

In 1998, Under One Roof Tradeshow Services, Inc. began as a small business specializing in providing booth flooring to trade show exhibitors. We have grown and expanded our services over time so that we could truly deliver on our promise – Find your trade show needs, all Under One Roof.

Today, Under One Roof provides a full service trade show experience to our clients in venues nationwide, offering four main categories of service: flooring, exhibits and displays, I&D set up and tear down labor, and display storage. We offer individual booth services, as well as comprehensive turnkey solutions to elevate your experience.

Everyone breathes easier when they see the Under One Roof team on the show floor.

Flooring

Attract attention from the moment your audience steps foot in your booth! Under One Roof offers multiple solutions including standard to premium carpets, patterned carpets, border and custom logo designs. Whether you're looking to rent or purchase flooring for your next show, make every step count!!!

Labor

We employ a team of installers that travel nationwide, partnering with a network of local professionals. We provide booth installation and dismantle labor, including assisting in product placement, and providing pre-show equipment detailing. Whether you need one man to assist your team, or a fully dedicated crew from start to finish, elevate your experience to the next level.

Exhibits & Displays

Looking for a turnkey solution for your next trade show? At Under One Roof, we make it easy to realize, revitalize, rethink, and reconfigure your booth year after year. Whether you own your exhibit or rent we can help you design your booth, customize your graphics, produce the graphics and install your exhibit. Ask us about the extras that can make your exhibit the leader of the pack.

Storage

Whether your company participates in one show per year, or many, Under One Roof can facilitate the shipping and storage of your exhibit and carpet. We offer competitive pricing on options ranging from simple storage and shipping, to full inventory and white glove inspection.
