The Power of Dreams

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

# EXPERIENCE THE ALL-NEW CR-V

The world's best-selling\* SUV has been refined, reimagined and redesigned. The result is a unique blend of bold, distinctive looks and advanced engineering. A car designed for the pure joy of driving with our new 1.5 VTEC TURBO petrol engine, and for the first time on CR-V, a seven seat option is also available.

DESIGN **03-06**

TECHNOLOGY **07-08**

COMFORT & CONVENIENCE **09-10**

PERFORMANCE **11-12**

SAFETY **13-18**

CREATE YOUR CR-V **19-32**

ACCESSORIES **33-42**

Model shown is CR-V 1.5 VTEC TURBO EX in Premium Crystal Red Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the CR-V will be a right hand drive vehicle.

# EMOTIVE DESIGN

The new CR-V's silhouette may be familiar, but the design is new from the ground up. Every one of its sleek dynamic lines, from its muscular wheel arches to its sculpted bonnet, has been developed to enhance performance and maximise aerodynamic efficiency.

# INNER CALM

The CR-V's interior has been designed to maximise a feeling of connection between you and the car. Clean lines provide a sense of space, enhanced by contrasting materials with beautifully crafted finishes. The controls have been positioned to be intuitive and simple, so although you are surrounded by clever technology, it's never intrusive.

Thanks to our Active Noise Control, which is standard across the range, the interior is a quiet and calm environment. It's also extremely comfortable with four-way power lumbar support for the heated front seats with the availability of heated rear seats and a heated steering wheel\*. Ensuring every journey is taken in the upmost comfort and relaxation.

\*For more information on which grades these and other features are available on, please refer to the specification pages 43-46.

#### APPLE CarPlay® AND ANDROID AUTO™\*Δ

You can seamlessly integrate your Android phone or iPhone to the Honda CONNECT infotainment system with 7" touchscreen allowing you to make calls, listen to music or send and receive messages.

#### HEAD-UP DISPLAYΔ†

The augmented reality head-up display projects key information, so the driver can see the data without looking away from the road.

#### HEATED FRONT AND REAR SEATSΔ

We believe everyone who travels in the new CR-V should be made to feel warm and comfortable. That's why we offer heated rear seats as well as front.

#### HEATED STEERING WHEELΔ

Enjoy the feeling of a warm steering wheel on a cold day. It's little details like this that make driving the CR-V a pleasure.

#### MULTI-ANGLE REAR-VIEW CAMERAΔ

Engage reverse and the rear-view camera automatically comes to life on the 7" Honda CONNECT screen.

## ENGAGING TECHNOLOGY

We have developed a whole range of technologies to make driving the new CR-V a truly engaging experience. The new head-up display system projects essential information within your sight line, so you don't need to take your eyes off the road; whilst comprehensive driving data is clearly displayed in the Intelligent Multi Information Display and can be accessed through your steering wheel controls.

A centrally mounted 7" full colour touchscreen infotainment system Honda CONNECT\*, can neatly link to your smartphone so now you can access apps, contacts, emails, music streaming and more. Keeping you connected to your world and the things you love.

\*Honda CONNECT available as standard on SE, SR and EX grades only. Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (Lollipop) or later versions are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography. Apple CarPlay® is a trademark of Apple Inc., registered in the U.S. and other countries.

ΔFor more information on which grades these and other features are available on, please refer to specification pages 43-46.

†Image is shown for illustration purposes only. In the UK the head-up display will be in mph.

#### HANDS-FREE ACCESS POWER TAILGATE\*

The automatic tailgate is operated by passing your foot under the rear bumper.  
Perfect for when you have your hands full.

#### SEVEN SEAT OPTION†

A clever use of interior space provides the option of a third row of seats, which gives you the flexibility to carry up to seven people. When not required, these seats fold-away to provide maximum boot space.

\*Available on EX grade.  
†Available on SE and SR grades.

09

## YOUR SPACE

You pack a lot into your life, so we wanted to design an interior that could fit it all in. The new CR-V provides a flexible and practical space, full of clever storage ideas, generous amounts of legroom and a large boot capacity of over 1,700 litres with the rear seats folded. It has also been designed to make your life easier, with convenient features such as a hands-free access tailgate\*, one-motion folding seats and a flat boot floor to maximise loading. If you need to carry more than five people, no problem as the CR-V now gives you the option of seven seats†.

Images are shown for illustration purposes only and show a left hand drive vehicle.  
In the UK, the CR-V will be a right hand drive vehicle.

10

# DYNAMIC DRIVE

The new CR-V is powered by our latest high-technology 1.5 VTEC TURBO petrol engine, which provides the perfect balance between performance and efficiency. It can be specified with a crisp 6-speed manual gearbox (173PS) or with an advanced 7-speed CVT (193PS) transmission. When you choose the CVT version you have the facility to drive the car in a relaxed, fully automatic mode or, if the mood takes you, to change gear using the racing car-inspired, steering wheel mounted, paddle shift.

Underneath we've designed a lightweight chassis to be the most sophisticated ever created for CR-V, complemented by our new MacPherson strut front suspension and multi-link rear set-up. Together they ensure an agile drive with excellent levels of comfort.

# HELPFUL TECHNOLOGY

A great deal of engineering has gone into keeping you and your passengers safe. In fact, clever technology is always at work while you drive and often you'll never know it's there.

## BLIND SPOT INFORMATION<sup>A</sup>

This clever device makes lane changes and overtaking safer, warning you when vehicles are detected in your blind spot by illuminating a light in your door mirror.

## CROSS TRAFFIC MONITOR<sup>A</sup>

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns you of imminent danger.

## EMERGENCY CALL (E-CALL)

An emergency call (SOS) switch is located within easy reach, adjacent to the rear view mirror. In the event of an emergency, help can be summoned at the touch of a button.

# ALL WHEEL DRIVE

The electronically controlled real time AWD with Intelligent Control System has been designed to automatically step in when loss of traction is detected.

For instance, the system can detect when the CR-V is climbing a hill and send greater power to the rear wheels. When this extra torque is no longer required, the multi-plate clutch automatically disconnects the propeller shaft from the rear differential, saving fuel.

**AWD**

# HONDA SENSING

Honda SENSING is one of the most advanced safety technology suites available and is standard across the range.

**COLLISION MITIGATION BRAKING SYSTEM**

If there is the possibility of a collision with a vehicle or a pedestrian this feature will alert you to the danger, as well as reducing your speed to help minimise the severity of any impact.

**LANE DEPARTURE WARNING**

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

**ROAD DEPARTURE MITIGATION**

A windscreen mounted camera detects whether the car is veering off the road and uses the Electric Power Steering to apply subtle corrections to keep your vehicle in its lane. In certain conditions, it can also apply braking force.

**LANE KEEP ASSIST**

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

**INTELLIGENT-ADAPTIVE CRUISE CONTROL**

This feature detects if a vehicle driving in an adjacent lane intends to cut in front of you and adjusts the speed of your CR-V in advance. It also helps you maintain the distance between you and the car in front, so you don't have to change your speed.

**ADAPTIVE CRUISE CONTROL WITH LOW-SPEED FOLLOWING\***

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

**TRAFFIC SIGN RECOGNITION**

The Traffic Sign Recognition system identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

**INTELLIGENT SPEED LIMITER**

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

\*Low-Speed Following only available on versions equipped with CVT automatic transmission.

# YOUR OPTIONS

## Personalise your CR-V with Honda genuine accessories.

They have not only been produced to our same exacting standards, but each one is specifically designed to enhance and fit your CR-V perfectly.

## CARGO PACK

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure.

**Pack contains:** Premium Boot Organiser, Bumper Step Protector and Boot Sill Decorations.

## AERO PACK

The Aero Pack gives your car a more sophisticated, dynamic look with a combination of refined, body coloured features. **Pack contains:** Front Aero Bumper, Rear Aero Bumper, Running Boards and a Tailgate Spoiler.

Image includes 19" Galena alloy wheels. Sold separately.

## PREMIUM PACK

The Premium Pack is a collection of accessories stylishly designed to protect your car from scrapes, scratches, mud and sand. **Pack contains:** Side Body Protectors, Doorstep Garnishes, Elegance Carpet Mats, Front & Rear Mud Guards and Boot Tray.

Image includes 18" Emerald alloy wheels. Sold separately.

### ILLUMINATION PACK

The Illumination Pack uses a combination of lights to improve practicality and create an ambient atmosphere. **Pack contains:** Puddle Lights and Illuminated Doorstep Garnishes.

### RUNNING BOARDS

If you want to enter or exit your car more easily, choose our running boards. They are designed to fully integrate with the sleek design of your CR-V and are finished in aluminium with black details or in a full black finish to add an extra touch of class to your car.

### MIRROR CAPS

Enhance the individuality of your CR-V with these Asphalt Silver mirror caps. Designed to replace the existing ones. **Kit contains:** Two Mirror Caps.

### SIDE LOWER DECORATIONS - SILVER

These smart and stylish decorations give your CR-V a robust, muscular look. They are finished in Asphalt Silver to compliment the front and rear lower decoration on the standard bumper.

**Kit contains:** two parts per side.

### TAILGATE DECORATION

Accentuate the exterior look of your car with an attractive tailgate decoration. The distinctive chrome look adds a little extra style and sophistication to your CR-V.

### TAILGATE SPOILER

Add an extra competitive and sporty edge to the back of your CR-V with a “floating style” tailgate spoiler.

#### FRONT AMBIENT FOOTLIGHTS

By opening the doors and turning on the headlights the front foot area of your car is illuminated in a soft, cool, calm glow.

#### WINDSHIELD COVER

This windshield cover acts as a shield against the elements and will also protect the mirrors and front side windows from heavy weather when your car is parked outside. It features the CR-V logo.

#### TOW BAR WITH 13-PIN TRAILER HARNESS

With this new tow bar system, you can pull your trailer or carry bikes with ease. Maximum towing capacity: 2000kg depending the transmission type. Maximum vertical load: 100kg. The 13-pin socket is integrated in the tow bar. An optional 12V battery line provides continuous power to your trailer. Available in Fixed, Detachable or Retractable variants.

#### DOOR VISORS

These door visors are mounted on the top of the front and rear doors and smoothly deflect the air streams. **Kit contains:** a set of four visors.

#### PREMIUM BOOT ORGANISER

This innovative boot organiser enables you to organise your car's boot space and prevent items from moving around when driving.

#### BOOT TRAY

Perfectly shaped to fit your car's rear storage space, this waterproof anti-slip boot tray with raised edges and CR-V logo, will protect the boot from dirt and scratches.

#### 18" EMERALD ALLOY WHEEL

The 18" Emerald comes with Gunpowder Black windows and a diamond cut A-surface with shiny clear coat.

#### 19" GALENA ALLOY WHEEL

The 19" Galena comes with Rombo Silver windows and a diamond cut A-surface with matte clear coat.

#### BUMPER STEP PROTECTOR

Constantly loading and unloading the boot can cause annoying scratches; so protect your car's bodywork with this neat bumper step protector.

#### BOOT SILL DECORATIONS

A practical and stylish accessory for the boot, which protects against scratches and marks. These stainless steel parts with an attractive brushed finish fit perfectly onto the boot's exterior lining.

#### DOG GUARD

The dog guard keeps your pets safe by separating the rear passenger area from the luggage compartment. It's a must for those who have pets and fits perfectly between the rear seat and the roof interior.

#### COAT HANGER KIT

Keep your clothes smart and crease-free with this coat hanger. It easily fits to the included headrest base so you can hang your coat, jacket or suit.

#### THULE ROOFBOX 410L

This sturdy Thule Motion M type waterproof box is certified by Honda and gives you an extra 410 litres of storage space. Finished in black, it features a Power-Click system for easy mounting, an anti-theft lock and dual side opening. Its dimensions are 175cm long, 86cm wide and 46cm high.

#### CHILDSEATS

Honda genuine childseats offer superior protection for your child from birth to 12 years. There are two installation options: ISOFix or 3-point seatbelt fixation.

#### ELEGANCE FLOOR MATS

These elegant and comfortable fitted tufted carpets have a black woven binding and embroidered CR-V emblem.

**Kit contains:** Front and Rear Mats. Suitable for both five and seven seat models.

#### TABLET HOLDER KIT

This tablet holder, with the headrest base, fits any tablet with dimensions varying from 7 to 11.6 inches. It has a neat tiltable feature so it can be adjusted to the best viewing position too.

#### BOOT MAT

Keep the boot area clean and free from dirt and scratches. This boot mat is designed to fit perfectly in the area that needs the most protection. It's a Graphite Black needle felt carpet with black woven binding.

#### BOOT NET

This specially designed horizontal boot net is fixed to the standard boot hooks and keeps your luggage secured safely in place as you drive.

#### FRONT AND REAR LIPPED RUBBER MATS

These rubber mats, with raised edges, are made to protect the front and rear footwells and feature the CR-V logo. They are tough yet easy to clean. Front and rear mat kits available separately. **Kit contains:** two mats.

#### ROOF RAILS

In combination with cross bars, these roof rails expand your car's carrying capacity. They have a maximum roof capacity of 75kg.

#### THULE ROOF BICYCLE RACK

Take your bicycles with you by adding this roof bicycle rack with an anti-theft locking device and an easy-to-use self-adjusting frame (maximum of three bicycles).

#### THULE BICYCLE CARRIER - EASYFOLD

This Thule bicycle carrier, which is certified by Honda, carries two bicycles and is easy to install. It has a tilting function for easy boot access and an anti-theft locking system. It comes with a 13-pin connector and requires a 13-pin trailer harness or a 7 to 13-pin adapter.

#### SKI AND SNOWBOARD RACK

Easy-to-use ski holder for three or four pairs of skis (depending on the size of the skis) or one snowboard. The skis or snowboard are securely fastened between two rubber profiles that protect the equipment and can easily be fitted without tools. It can be locked and weighs 3.6kg.

#### CROSS BARS

These cross bars comply with Honda's stringent safety requirements. They need to be combined with roof rails and have a maximum carrying capacity of 75kg or three bicycles. **Kit contains:** Cross Bars and Storage Bag.

†Fuel consumption figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experience. The Honda CR-V has been subjected to the new WLTP CO<sub>2</sub> and fuel consumption testing cycle in accordance with Commission Regulation (EU) 2017/1151. WLTP figures better reflect the actual performance of the vehicle when driven on the road. During the transition phase between NEDC (the former testing regime) and WLTP, NEDC values for CO<sub>2</sub> and fuel consumption will remain available in accordance with Commission Regulation (EU) 2017/1153.

\*Maximum towing weights are based on a 12% gradient and are tested in accordance with EU Regulations.

<sup>4</sup>A USB flash drive of 256 MB or higher is recommended and some devices may not be compatible.

\*Connectivity for Aha™ app (including internet radio) and for internet browsing is through WiFi tethering or Mobile WiFi Router. Data usage and roaming charges may result from using applications on Honda CONNECT. We recommend you check your mobile phone subscribed package. Internet browsing function can only be used when the car is stationary. Only iPhone 5 or newer versions with iOS 8.4 or later are compatible with Apple CarPlay®. Apple CarPlay® features, applications and services may not be available in all areas and are subject to change. To use Android Auto™, you need to download the Android Auto™ app from Google Play™ to your smartphone. Only Android 5.0 (lollipop) or later version are compatible with Android Auto™. Android Auto™ availability is subject to change and may vary based on geography.

Apple CarPlay® is a trademark of Apple Inc., registered in the U.S. and other countries.

Dreams can be powerful, they push you to achieve more, to explore new ideas, new technologies and uncover new ways of solving problems. Dreaming of a better world for people to enjoy has given life to a humanoid robot called ASIMO, taken flight with HondaJet and created some of the most popular motorbikes on the planet. The knowledge we gain from all the things we do and all the things we learn, goes into everything we make, including our new SUV range.

# DREAMS REALLY DO COME TRUE

---

Models shown are CR-V 1.5 VTEC TURBO EX in Premium Crystal Red Metallic and HR-V 1.5 i-VTEC EX in Midnight Blue Beam Metallic.

Images are shown for illustration purposes only and show a left hand drive vehicle. In the UK, the CR-V and HR-V will be right hand drive vehicles.
