## Memory Card Game

This game can be played individually at a station, or by the whole group, taking turns.

### **Activity:**

First, match each character to its treasure, as a simple puzzle.

Then, turn all the cards over and mix them up. Turn over two cards at a time. If the cards are a matching character and treasure, collect them. If not, the next player takes a turn.

### **Questions:**

**Whose treasure is this?**

**How might this character (whether matching or not) use this treasure?**

### **Standards:**

Classify, compare and contrast objects, events and experiences Recognize how things are alike and identify objects that belong together Use simple strategies to problem solve Notice similarities and differences and categories of plants and animals
