as General Assessments paid the Association under the Master Declaration.

The digging of dirt or the removal of any dirt from any Lot is expressly prohibited, except as may be necessary in conjunction with the landscaping of or construction on such Lot. No trees shall be cut or removed without the approval of the New Construction Review Board or Modifications Committee, except to provide room for construction or improvements or to remove dead or unsightly trees.
Section 8. Septic Tanks. The installation of a septic tank to service a Lot is expressly prohibited, unless approved by the Declarant and all governmental agencies or authorities having jurisdiction. An owner shall maintain any septic tank installed to serve his or her lot.

Section 4. Type of Construction, Materials, and Landscape.

(a) A residence or other structure or improvement on any Lot shall not have any exposed masonry surfaces, unless approved in writing by the New Construction Review Board or Modifications Committee. The exterior surface of a residence or any other structure or improvement shall be wood, simulated wood (such as handi plank), cement plank, rock, stucco or brick, as approved by the New Construction Review Board or Modifications Committee. Since Residential Units within this Phase will be single-family attached dwellings, it is contemplated that the NCRB may require Owners to use specific exterior surfaces on particular Residential Units so that the Residential Unit on one Lot is aesthetically harmonious (or the same) with the Residential Unit on the adjacent Lot or neighboring Lots.

(b) No external roofing material, other than wood shingles, built-up tar or asphalt shingles which are no lighter than three hundred forty (340) pounds per square and which are applied in accordance with the manufacturer's specifications shall be used on any building in any part of this Phase without the written approval of the New Construction Review Board or Modifications Committee.

(c) No window or wall type air conditioners shall be permitted to be used, erected, placed, or maintained on or in any building or structure in any part of this Phase.

(d) Before work on any landscaping shall be commenced in the front of any newly constructed dwelling, the landscape layout and plans shall first be approved by the new Construction Review Board or Modifications Committee, as further specified in the Master Declaration. Such landscaping is to be done in the front of the Lot within one year from the date of initial occupancy of the dwelling.
(e) All roof ventilation's (other than ridge ventilators) shall be located to the rear of the roof ridge line and/or gable of any structure and shall not extend above the highest point of such structure, so as not to be visible from any street. The New Construction Review Board or Modifications Committee shall have the right to approve exceptions to the foregoing in cases where energy conservation and heating/cooling efficiency require ventilators that, because of a particular roof design, cannot be hidden from public view.

(f) A Residential Unit may not be temporarily or permanently occupied until the exteriors thereof and the landscaping of the Lot on which the Residential Unit is located has been completed and a certificate of occupancy for such Residential Unit has been issued. Construction of all Residential Units shall be completed within one year of the commencement date of said construction. During the continuance of construction by an owner, such owner shall require it contractors to maintain the Lots, in a reasonably clean and uncluttered condition and, to the extent possible, all construction trash and debris shall be kept within refuse containers. Upon completion of construction, such owner shall cause its contractors to immediately remove all equipment, tools and construction material and debris from the Lots or Residential Units on which such construction has been completed.

Section 5. Building Location Interior Lots and Golf Course Lots. No building or structure shall be located on any Lot nearer to the front Lot line than ten (10) feet or the minimum building set back lines as may be shown or set forth on the recorded plat applicable to this Phase, whichever is greater. No dwelling may be located closer to the rear property line than the minimum building set back lines as may be shown or set forth on the recorded Plat applicable to this Phase. For the purpose of these restrictions, eaves, steps, and open porches shall not be considered as part of the building, structure or dwelling; provided, however, this shall not be construed to permit any portion of a building, structure, or dwelling to be shown or set forth on the recorded plat applicable to this Phase, whichever is greater. The Lot Owners shall ascertain the location of utility service lines and keep the area over the utility lines clear of excavations and clear of structures, trees and other obstructions; it being understood that the lighting and power company may install, maintain, repair, replace and remove said underground service drops, if any, and open the ground for any such purpose or purposes; and no payment will be due or made by any utility for such use or activity. Declarant hereby reserves unto itself, upon, across, and over each Lot an easement and license along the perimeter boundaries of each Lot, to the width of twenty (20) feet measured from each boundary of each Lot, protruding from each boundary into the interior portion of each Lot, for the purpose of erection, construction, maintenance, repair, and the continuous placement of any and all utility systems components as may, in Declarant's discretion, be installed. This reserved easement and license is expressly reserved on behalf of and for the benefit of the Declarant and any public utility company. This reserved easement and license includes the express right of the Declarant and such public utility company to clear, grade, and remove such obstructions, including, but not limited to, trees, bush, and other landscaping, as Declarant or the public utility company may deem necessary in order to effectuate the construction, erection, maintenance, and continuous placement of any and all utility components. Declarant further reserves hereunder, unto itself and to any such public utility company, the express...
installation, maintenance, repair, and continuous placement of any utility systems components and such shall not be deemed to be a trespass in any respects to the rights of the Owner of the Lot. Together with the right of Declarant and the public utility company, the express right of Declarant and the public utility company, the express right to remove, at the discretion of Subdivision or the public utility company, obstructions as might exist within the area designated above is reserved. Each Owner, by this reserved easement, license, and the rights hereunder created, such easement and license and rights being for the express benefit of each other Lot in the community. Neither Declarant nor any public utility company acting under the easement, license, or rights referred to herein shall be liable for any damages done by them or their assigns, agents, employees, or servants to any fences, shrubbery, trees, flowers, or any other property of the Lot Owner situated on the property by this easement and license. Notwithstanding the above, the easements reserved above shall not pertain to any area of a Lot which has been improved, or will be improved, with a Residential Unit.

Section 6. **Walls, Fences, and Hedges.** No walls or fences shall be erected or maintained nearer to the front of any Lot than the front building line as shown on the recorded plat applicable to the Phase. The rear yards of Golf Course Lots may not be fenced without the approval of the New Construction Review Committee. All walls and fences on any Lot must be no higher than as might be approved and must be of wood, rock or brick construction. No fence may be installed which will impede the natural flow of water across the lot. All fences must be approved by the New Construction Review Board or Modifications Committee, as further specified in the Master Declaration.

Ownership of any wall, fence, or hedge erected as a protective screening on a Lot shall pass with the title to the Lot, and it shall be the Owner's responsibility to maintain said protective screening thereafter. In the event of default on the part of the Owner or occupant of any Lot to maintain said protective screening and such failure continuing after ten (10) days written notice thereof, the Association, at its option, without liability to the Owner or occupant in trespass or otherwise, may, in its discretion, enter upon said Lot and cause said protective screening to be repaired or maintained or do any other thing necessary to secure compliance with these restrictions, so as to place said protective screening in a satisfactory condition and may charge the Owner or occupant of such Lot for the cost of such work. The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and all such payments by the Association shall, likewise, be secured by a lien for the benefit of the Association in the same manner as General Assessments paid the Association under the Master Declaration.

Section 7. **Lot Maintenance.** The Owners or occupants of all Lots shall at all times keep all weeds and grass thereon cut in a sanitary, healthful, and attractive manner.

Owners of Golf Course Lots may not grow nor permit to grow in the area of such Lots adjacent to the Golf Course varieties of grasses or other vegetation, which, in the opinion of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, is inimical to Golf Course grasses or vegetation. Such Owners, may, however, with the prior approval of the Innsbruck Golf and Country Club of Helen or Golf Course Greenskeeper, install barriers which will prevent the spread of otherwise prohibited grasses and vegetation adjacent to the Golf Course. In no event shall any Lot be used for storage of materials and equipment, except for material and equipment normal to residential living or incident to construction of improvements thereon, as herein permitted. Furthermore, in no event shall any Lot Owner or occupant permit the accumulation of garbage, trash or rubbish of any kind on his or her Lot, and an Owner or occupant shall not burn anything on his or her Lot.
The drying of clothes in full public view is prohibited. In the event of default on the part of the Owner or occupant of any Lot in observing the above requirements or any of them, such default continuing after ten (10) days written notice given by the association, the Association may, at its option, without liability to the Owner or occupant in trespass or otherwise enter upon said Lot and cause to be cut or removed weeds and grass and remove or cause to be removed such garbage, trash, or rubbish or do anything necessary to secure compliance with these restrictions so as to place said Lot in a neat, attractive, healthy, and sanitary condition and may charge the owner or occupant of such lot for the cost of such work so long as such fee does not exceed two hundred and fifty dollars ($250.00). The Owner or occupant, as the case may be, agrees by the purchase or occupancy of the property to pay such statement immediately upon receipt thereof, and such payments made by the Association shall be secured by a lien in the same manner as General Assessments paid the Association under the Master Declaration.

The digging of dirt or the removal of any dirt from any Lot is expressly prohibited, except as may be necessary in conjunction with the landscaping or construction on such Lot. No trees shall be cut or removed without the approval of the New Construction Review Board or Modifications Committee, except to provide room for construction or improvements or to remove dead or unsightly trees.

Section 8. Septic Tanks. The installation of a septic tank to service a Lot is expressly prohibited, unless approved by the Declarant and all governmental agencies or authorities having jurisdiction. An owner shall maintain any septic tank installed to serve his or her lot.

Section 9. Party Walls. Each wall that is built as part of the original construction which serves as the dividing line between two Lots and/or separates any two adjoining Residential Units (i.e., townhome dwellings) shall constitute a party wall. To the extent not inconsistent with the provisions of this paragraph, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply. With respect to the cost of reasonable repair and maintenance of a party wall that is destroyed or damaged by fire or other casualty, then to the extent that maintenance of a party wall that is destroyed or damaged by fire or other casualty, then to the extent that such damage is not covered by insurance, and repaired out of the proceeds of insurance, any Owner, who has used the party wall may restore it. If other Owners use the party wall thereafter, they shall contribute equally to the cost of repairs.

Section 10. Easements for Encroachment and Overhang. There shall be reciprocal appurtenant easements (and to the extent any grant is needed, the Declarant does hereby grant, bargain and convey such easement) for encroachment and overhang as between each Lot and such portion of the common boundary as is necessary in accordance with the terms of this Declaration). Easements shall include, without limitation, eaves, roofs, gutters, bay windows, stoops, decks, steps and conduct on the part of an Owner, Occupant or the Association.
Section 11. Structural Support Easement. Every portion, if any, of a Lot or the Residential Unit or other improvements thereon, which contribute to the structural support of another Lot or the Residential Unit or other improvements thereon shall be burdened with an easement (and to the extent any grant is needed, the Declarant does hereby grant, bargain and convey such easement) for structural support, and each Lot on which there is located or to be located a Residential Unit attached by party wall or otherwise to a Residential Unit on an adjoining Lot shall have the right to lateral support which shall be appurtenant to and pass with the title to such Lot. No Owner of a Lot on which there is located such a Residential Unit shall be entitled to demolish the same except to the extent that such demolition may be required; (i) as a result of condemnation or eminent domain proceeding or is otherwise required by law or (ii) as a result of repairing or rebuilding such residence when the same has been partially or totally destroyed by fire or other casualty.

Section 12. Adjacent Owner's Easement. The adjacent Owner of a Residential Unit shall have a non-exclusive access and maintenance easement (and to the extent any grant is needed, the Declarant does hereby grant, bargain and convey such easement) over the adjacent Lot and Common Property to the extent reasonably necessary to perform maintenance, repair and replacement of his or her Residential Unit. In the event of any prolonged construction, reasonable notice thereof shall be given to any such adjoining Owner and such construction shall be done only during reasonable day light hours except in the event of an emergency situation. Upon completion of the work the easement holder shall restore the easement property to its prior condition to the extent reasonably practicable.

Section 13. Individual Insurance. Each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry blanket "all-risk" casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an "all-risk" policy, if reasonably available, including vandalism and malicious mischief, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. If all-risk coverage is not reasonably available, Owners shall obtain, at a minimum, fire and extended coverage. The policies required hereunder shall be in effect at all times. Authority to adjust losses under policies obtained by an Owner shall be vested in the Owner. The losses under policies obtained by an Owner shall be vested in the Owner. The Association shall have the right, but not the obligation, at the expense of the Owner, to acquire the insurance required to be maintained by the Owner if the Owner fails to provide a valid policy to the Association with a prepaid receipt within ten (10) days after receipt by the Owner of a written request from the Association. If the Association acquires insurance on behalf of any Owner, the cost thereof shall be assessed against the Owner and the Lot as a specific assessment.

Section 14. Damage and Destruction — Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within seventy-five (75) days after such damage or destruction or, where repairs cannot be completed within seventy-five (75) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within seventy-five (75) days after such damage or destruction. In the event of noncompliance with this provision, the Board shall have all enforcement powers specified in the Declaration.
