

KEY WORD SIGNING (AUSLAN SIGNS) - LEVELS 1 - 10

Are you interested in learning to communicate using your hands? Join us for KEY WORD SIGN (Auslan signs)

Key word signing consists of signing important words, at the same time as using slow, simplified speech. The spoken words, the 'signed' words and facial expression are all important, as they all convey meaning. In Australia, spoken words are combined with Auslan signs.

Key Word Signing using AUSLAN signs

Learn to communicate using your HANDS!

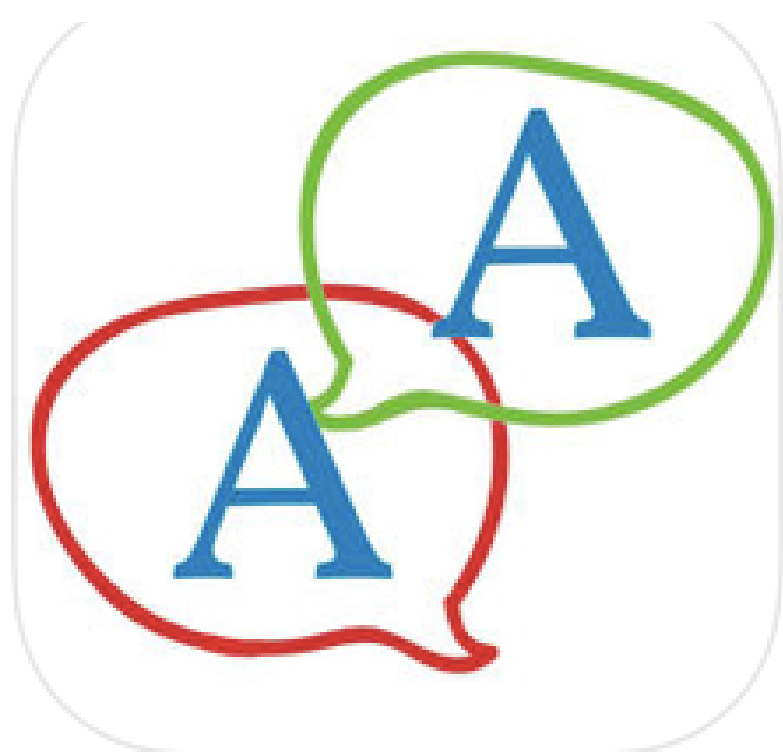

Key Word Signing (using AUSLAN signs) can be used to encourage speech and language development, to communicate with friends/family, enhance job skills or potential employment opportunities.
