THE BEST POSSIBLE SOLUTION

Cec Fox  
Rural Steel Supplies

## THANK YOU FOR YOUR ENQUIRY ABOUT OUR STEEL PRODUCTS.

I have over 46 years experience in supplying steel to the rural sector and I can supply a wide range of steel for all of your needs.

My knowledge covers the use of steel in all rural applications and I supply products including:

- RHS Tube
- Beams
- 2nd Grade Steel
- Pipe
- Reinforcing Mesh
- Cattle Panels
- Gates
- Reinforcing Bar
- Sheep Panels
- Roofing
- Purlins
- Fencing
- Cattle and Sheep Handling Equipment

My priority is sharing my knowledge and building relationships with my customers, helping them find the best solution to any steel supply issues.

Should you require any steel products or advice, please do not hesitate to contact me.

Regards

Cec Fox

*“We contacted Rural Steel 3 years ago to purchase steel for the construction of 2 large sheds. Rural Steel helped with the design and ideas for the sheds, their professional approach and pricing is beyond reproach. We recommend Rural Steel to the Rural sector.”*

Erroll Harder,  
Harders Hay, Etna Creek

*“Our dealings with Rural Steel have proved to be hassle free. With friendly experienced advice and reliable delivery of our orders.”*
