### STEWARDSHIP

**Stewardship God – centered** *"Jesus himself stood among them and said to them, 'Peace be with you.' But they were startled and frightened..." - LUKE 24:36-37* Throughout the day we have many opportunities to "see the face of Jesus" in others and to "be the face of Jesus" to others. Do we take that opportunity to provide "peace" to those we encounter or are we afraid of what others will think of us and do nothing? Pray for the **Stewardship** to live a "God-centered" life and not a "self-centered" life.

### Speak up NOW against Physician Assisted Suicide in New Jersey.

Assembly Bill A1504 "**Aid in Dying for the Terminally Ill Act**" (Commonly referred to as "**Physician Assisted Suicide**") (sponsored by Assemblyman John J. Burzichelli, who represents the 3<sup>rd</sup> Legislative District in South Jersey) has recently passed through the NJ State Assembly Judiciary Committee. This Bill has unfortunately gotten much support and has great potential to become law if passed by the Legislature, due to the Governor's office being receptive to sign such a law. Assembly Bill A1504 would permit people with terminal illnesses to take their own lives, making New Jersey one of seven states that have legalized the practice of physician assisted suicide. This practice leaves those suffering with depression, physical and mental disabilities, and those on the economic and social fringes most vulnerable and at risk to be the victims of this law.

As Catholics we are called upon to advocate for and defend life in all its stages – including the end of life - and preserve the rights and dignity of our most vulnerable citizens. We must speak up against Bill A1504 on medical, social, economic, and ethical grounds, in addition to the moral grounds on which we find this Bill unacceptable. Now is the time to contact your NJ state assemblymen, state senators and other elected officials, and voice your opposition to **Assembly Bill A1504** – the legalization of "**Physician Assisted Suicide**". **This Bill needs to be stopped NOW, before it goes any further.**
