AFRICAN TAX RESEARCH NETWORK (ATRN)

3rd Annual Congress

A Modern and Effective Taxation System to advance Domestic Resource Mobilization in Africa: The Role of Information Technology and Tax Information Exchange

ATRN MEMBERSHIP FOR 2017

The ATRN aims to be the platform of choice for African Tax Research and to facilitate African capacity for relevant research in tax policy, administration and legislation. The ATRN seeks to:

• Generate research results for use by policymakers and tax administration
• Promote links between tax researchers, policy makers and other stakeholders
• Build and independent network of academics, policy makers, tax administrators and independent tax researchers
• Influence the African tax research agenda.

The ATRN membership will be an attractive option for all national and international researchers and organizations as a vital tool to foster a research network and increase influence on Tax issues in Africa.
