Invisible births and deaths in official vital statistics from civil registration

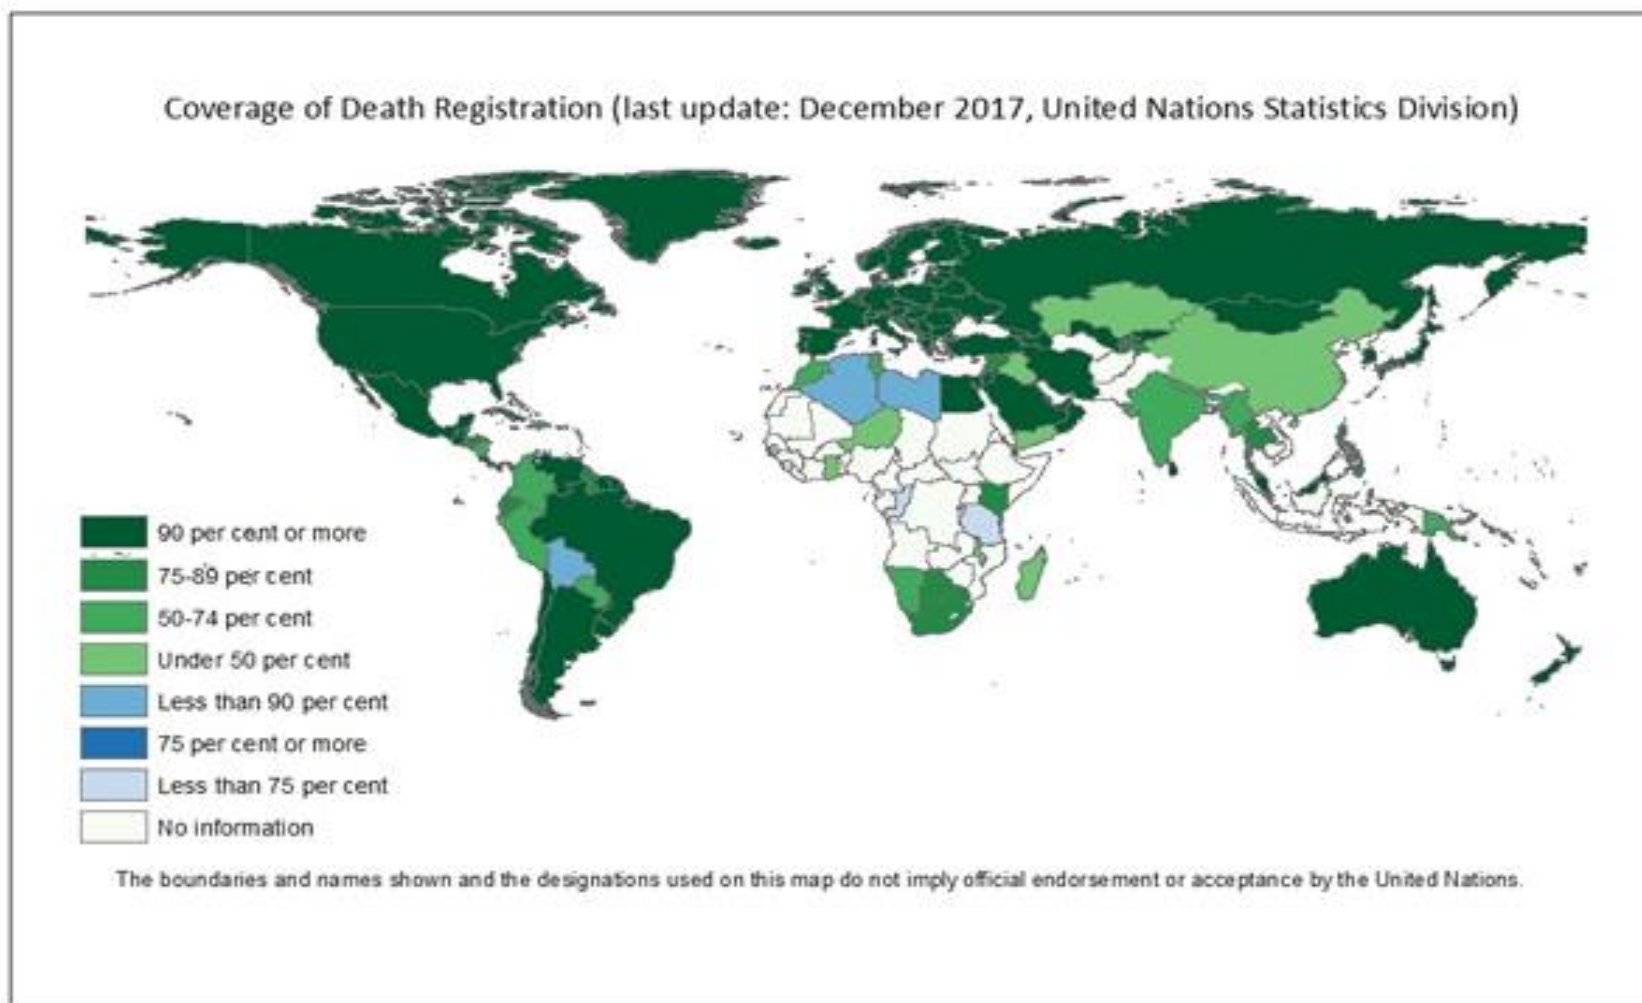

Current situation of birth registration globally

<https://unstats.un.org/unsd/demographic-social/crvs/index.cshtml>

Current situation of death registration globally

<https://unstats.un.org/unsd/demographic-social/crvs/index.cshtml>

Vital statistics from civil registration constitute the gold standard for mortality statistics, including causes of death from COVID-19 pandemic.

Data from civil registration – critical for good governance, including mortality reduction –
and good health
