

POSITION ANNOUNCEMENT  
BETHANY COLLEGE  
Lindsborg, KS

Biology Faculty – Tenure Track

- POSITION: Full-time Tenure Track Faculty Position in Biology
- BETHANY COLLEGE: Bethany College is a small, growing college committed to quality liberal arts and science education. To learn about Bethany College, visit <http://www.bethanylb.edu/about/>
- Bethany College is located in Lindsborg, KS, a vibrant community identified as one of the best small towns in America to live and visit. To learn more about the Lindsborg community, visit <http://www.lindsborgcity.org/index.aspx?NID=340>
- RESPONSIBILITIES  
AND EXPECTATIONS: We seek a faculty member committed to excellence in undergraduate science education. Teaching responsibilities include courses in human and vertebrate anatomy and physiology and related courses. The faculty member will also contribute to the Bethany core (general education) and/or interdisciplinary programs. Other responsibilities include student advising and mentoring, and participation in departmental and campus committees.
- QUALIFICATIONS: Ph.D. in biology with experience in relevant areas of biology preferred (A.B.D. considered). Applicants with Master's degrees or terminal degrees in professional health fields may also be considered. Successful applicants must have demonstrated understanding of and commitment to liberal arts and science education.
- SALARY: Contingent upon experience.
- DEPARTMENT: This position is in the Department of Biology and Chemistry. The department offers Bachelor's degrees in biology, chemistry, and biology / chemistry teaching.

APPLICATION:

Review of applications begins immediately and will continue until position is filled. Initial application must include:

- letter of application
- current vita
- statement of teaching philosophy
- copies of transcripts
- list of three professional references who may be contacted
