BE GREAT.

Boys & Girls Clubs of America’s new brand campaign, BE GREAT, has two main purposes: encouraging the public to advocate on behalf of America’s young people, and demonstrating how Boys & Girls Clubs work every day to help youth achieve their full potential.

Here in Manchester, we have a long, successful history of caring for our kids and providing them with the opportunities to BE GREAT in all that they do, but we could not be successful - we could not BE GREAT - without YOU! It takes our entire Boys & Girls Club family - a community of staff, volunteers, parents, youth and supporters - working together to create a positive place for our kids.

When you read through this annual report, you will see the GREAT things happening at our Boys & Girls Club, enriching the lives of our kids and our community. We teach kids how to BE Creative, BE Imaginative, BE Happy, BE Themselves. We hope you will continue to BE Engaged, BE Passionate, BE Thoughtful, BE Supportive.

At Boys & Girls Clubs, we believe every child has the potential to BE GREAT!
BE (Something) is the brand campaign for Boys & Girls Clubs of America. It is fitting that this annual report follows along with that theme. As I enter my fourth and final year as board president, my BE is to BE THANKFUL!!

I have had the pleasure and good fortune to serve as board president of this great organization during, perhaps, the most exciting time in its history. I am so grateful to have had the opportunity to be part of these most exciting times.

The centennial celebration marked an incredible achievement that allowed the entire community to reflect upon the impact that the Club has had on Manchester’s youth for multiple generations. When one considers that 57% of alumni, nationally, say that their Club “saved their life” just imagine how many of Manchester’s kids, now adults, have enjoyed fulfilling lives because they were a member of the Boys & Girls Club.

After many years of planning, we embarked on an aggressive capital/endowment campaign with the goal of renovating and expanding the Union Street Clubhouse. The response to our effort from the community has been nothing short of overwhelming. When the fund raising effort is complete, we will have raised over $7 million – an astounding demonstration of generosity and support for our mission.

As I write this message, the construction project is well underway and we look forward with great excitement to welcoming our kids back on campus in February.

I am also very pleased with the growth in numbers, and the commitment of our board. It has been many years since we had a full complement of board members. Over the past couple of years, we have been fortunate in having many dedicated people step-up and offer their time and talent to help our kids.

For all of this, and much more, I can be nothing but to BE THANKFUL.

As my time as president winds down, however, I remain in awe of the tremendous dedication and sacrifice that the staff devotes to our kids. The members of the staff provide the love, discipline, guidance, mentorship, listening ear, instruction and much more that all kids need - and far too many are missing - in their lives. These adult role models are the reason that 57% say “the Club saved my life.”

To those great people who make up the staff of the Boys & Girls Club of Manchester, I express my admiration and gratitude.

It is easy for me to BE THANKFUL!!

W. Stephen McMahon, Board President

BGCM Board at time of publication. October 2009
One of the many, if not the most important, roles of the professional leader (a.k.a. executive director, chief professional officer) of an organization is to look ahead and provide a vision for the future: Where do we need to go and how can we get there?

When I was named executive director of the Boys & Girls Club of Manchester more than 20 years ago, the responsibility of setting the future direction of the Club lay on my shoulders. I knew at that time that there were many more young people in our community who could benefit from our programs and services, so the vision to expand would be our focus.

The larger challenge to meet this vision was developing a plan to get there. Our facility was old and small and was at near-capacity already, so we needed more space. Thanks to the efforts of many, we have been able to move forward in meeting this vision through a variety of initiatives.

In working with the local schools we established other service sites, we were able to lease space for our Kids Club program and now, with the expansion of our Union Street Clubhouse, the vision is becoming reality. This expansion will be the icing on the cake as it will take us from a membership of less than 1,000 young people twenty years ago to an anticipated membership of nearly 4,000 in the not-too-distant future. This could not have been accomplished without the hard work of a dedicated staff, a long list of committed Board members and the support of members of the community who truly believe in the mission of the Boys & Girls Club.

With this obvious success of meeting the needs of more kids, the vision will now need to focus on the real impact we are having on our members. Our vision is to become the community leader in providing a wider variety of programs and experiences for young people, but more importantly, implementing a system that will help us determine the real impact we are having on our members. We must prove that what we do is effective and ultimately does meet our mission of helping kids become productive, responsible and caring members of our community.

Vision is important, but implementing the process is the key to success. We look forward to continued support from individuals, businesses and the community because we need everyone working together for the future to remain bright for our most important resource - our kids.

BE IMPACTFUL PROGRAM REPORT

BE SMART
Every day, members are encouraged to complete homework at the Club with staff and volunteers ready to assist them.

BE FIT
Club members have a daily opportunity to participate in a variety of indoor and outdoor physically challenging activities. Club members are encouraged to get moving!

BE SAFE
Our daily after school program allows members to be safe after school while their parents work.

BE ADVENTUROUS
Field trips throughout the year give members the opportunity to hike, camp, kayak, swim, learn new things...and more!

BE MENTORED
Our staff mentor members daily with those who need extra attention being identified and receiving the care they need to become a successful, productive and caring citizen.
BE A VOLUNTEER
Members are always encouraged to help others, both in and out of the Club, as they participate in various service projects throughout the year.

BE A LEADER
Programs such as Keystone, Torch and Gemstone Clubs give our best members the opportunity to develop leadership skills and to give back to the Club community.

BE CREATIVE
Programs such as fine arts, digital arts, drama, dance, music and others give our members the opportunity to go beyond their own comfort zone and do some things that they might not otherwise do.

BE A GOOD SPORT
Our games rooms give members the opportunity to learn how to get along with others and to be both a gracious winner and/or loser.

BE A TEEN
Our Teen Center and teen programs allow our older members to be around members with similar interests and encourages them to become Club role models for our younger members.

BE OUTDOORS
Camp Foster, our summer day camp program and facility, allows our members to have fun in a setting away from the city streets and allows them the opportunity to get dirty.
Ricky DiCillo
2009 Young Man of the Year
Ricky is a senior at Manchester Memorial High School and has been a member of the Club since he was a young boy. He works part-time for the Club in the snack room, teaching music on the guitar to our cadet members, and working in the games room. Ricky has also worked at Camp Foster. He is a very bright and helpful young man. He likes to be different than the norm and lets our members know that it is okay to be your own person and like your own things. Ricky loves writing and wants to pursue Journalism. In his essay about the Club, Ricky writes, “The Club’s atmosphere is very welcoming. Children of every kind, color and clique can find a friend there. The Club is the future.”

Ashly Rodriguez
2009 Young Woman of the Year
Ashly is a graduate of Manchester West High School and has been active with the Club since 2000. She has been heavily involved with the Keystone Club which has brought great opportunities her way. Ashly was chosen to serve on the steering committee to plan the 2009 National Keystone Conference and was selected to serve on a teen panel for Boys & Girls Clubs of America’s Board of Governors. Ashly and Keystone Advisor Hashira Rodriguez visited Germany this summer where they ran several sessions at the International Keystone Conference. Ashly is attending Newbury College, and plans to major in Communications.

2008 YOUTH SERVED STATISTICS

Staff and Volunteers
15 Trained Adult, Full-Time Professional Staff
65 Part-Time Staff
25 Board Volunteers
For the fiscal year ending June 30, 2009, total revenues were $2,476,000. The plant fund revenues were $1,053,000 generated mostly from gifts and pledges of the Building Better Lives Capital Campaign during the fiscal year. Net pledges to be received for the capital campaign over the next five years total $1,695,000 at June 30, 2009. The operating fund generated $1,983,000 in revenues. This amount includes gifts and pledges from the Foundation of Friends annual campaign. This campaign focuses on multi-year giving with net pledges of $513,000 to be received over the next 10 years. The endowment fund experienced a net loss of ($561,000) as a result mainly of investment income offset by net realized and unrealized losses on investments during the fiscal year.

Total expenses were $2,545,000 for the same period. Of this amount, $2,062,000 were expenses of the operating fund. $1,676,000 was expended on program-related activities for the boys and girls we serve throughout the greater Manchester area. The remaining $386,000 provided support services to sustain the quality of our programs and the safety of our facility.

The Club has embarked on a capital campaign with a new goal of $7.3 million for the purpose of renovating and expanding the Union Street Clubhouse. Gifts and pledges made to the Building Better Lives Capital Campaign as of June 30, 2009 total $6.3 million. Construction began in the spring of 2009 and is expected to be completed in the spring of 2010. In addition, the Club maintains diversified sources of funding in order to ensure programs and services will be available. Most notable is the continued, generous support the Club receives from the Foundation of Friends annual campaign and the Heritage United Way. The bar chart below depicts the Club’s total sources of support.

Our sincere gratitude goes out to everyone who invested in the Club in support of our kids. The return on your investment is reflected in the smiling faces of the more than 600 children served each day at our five locations during the school year and at Camp Foster during the summer months.

In accordance with the Standards of Accounting & Financial Reporting, multi-year pledges are reported in the year pledged, not the year paid.
This report acknowledges, with gratitude, those who have invested in the lives of the young people of the Boys & Girls Club of Manchester through their financial and in-kind support from July 1, 2008 through June 30, 2009. We apologize for any omissions or errors in listing or spelling. Please call the Development Office, (603) 625-5031 x-228, with any corrections.

Thank You!
The expansion and renovation of our Union Street Clubhouse has placed an exclamation point on the remarkable generosity of this community and our Boys & Girls Club family. As this project has progressed, it has sparked interests and ignited conversations reaching far beyond the bricks and mortar of a Clubhouse.

The project has created greater awareness of the challenges all children face growing up in an inner-city environment. A brighter light has been cast on the need for children to have positive adult role models and constructive activities during their leisure hours. Also, greater clarity has been brought to the important role that a clean, safe and inviting facility plays in the growth and development of our children.

These incites have enabled us to consider our family of donors and appreciate the remarkable scope of generosity directed toward our kids. Annual donations made to us through our Foundation of Friends Breakfast, end of year giving, the Heritage United Way, and special event sponsorships help sustain our daily programs and services. Foundation Grants, combined with local, state and federal grants, support a wide range of services to those most in need. Finally, individuals who have included the Boys & Girls Club in their estate plans by making a planned gift to benefit the Club have taken steps during their lifetime to ensure future generations have a safe place to grow to when they need it most.

This display of confidence by the community and our Boys & Girls Club family is a key motivator leading the Board of Directors and staff to **BE GREAT** as an organization. For this reason, the future looks bright for the Boys & Girls Club of Manchester and the youth we serve.

Community Improvement Program (CIP): This $40,000 grant from the City of Manchester’s CIP helped to support our after school transportation program. As with the Hillsborough County Incentive Fund grant, this money helps to offset staffing and transportation costs.

Hillsborough County Incentive Fund Program: This $25,000 annual grant has helped to support the Boys & Girls Club of Manchester’s after school program for the past several years. Money received under this grant help to offset staffing and transportation costs for the Club’s successful after school program.

Office of Justice Programs (OJP): With a $160,000 pass-through grant from the OJP, the Boys & Girls Club of Manchester was able to initiate a comprehensive mentoring and educational assistance program for over 400 of our members, with the final goal being an increase in members’ grade point average.

USDA Child and Adult Care Food Program (CACFP): This past year, the Union Street Clubhouse and Kids Club program continued to operate as at-risk after school snack sites designated by the CACFP. This allowed our staff to provide a daily snack at no cost to all of our attending members after school. “In accordance with Federal law and USDA policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington DC 20250-9410 or call (800) 795-3272 or (202) 720-6283 (TTY). USDA is an equal opportunity provider and employer.”

William S. Green Memorial Fund, S. Ellen Mitchell Memorial Fund and VanArsdale Dewey Family Fund of the New Hampshire Charitable Foundation
The Boys & Girls Club of Manchester implemented an annual campaign in 1991 to raise unrestricted operating dollars to support our programs and services. In 2003, we transitioned our annual campaign into the Foundation of Friends Breakfast. As part of this campaign, the Champions for Kids Society was inaugurated giving donors the opportunity to make a five-year pledge to the Club at the $1,000, $2,500, $5,000 and $10,000 level annually. Donors were also encouraged to support the Club at a level of their own choosing for a period of time that best suited their charitable wishes. As you can see, our friends continue to respond in a remarkable way. Thank you for your continued support of our kids!

Brian Tremblay
Named Manchester’s 2008 Citizen of the Year

On February 10, 2009 long-time staff member Brian Tremblay was honored at the Greater Manchester Chamber of Commerce Annual Dinner being named 2008 Citizen of the Year! Brian has been with our organization, serving the children of greater Manchester, since 1975. He began his career as athletic director and currently serves as director of development. Board president Steve McMahon had the honor of introducing Brian at this year’s Chamber event stating, “there are hundreds of people in this community, and elsewhere, who would say they owe their life to this individual. I have spoken with many people over the years who have made comments like: I don’t know where I would be if it wasn’t for him.” Brian was recognized for his compassion, dedication, inspiration, enthusiasm and selfless service to others.

Congratulations, Brian!
You’re GREAT!
The Boys & Girls Club Movement continues to grow with over 4,000 Club locations. In our continued efforts to reach out to children, the need for services in the northern part of New Hampshire was identified and we are the parent organization for a Club Unit in the Lisbon/Littleton area. As this Unit continues to grow and expand its services, in the hopes of one day becoming its own organization, the Boys & Girls Club of Manchester continues to act as their fiscal agent. The following contributions were received in support of the North Country Unit...
