North St. Paul, MN 55109

Dear Colleague,

The Minnesota Leadership Council on Aging (MNLCOA) is hosting a Public Policy Summit on December 13, 2017; we are pleased to offer you the opportunity for sponsorships at various levels ranging from \$1,000 to \$5,000 (see attached for details).

Formed in 2004, the 25 member council is a champion, thought-leader, planner and educator that advances positive systems change for older adults, their families and caregivers. MNLCOA is focused on creating communities and systems that support aging with dignity and a spirit of well-being.

#### Summit Details

Date: December 13, 2017

Location: Eagan Community Center

The purpose of the Summit is to:

- Understand aging policy initiatives underway nationally, in Minnesota and in other states;
- Identify and prioritize characteristics of a system that supports individuals of all races and cultures as they age well- with dignity, meaning and purpose- in every community in Minnesota;
- Identify reforms that need to occur to ensure that Minnesota's system includes those characteristics; and
- Delineate steps that should be taken to advance Minnesota's system to better realize the goal of supporting individuals as they age well in Minnesota.

We are bringing in a national expert on Medicaid and Long Term Services and Supports (see attached agenda) and your sponsorship will help to ensure we have a high-quality event!

Thank you for your interest in contributing to an interactive Summit that includes leaders across aging services. We are confident that the Summit will elicit robust conversations about the future of aging services and aging legislation.

Rajean P. Moone, Ph.D.  
Executive Director
