Introduction & Acknowledgements

In keeping with the CTHS' goal to keep our membership informed we are pleased to publish our inaugural issue of the CTHS Annual Statistical Review for 2019. Included in this issue are the various leader listings our industry is accustomed to.

One highlight for 2019 includes that fact that our membership numbers seem to have levelled off over the past 3 years so have our foal crop numbers. This is quite an achievement when the overall decline in crop numbers for 2019, as reported by the Jockey Club Fact Book (May 1, 2020), was 3.3% in North America and in 2019 Canada is showing a 1.3% increase.

With the unfortunate necessity to cancel all the Provincial Awards Ceremonies across the country we would like to take a moment to acknowledge a few achievements of our members and their horses:

Alberta

Supreme Rush – Champion Claimer, **Bar No Q** – Champion Sprinter & Older Horse, **Pearl of Knowledge** – Champion Two-Year-Old Filly, **Rail Hugger** – Champion Two-Year-Old Colt, **Im Evin Im Leavin** – Champion Three-Year-Old Filly, **Explode** – Champion Three-Year-Old Colt, **Smart Fix** – Champion Older Mare, Alberta-Bred & Horse of the Year, **Wally Pugh and Andy Stronach** – Leading Breeder.

National

The Canadian Thoroughbred Horse Society, National Office, would like to congratulate **Tall Oaks Farm & Ivan Dalos** in being chosen once again as the recipient of the Canada Breeder of the Year Award at the 35th Annual Thoroughbred Owners and Breeders Association (TOBA) National Awards Dinner. The TOBA National Awards Dinner is tentatively scheduled for Saturday, September 12, 2020 in Lexington, Kentucky to honour the 2019 achievements of Thoroughbred Owners and Breeders.

We would like to thank the CTHS Staff the effort put forth to publish the 2019 Annual Statistical Review.

Wishing everyone all the best for 2020.

2020 Canadian Sales Dates

In response to COVID-19, the CTHS Divisions are moving forward with the intention of conducting the Sales as scheduled, with some date changes, see below. If the unknowns at this time change because of the COVID-19 Pandemic, we will plan and adapt after consultations with our members and prepare to facilitate and focus on new arrangements. The sale is of imperative importance to the Canadian Thoroughbred Breeders and purchasers and our focus is to produce and provide a successful sale.

We will continue to monitor and assess the Pandemic situation, as Health Officials and Government provide updated information, and will keep you advised and updated as circumstances develop.

NOTE: Sales Stakes Offered & Sales Stakes eligibility is determined by the Provincial CTHS offices and is subject to change at their direction.

Canadian Sales Stakes Series Eligibility:

Once all the Provincial Sales Stakes Eligibility has been met the following conditions apply:

1. **Out-of-Province Nominations** – Nomination to an out of Province Sales Stakes (not in the Province where the Yearling sold) will be the responsibility of the owners who will pay \$750 to nominate, \$750 to enter and \$1,000 to start. Note that in Ontario the difference between the listed nomination, entry and starting fee charged by WEG and the nomination, entry and starting fees charged per the above will be paid directly to the CTHS Ontario Division at the time of nomination. In addition, in the event that races are over subscribed, preference will be given to horses that passed through the Sale in the jurisdiction in which the Sales Stakes is being held. For example, CTHS Ontario Division Sales Graduates will have preference for the Sales Stakes races in Ontario.
2. **Implementation** – Canadian-Bred Yearlings passing through the CTHS Yearling Sales in 2018 and forward that meet the eligibility requirements above will be eligible to the Canadian Sales Stakes Series. The inclusion of Ontario commencing in 2018 does not affect the eligibility of Sales Graduates from previous years who will remain eligible for the Western Canadian Sales Stakes Series.
For clarity, Sales Graduates from previous years who are eligible for the Western Sales Stakes Series are not eligible for the Sales Stakes in Ontario.
3. **Sales Stakes Dates** – Where possible, the CTHS Provincial Offices will work collaboratively to attempt to schedule the Sales Stakes in each Province so that we can eventually create a Series that allows owners to participate in the Sales Stakes in multiple Provinces.

Note: Canadian Sales Stakes Series Eligibility is determined by an agreement between all Provincial CTHS Boards and is subject to change at their discretion.

British Columbia, President's Report

2020 has brought some stability to BC breeders. Great Canadian has a new 5-year renewable agreement to operate at Hastings. Track improvements are taking place. A new rail has been installed and training has begun. Reports of having a similar number of horses to last year is a good sign. The number of younger horses continues to grow at Hastings.

The industry associations have once again provided breeders and owners with a wide variety of incentive programs that are aimed at ensuring we will have a quality race meet in 2020 and beyond.

The largest number of purchases were in the weanling and short yearling market. Many of these horses will be offered in our fall mixed sale giving people a chance to buy some new bloodlines. Several yearlings were also purchased last fall that will be offered in our Horses of Racing Age Sale on March 14th. Many of these sale horses will be restricted to running at Hastings in 2020 unless they ship for a stake race. The two-year-old's can be made eligible to join the yearlings sold last fall in our mixed sale in the two-year-old CTHS sale stakes in September. All 4 races will be on the same day September 5th.

2019 breeder and stallion awards were up a bit from the two previous years. We are hopeful we will be able to keep them up or even increase them this year. With the discontinuation of the popular MSW bonus the CTHS decided to take over a sponsorship of these races on a limited basis. We will be sponsoring 18 races in 2020 with support from the HBPA and BCTOBA. The format has been changed to get bonuses to more owners and breeders. While the \$10,000 is being spread to more horses meaning less for the winner, it also means horses that don't win a MSW at first asking may end up receiving more money than the winner take all formula.

Unfortunately, the \$25,000 BC bred bonus for winning a BC Cup race has been discontinued. This was a nice bonus that made owning a BC bred exciting and will be missed.

The industry has recognized the importance of making BC bred horses valuable with the loss of restricted stakes and have supported a 25% claiming bump for BC breds. In a \$20,000 claiming race BC breds will cost \$25,000. This will allow owners to spot their horses in more competitive fields.

The CTHS will continue to explore programs that bring value to breeders or owners of a BC bred horse.

The Jockey Club introduced digital certificates in 2018. The BC CTHS office has an account set up for the transfer of these certificates and can assist breeders who are unsure what to do to set up their own account. Please contact BJ for more information.

Good luck to all breeders, owners and industry participants in 2020.

Alberta President's Report

The Board of Directors of the CTHS (Alberta Division) continued to work on the goals and objectives that were developed during prior strategic planning. The highlights of the achievements for 2019 are as follows:

Breed Improvement:

- The Breed Improvement Program continues to be a program that works to reward quality Alberta-breds who perform at the highest level of racing. Originally the 2019 program had Owners share in the \$455,322 for Alberta-breds placing win, place or show in all races at or above a minimum of \$8,000 claiming price and a minimum of \$8,000 purse. At the end of September, the Alberta H.B.P.A moved to change the criteria to a \$7,000 claiming price and a minimum of \$7,000 purse. Bonuses were not paid for eligible races which had four (4) or less starters.
- The changes made by the HBPA were adopted by the CTHS. Breeders received 20% of \$455,322 for Alberta-breds placing win, place and show in sanctioned races having a minimum \$7,000 purse and where entered at or above a minimum \$7,000 claiming price. Bonuses were not paid for eligible races that had four (4) or less starters. This resulted in 15 races not paying a Breeders' Bonus.
- In total the 2019 Alberta Breed Improvement Program delivered to owners, breeders and stallion owners a total of \$1,490,190 the same amount which was paid out in the 2018 Breed Improvement Program.
- Century Mile Racetrack and Casino opened on April 28th, 2019 with the first race being won by ON Bred, Born In A Breeze.

O.T.T.B.:

- C.T.H.S. (Alberta Division) continues to be involved in The Jockey Club T.I.P. program and sponsors an award for the Alberta-bred or Residing T.I.P. Performance Award.

2019 Alberta Sale:

- After feedback from purchasers and consignors the 2019 CTHS sale moved to a new venue and was held at Westerner Park Agricentre in Red Deer.
- The CTHS (Alberta Division) sale was again live-streamed in 2019.
- The sale average for 2019 was \$6,736.00 (\$9,658 in 2018) which was down for the second time from the previous year and gross sales of yearlings at \$451,300 (\$734,00 in 2018). The sales median was \$2,700 also down from the 2018 median of \$4,100.
- The 2019 sale topper was an Oxbow gelding out of Samara Street and went for \$48,000. It was consigned by Highfield Investment Group.

Other:

- Third running of C Cup Classic in partnership with the Canadian Amateur Jockey's Association. Almost \$5,000 raised for the Brain Tumour Foundation of Canada.
- Back to racing in two areas of the province, Calgary and Edmonton.

In Closing:

The C.T.H.S. will continue to be a leader in the industry and an advocate for the industry as the Board works to fulfil their mandate.

Manitoba, President's Report

During 2019 term of office, the CTHS MB Board welcomed two new members, Wayne Anderson and Bill Drew.

The Manitoba Jockey Club advised that under the new 3 year agreement the existing plan of distribution would remain with some of new revenues used to fund an increase in purses. As a result, the 2019 race season started with the Manitoba Jockey Club announcement of an adjusted purse structure.

Prior to allocating additional funds, the CTHS MB Board commenced a review in March 2019 of the Manitoba-Bred Incentive Program to ensure the program continues to support our members breeding operations. The Bred Incentive Program continues to work to develop and reward Manitoba-breds who perform at the highest level of racing. As a result of the review, the Board applied these funds to increase the stakes program (7) from \$25,000 to \$30,000 and the Sales Stakes from \$30,000 to \$35,000. The remainder of the funds to be allocated to the awards program.

The 2019 Manitoba-bred Incentive Program paid to Manitoba Breeders and Stallion owners, a point value of \$315 for a total of \$222,705 vs 2018's of \$191,205. A total of \$30,420 vs \$29,970 in purse supplements were distributed to owners and breeders. The stake program paid \$176,130 vs the previous year of \$139,890.

The Manitoba Yearling Sale held on August 11, 2019 show cased 40 yearlings offered for sale compared to 27 the previous year. The average sale price was down \$4,329 from the previous year.

Promotional initiatives to support the yearling sale included a half page announcement in the racing program starting in July, an article in the Free Press and luncheon in the backstretch kitchen on the benefits of owning a Manitoba Thoroughbred.

The Manitoba Breeders Industry continued to be highlighted by talented filly Hidden Grace (Going Commando/High Pioneer) on her 8 stake wins at ASD and winning the \$50,000 Canadian Sales Stakes in Alberta.

Congratulations to Cam Ziprick and Arnason Farms on being chosen as the recipient of the Canadian Breeders of the Year Award at the Thoroughbred Owners and Breeders Association (TOBA) National Awards Dinner. The awards dinner was held in Lexington, Kentucky on September 7, 2019.

The Manitoba Breeding & Racing community lost one of its members in October with the untimely passing of Sandra Lepard. Sandy made a significant contribution to breeding and racing thoroughbreds and served as a Vice President/Director on the CTHS (Manitoba) Board. Our sincere condolences to her family and friends.

With the introduction of digital registration certificates in 2018, our office manager, Jill Withers has been assisting breeders/owners in the transfer of these certificates and setting up of accounts. Thank-you Jill for your valued support to the Board and our members.

Good Luck to all Breeders, Owners and Industry Participants in 2020!

Pat Wallace

Ontario, President's Report

It has become a very uncertain time for Breeders in the Province of Ontario. The Ontario Board has made great efforts over the past two months, trying to educate politicians and industry members and officials, the complexities, concerns and harsh realities Breeders are facing during an overall contraction of the horse industry and compounded now with the COVID-19 pandemic. We are striving and seeking the light at the end of this dark tunnel of events.

I have personally sent many letters to both the Provincial and Federal Government leaders requesting financial assistance for the Breeders in this Province to allow them to continue to provide the proper care for their horses that they require, support those working at the breeding farms, and alleviate some of their financial burden of forcing breeders of Ontario to choose between supporting their families and supporting their horses. As well as making them aware that there has been no plan created to assist the Breeders of rural Ontario in this time of crisis. With the cancellation of racing in this Province due to COVID-19 causing there to be no Ontario product to wager on. The much needed funding for Breeders Programs which is created through the Pari-Mutuel Tax Reduction, is now not being generated. The Government's Long-Term Funding program for the Horse Racing Industry was implemented for funding of racing and is now being targeted to assist the owners of race horses but unfortunately Breeders were not included in this funding. The COVID-19 pandemic has created a critical situation in Ontario with the closure of all racetracks, it has paralyzed the horse industry putting significant stress on an already volatile industry. Unlike many other segments of the agricultural sector this vital sector which reportedly produces \$600 million of Economic Impact to Ontario yearly is suffering with absolutely zero revenues. Stakeholders and participants are faced with the immediate crisis of having to care for and feed thousands of horses, job loss, personal financial anxiety and loss, mental health issues and are causing breeders and owners to choose between supporting their families and supporting their horses and lifelong investment and pride of work.

In early April the Jockey Club of Canada sent out a request to the industry to send letters to their MP's to call for the suspension of Section 31 of the Income Tax Act for 2019 and 2020. We felt this was a very important initiative that would greatly assist our membership and sent personalized letters to the 121 MP's across Ontario, getting responses from many MP's seemingly acknowledging and understanding our concerns.

On May 14th the Ontario government announced a framework to gradually reopen the Province in stages. Stage 1, which is scheduled to begin on Tuesday, May 19, allows for horse racing without spectators and physical distancing measures in place. On May 12th Woodbine announced their plans to resume Thoroughbred racing on June 6 at Woodbine remain on track and are now on track for this target date with spectator-free horse racing safely by following strict physical distancing protocols.

On April 14th, in response to COVID-19, the CTHS(ONT) Board of Directors advised the members that we are planning to host our Canadian Premier Yearling Sale on September 3rd, 2020. We are moving forward with the intention of conducting the Yearling Sale as scheduled. If any unknowns at this time change because of the COVID-19 Pandemic, we will plan and adapt after consultations with our members, and prepare to facilitate and focus on new arrangements. The sale is of imperative importance to the Ontario Thoroughbred Breeders and purchasers, and our focus is to produce and provide a successful sale.

In order to best assist you during this time we are striking a Yearling Sale Sub Committee specifically for working on providing collaboration and insight for a successful sale during this extremely difficult time. The subcommittee is to include 5 to 6 of our Sales Consignors at large.

We will continue to monitor and assess the Pandemic situation, as Health Officials and Government provide updated information, and will keep you advised and updated as circumstances develop. Deadline for entries is June 1st, 2020, with a refund in all fees if Yearlings are withdrawn by July 15th, 2020.

As most of you are aware, Woodbine Entertainment Group will not be renewing our historical lease for the Sales Pavilion which terminates March 31, 2020. The CTHS built these barns and pavilion in 1963 and sold it to Woodbine in 1983 for increased race horse capacity for the 11 months not used for sales. Woodbine has extended us, on a month to month basis, an additional 6 months which means we will be able to host the 2020 Canadian Premier Yearling Sale at Woodbine. The CTHS will be working diligently to secure a new office location and potential sales sites.

Ontario Racing has also decided not to renew its contract with the CTHS to administer the \$2 million EHIP Fund. All members must be aware that ALL rules, forms, incentive programs/payments, etc. are being administered by Ontario Racing Management.

Due to COVID-19 our June Annual Awards Dinner honouring Breeders success in 2019 has been cancelled. The Board has made a resolution that this event will be held in 2021 in conjunction with honouring Breeders successes in 2020. We would like to congratulate all Breeders for their accomplishments in 2019. Please visit our website for a list of the recipients. Please note that the 2019 Breeder of the Year and 2019 Mint Julep recipients will be announced along with the 2020 recipients.

The Jockey Club of Canada presented the 45th Annual Sovereign Awards, honouring Canada's champions and recognizing their 2019 outstanding achievements in Canadian Thoroughbred Racing and Breeding on Tuesday, May 19, 2020. Winners of the twenty-four Sovereign Awards categories were announced live during a virtual ceremony that was streamed live. Congratulations to all nominees, winners and their connections.

The 2019 Canadian Premier Yearling Sale held at the Woodbine Sales Pavilion in Toronto had 157 yearlings sold for \$3,381,400 a 20% increase from 2018 gross sales. The average increased by 16.2% from \$18,532 in 2018 to \$21,538 and the median increased by 20.9% to \$13,000.

In 2019 Woodbine's 131 day (two cancellations) meet included 1,212 races, 45 fewer than last year, which contributed to the all-sources handle being down 3.2 per cent compared to 2018. Average field size per race was also a contributing factor which was 8.2 in 2019 compared to 8.3 last year. The International wagering on Woodbine Thoroughbred racing generated a handle of \$402,370,379.28 and the Home Market Area wagering, defined as all wagering in Ontario on live Woodbine Entertainment Thoroughbred racing, was \$92,472,151.36. Woodbine's 2019 Average handle per race in 2019 was \$425,898.86, compared to \$424,239.38 in 2018, a slight increase of 0.4 per cent.

This is an extraordinarily difficult time and we wish you, your families, employees and friends all the best in health and wellbeing. We encourage and wish you continued success in the foaling, breeding and sale season during this difficult time.

Your Board and office staff remains dedicated to ensuring a viable future for our members and serving as a voice for breeders within the Thoroughbred Breeding industry.

I would like to extend best wishes to all for a successful year in these very trying times.

Yours truly,
Peter Berringer
President

Saskatchewan, President's Report

The start of 2020 has been a stark reminder of how a simple virus can disrupt the country, and the C.T.H.S. was no exception to the rule. Our breeders have shown negative results in their yearling, two-year-old sales, even harder the older home bred for the race tracks, now that most of the race tracks are not opening or now will open later in the summer. In communication with our Sask breeders, some have continued their programs, whereas many have either not breeding this year, or have disbanded their breeding program.

In conjunction with our H.B.P.A we are pressing our Government for funding to maintain both the racing and breeding industries. We have reached out to all levels of Government, but their slow response certainly is discouraging. The president of the H.B.P.A., Eddie Esquirol has done countless hours and paperwork to get things moving, but seems all in vain and falls on deaf ears, Marquis Downs certainly have not been a help, as they will not even open the track for training, thus all our race horses have shipped out of province to compete, the Downs will not make an announcement until late summer, but have cancelled the May and June race dates, so even if the smaller stables wish to run in Saskatchewan, we probably won't have enough horses on the grounds to fill races!

Last Summer Saskatchewan had an excellent race meet, only running 7 races per evening, Friday and Saturday nights, but the races always filled with 8-10 horses per race. A majority of our Sask bred competed very well in these races, winning easily, beating other horses from the other provinces and the States, which is reflecting our better breeding programs, and I wish to thank our Breeders for purchasing better quality stock.

Also, this Spring we had to cancel our Awards Night, because of the virus, but plan to reschedule perhaps this Fall if allowed. The Sask Sired /Sask Bred which dominated their divisions are Hiedyhoman 2yr colt, bred by Cherry Grove Stable. Maria Conchita 2 yr filly bred by Pat Murphy, 3 yr old filly Eyespymylittleeye bred by Ed Esquirol. The Sask Bred winners are 3 yr old colt Delvecchio bred by Don Bjarnarson, older mare division won by Elsa Reimer's Emmanuel Babygirl, and the older colt/gelding division winner was Devil Magic bred by Walter Banach ,sadly Walter was too sick to come to the races to see his horse race, and he passed away later in the Fall, he will be missed!

At this time, most of our foals should be on the ground, and viewing all these babies on social media it looks like they are all strong, tall individuals, we wish to thank everyone for sharing their foal pictures so we all can enjoy them!

We remain optimistic that things will eventually turn around and our C.T.H.S. can and will be able to continue to be a viable industry!
