THANK YOU FOR YOUR ENQUIRY ABOUT OUR STEEL PRODUCTS.

Rural Steel has over 70 years experience in supplying steel to the rural sector and we can supply a wide range of steel for all of your needs. Our knowledge covers the use of steel in all rural applications and we supply products including:

RHS Tube | Beams | Reinforcing Mesh | Cattle Panels | 2nd Grade Steel | Sheep Panels | Fencing Pipe | Gates | Roofing | Purlins | Cattle and Sheep Handling Equipment | Reinforcing Bar

Our priority is sharing our knowledge and building relationships with our customers, helping them find the best solution to any steel supply issues.

Should you require any steel products or advice, please do not hesitate to contact us.

Regards

Cec Fox

Ben Fox

The service support received from XS Traders is second to none. Goods are delivered as per the agreed plan between Komatsu and XS Traders. The communication and quality of the products and service provided is excellent.

Declan Durkan
Senior Reman Engineer, Komatsu

We contacted Rural Steel 3 years ago to purchase steel for the construction of 2 large sheds. Rural Steel helped with the design and ideas for the sheds, their professional approach and pricing is beyond reproach. We recommend Rural Steel to the Rural sector.

Erroll Harder,
Harders Hay, Etna Creek
