GREENWAYS ENDOWMENT FUND

Did you know that The Cumberland Land Trust has an endowment at the Rhode Island Foundation? Our partnership with the Foundation gives us access to planned giving resources and professional endowment management. By contributing to our endowment, your charitable giving can benefit The Cumberland Land Trust forever. The preferred way to make a gift to our endowment is to make your gift to The Cumberland Land Trust, with your instruction that it be contributed to our endowment fund.

PLANNED GIVING: PLANNING NOW TO GIVE LATER

Some options for The Cumberland Land Trust 1989 Legacy Society planned giving include:

Bequests
Making a gift from your will or trust is simple. A charitable bequest can be a specific dollar amount, a percentage of your estate, or what remains after other bequests are made.

Retirement fund assets
Retirement fund assets from qualified plans or IRAs are ideal for charitable giving purposes because these assets are often heavily taxed. This option offers an opportunity to avoid income and estate tax.

Charitable remainder trusts
Charitable remainder trusts appeal to donors with appreciated assets such as real estate or securities. They allow you to receive income (or provide income to another person) for life with the knowledge that the funds remaining when the trust terminates will be used to support our endowment.

Charitable gift annuities
Charitable gift annuities guarantee you (or someone you name) a certain fixed income for life. At the death of the last annuity recipient, assets will be used to support our endowment.

Life insurance
Life insurance can be used as a charitable asset, thereby enabling you to be eligible for a charitable tax deduction based on the current value of the paid-up policy. Or you can support our endowment by making it the beneficiary of part or all of the insurance proceeds.

Please see our website www.cumberlandlandtrust.org or contact The Cumberland Land Trust at 401-374-7857 to discuss these or other planned gift options including gifts of land. We do not provide legal or tax advice. You should always consult your legal, tax, or financial advisor to assist with your charitable planning.
