

Extreme Lens Protection
Super HiVision EX3[®]

No Treatment

EX3

Our EX3 treatment allows more light to reach your eyes, which optimizes your sight.

More light to the eye means you see better in office light and while on the computer...
goodbye eye fatigue.

Fewer scratches mean longer lens life

No Treatment

EX3

Extended Lens Life – Provides maximum protection against daily wear and tear increasing the life of your lens investment.

The only lens treatment that outperforms glass – **it's the best you can get.**

Clearer vision means safety and comfort

Safer Night Time Driving – Minimizes reflections and road glare for improved night vision.

Look Better – EX3 eliminates reflections on your lenses – allowing others to clearly see your eyes.

Fingerprints, water and dirt are no match

Fingerprints! Water! Grease! Dirt! – Can be removed in just a few wipes, reducing wear and tear on your lenses. Consider adding EX3 to your safety glasses too.
