FLAKE COLOUR CHART

Coloured Acrylic Paint Flakes for Seamless Flooring and Wall Systems

Application Areas

Paint flakes creates the look of terrazzo ie, durable elegant, economical and easy to clean, it is very popular with home owners transforming there garages into well organised work shops and games rooms.

Paint flake flooring is extremely durable and has a long lasting floor surface. The polymers used give abrasion and impact resistance and when used with a high performance urethane as topcoats form an extremely durable and long lasting floor surface.
