Guidelines for the Submission of Full-Length Papers

1. General guidelines

- Only **FULL-LENGTH FINAL PAPERS** will be accepted.
- Paper submissions must include two (02) documents:
  1. **Title page** should include:
     - Article Title
     - Full Name and Contract details (institution, postal address; telephone number, and email address) of the corresponding/presenting author
     - Full Names and Contract details (institution, postal address; telephone number, and email address) of all co-authors
     - Abstract (up to 150 words)
     - Acknowledgement
     - JEL codes and keywords.
  2. **Manuscript** should include:
     - Main text
     - Indication of figures and tables with numbering, title and source
     - References;
     - Appendices
     - *Manuscripts should be anonymous.*

- Academic papers should preferably contain the following: Introduction; Problem investigated; Research objectives and/or hypotheses; Literature review; Research methodology; Results/Findings; Policy recommendations; Conclusions.
- Papers submitted will be double-blind peer reviewed by the ATRN Scientific Committee.
- Papers should not have been previously published or accepted for publication.

If more than one author are involved, at least one author must register for and attend the conference to present the paper. All conference attendees must register.

2. Style guidelines

- **Technical requirements:**
  - MS Word documents only. **No PDF will be considered.**
  - Papers are restricted to 20 pages.
  - British English spelling and punctuation are preferred.
  - Font: Times New Roman; Font size: 12; Spacing: 1.5 line spacing.
  - Margins: 2.5 cm left margin and 2 cm top, bottom and right margins.
  - Referencing technique: **APA** or **Harvard** styles of referencing only.
- **Very important:** All manuscripts should be proofread and edited before submission. The ATRN Secretariat will conduct a desk edit before all manuscripts are sent out to reviewers. **Manuscripts will be returned to the author(s) if they do not respect the guidelines.** Please ensure that technical and language standards of the final paper are acceptable.
