On February 14th, 2019, TUSDG joined the SDSN global network as SDSN China Hub. Since then, as an important hub linking China to the global implementation of SDGs, TUSDG has been collaborating with multi-stakeholders around the globe to promote sustainable development in China, providing Chinese wisdom and experiences for the global sustainability.
TUSDG successfully holds “Meet SDGs” High-End Forum No.8

On the afternoon of November 15, 2019, the Foundation of Chinese Culture for Sustainable Development and the Institute for Sustainable Development Goals of Tsinghua University (TUSDG) jointly held “Meet SDGs” High-End Forum No. 8 - Chinese Culture and Sustainable Development in the Auditorium Hall of the School of Public Policy and Management of Tsinghua University (SPPM).

Dr. Liu Chao-Shiuan, Former President of National Tsing Hua University and Chairman of Foundation of Chinese Culture for Sustainable Development, delivered a speech entitled “Sustainable Development Index with Chinese Culture as the Core Thinking”. Hu An’gang, Dean of the Institute for Contemporary China Studies and professor of SPPM, delivered a speech entitled “Chinese Green Development Goals and Practices - Three-Year Evaluation of National 13th Five-Year Plan”. Chu Yun-han, Distinguished Research Fellow at the Institute of Political Science of Academia Sinica and professor of political science at National Taiwan University, delivered a speech entitled “Wang Dao and China’s International Responsibility”. Wu Hongbo, Special Representative of the Chinese Government on European Affairs, Co-Director of TUSDG and Former Under-Secretary-General of the United Nations, delivered the welcome remark. Zhu Xufeng, Professor and Associate Dean of SPPM, Executive Director of TUSDG, chaired the forum. Lin Chu-chia, Distinguished Professor of the Department of Economics of the National Chengchi University and Former Special Deputy Minister of the Mainland Affairs Council, Yeh Shin-cheng, Professor of the Graduate Institute of Environmental Education of the National Taiwan Normal University and Minister without Portfolio of the “Executive Yuan”, Associate Professor Tong Hanpu, and Assistant Professor Guo Mingjie of the Department of Political Science of the National Taiwan University, Lu Zhi’an, Secretary of the Foundation of Chinese Culture for Sustainable Development, Professor Poon Kit and Associate Professor Zheng Zhenqing of SPPM joined the event, and hundreds of visitors attended the forum as well.
Three speakers had an in-depth dialogue on the main theme of the forum, and answered the questions raised by the audience about the indicators - at both global and individual dimensions, and the promotion of Chinese culture and the reaction of western culture. In the end, Wu Hongbo thanked Liu Chao-Shiuan on behalf of TUSDG for his delegation’s visit to Tsinghua, as well as the attendees of the event.

TUSDG holds seminar on the project “Local Evaluation and Outlook of the SDGs”

On the afternoon of December 13, 2019, the Institute for Sustainable Development Goals of Tsinghua University (TUSDG) held a seminar on “Local Evaluation and Outlook of the SDGs” in Room 302 of the School of Public Policy and Management (SPPM). The experts made positive comments on the research findings and reckoned the results reported to be significant for China’s implementation of the 2030 Agenda. The experts also shared their professional opinions respectively with the research group on community development, ecosystems, as well as combination of data language and practice, and discussed the contents and form of the report in the next stage of the study.
About SDSN China Hub:

Housed in the School of Public Policy and Management in Tsinghua University on April 26th, 2017. The Institute for Sustainable Development Goals of Tsinghua University (TUSDG) aims to establish a leading platform to conduct interdisciplinary research and collaborate with global partners to address challenges in implementing UN Sustainable Development Goals (SDGs). By integrating theoretical learning and practical experience in the field, the TUSDG also strives to cultivate a new generation of talents who are dedicated to the implementation of SDGs and the improvement of global governance. In addition, the TUSDG will make every effort at creating a high-end open platform in the research field of SDGs, attracting world-class experts and scholars to be involved in teaching and research activities.

Joining SDSN as SDSN China Hub, we aims to be the leading think tank in China on SDG-related policies through collaborating with multi-stakeholders around the globe.
