For the safety of all children, members must be signed-in and signed-out each day.

Every morning, an adult must escort their child(ren) to the member services desk to be signed in to programming.

For pick up, adults must show a valid picture ID upon arrival.

If a parent is medically unable to enter the building or climb stairs, please speak with the Out of School Time Director to make other arrangements.

This month we will continue working with our kids to get them accustomed to their new online learning routines!

We will be getting spooky with Fall-themed arts and crafts, stories, and more throughout the month!

We will also be getting as much time outdoors as the weather permits while we still can. To keep active, there will also be time for gym games and more!
Parent Reminders

If your child will be absent:

Please call us if your child will be absent. If your child is absent and we do not hear from you, we will call you to inquire.

Weekly Payments:

As a reminder, payment for our program is due on the Friday before the week that attendance begins. Late fees will be assessed for those who do not make payments in a timely manner.

WHAT DOES THE LICENSED SCHOOL AGE CHILD CARE PROGRAM DO TO PROMOTE ACADEMIC SUCCESS?

Our dedicated staff works to enhance our members' academic success through programs like daily homework help, tutoring, and educational enrichment activities that relate to our monthly themes. Throughout the school year we provide educational programming centered around our monthly themes through engaging experiments, special projects, and discussions!
