

OUR POLICIES & PRACTICES

The health & safety of dogs are our primary concerns. Current vaccination records for rabies, influenza, bordatella, and DHPP must be on file for all dogs here for grooming and cage-free care as well as for dogs here for self-wash & Simply Great Bath services whose owners would like them to play in our cage-free daycare areas. All dogs must be spayed/neutered and on a flea prevention program. And we strongly recommend your dog(s) are micro-chipped.

Other aspects of safety we've designed for the care of your beloved dog:

- ✓ Fenced parking area to give you the chance to load & unload dogs with less stress
- ✓ Exterior door set to swing inward to prevent dogs from pushing through and reaching the street
- ✓ Double-door entry
- ✓ Space configured to assure we can see/hear everything that's going on and are always just steps away.
- ✓ Temperature-regulated water in our wash tubs
- ✓ Double latch gates on the separate play areas for Big & Small dogs
- ✓ Sturdy, lockable doors & walls high enough to minimize distractions in each of the self-wash areas
- ✓ A/C cooled interior
- ✓ Post-recycled rubber floor mats in Big Dog land

We don't ban any breed or size of dog but will evaluate each dog before they are accepted as a daycare or boarding client. Your dog should be older than 12 weeks. (Please call to schedule an evaluation in advance.)

Please refer to our Safe & Sound contract for more information.

ECO DOG CARE LA

I started this business in 2010 because I love dogs and know that other dog lovers want eco-smart, eco-friendly options for self-wash, grooming, and cage-free care right here in our neighborhood.

I've lived here for over 20 years and am deeply committed to this community and doing what I can to support ecologically sound practices. As a certified Green America business, we strive to be as clean and green as possible in all our operations.

Our cleaning materials are as earth-friendly as we can find (and we're always looking so tell us if you've found something great). We developed our own eco-smart, eco-smart grooming products that are safe for you, your dog and LA's water supply. They are a blend of essential oils and botanicals - never tested on animals, with zero phosphates, parabens, phthalates, or DEA. We provide our high-quality Simply Clean shampoo to all our self-wash clients as part of our service though, of course, you can bring your own. (Our shampoo, Simply Clean, and popular between-baths spray, Simply Fresh, are available for sale at Hound Dog & Cat on Pico, at Echo Bark on Sunset and from our online store, ecodogcare.com)

We are active supporters of local rescue/charity groups working to get "forever homes" for dogs; we offer them discounted or free services and products and other support whenever & wherever we can.

I look forward to meeting you & your 4-legged family!

Karen Bond

We offer separate, cage-free areas for little and big dogs. Most dogs enjoy playing with each other, and chasing balls. They also benefit from the socialization with other dogs and with our devoted staff. Many just enjoy napping in sunny spots. You can check out the action (or napping) on two webcams we have in the play areas.

We've got "eyes on dogs" continuously. Our daycare areas are set up so that we are always just steps away. However, play can result in the doggy equivalent of a skinned knee on a playground - minor cuts or scrapes are treated with an antiseptic cleanse and a pat, just as you would at home. If we see truly unsafe activities, we'll use spray bottles (water) or whistles/horns to break it up and, if necessary, separate dogs into a safe time-out area until everybody cools down. If a dog is seriously injured, we'll attempt to contact your veterinarian. If we cannot reach them, we'll take your dog to our local vet. See our Safe & Sound Contract (web: Info/Links/Media tab).

If you don't have time to bathe your dog, no worries - we are expert at giving baths.

Our **SIMPLY GREAT BATH** includes: shampooing, ear cleansing, brush & blow dry. It takes between 30 minutes and an hour. (It does not include any grooming service listed below.) You may wait in our Wi-Fi enabled seating area or come back within the hour. **If you need to leave your dog for more than an hour, they must be vaccinated, spayed/neutered, and on a flea program so they can play in our cage-free space.**

SIMPLY GREAT BATH & BRUSH: \$30
(+ \$10 DAYCARE OPTION)

Grooming Services, by an independent professional, include trims, cuts, shaves, styling & anal gland expression - By Appointment Only.

GROOM: \$55+ ANAL GLANDS: \$12 NAILS: \$12

Dogs here for grooming should be dropped off by 10:30 & picked up after 4:00. They'll spend the day in our cage-free daycare areas either playing with other pups or just napping in the sun; **this service is complimentary.** We need current vaccination records and dogs must be neutered/spayed and on a flea program. **If you need to pick-up your dog earlier (or later) than 4:00, please let us know in advance so we can balance schedules.**
