Hello Sunshine Singers!

I hope you are all doing well and enjoying this beautiful, warm sunny weather! I love springtime! It's like a treasure hunt ~ look around you and you can find new things to see each day! Our lives are full of every day surprises! I think God planned it that way - He loves to surprise us! However, nothing surprises God! He knows our hearts and He knows our brains and He sees us and cares for us just the way we are! In fact in **Psalm 139** we are told that God "knit us together". He knew us before we were ever even born ~ isn't that amazing? This Sunday some of you will be helping Rev. Michelle read this Psalm during our worship service.

I hope you are having a wonderful week and I hope you're all happy to be starting summer vacation! Until we can all meet again in person, we will be sending you messages and activities through e-mail, occasionally putting something in the mail and hopefully every couple of weeks we will drive to your house and bring you a packet of stories and activities.

I'll print the words on the next page! This song is called "God Can Do" and it's one of my favorites! **Sing loud** ~ maybe I'll be able to hear you!

Blessings to you and your families!

## GOD CAN DO!

God can shut a lion's mouth and change the minds of kings.

God can make a leper dance and cause the blind to see.

God can raise the dead and God can calm a raging sea.

I can't do it ~ But God can do it!

*(chorus) G-L-O-R-Y to God who can!*

*G-L-O-R-Y to God who can!*

*Do-oo-oo far beyond all that we could ask or imagine*

*By His power at work within us*

*God can Do-oo-oo far beyond all that we could ask or imagine*

*By His power at work within us! God can do!*

God give me compassion when I see someone in need.

God please give me courage in the face of enemies.

Change my heart and change my mind

To love as you love me, 'cause I can't do it!

But God can do it!

**REPEAT CHORUS**

This song reminds us of God's promise in Ephesians 3:20

*Glory to God, who is able to do far beyond all that we could ask or imagine by His power at work within us.*
