

## A Unique Premium Piano Experience

Louisa Beard Opera (LBOpera) aims to put the focus of the client experience at the forefront of what it does, "I believe that music can change your life for the better".

The new Luxury Premium Piano Experience is a treat for all those individuals that want to enjoy a unique and bespoke process of choosing their beautiful Bösendorfer Grand Piano.

I listen to your ideas, thoughts, needs and wants and suggest you different options, making the selection process a fun and enriching journey that you will always treasure in your memory.

We travel to Vienna on comfortable flights (including private jet), and chauffeur driven cars would transport you from your luxury hotel to the Bösendorfer Stadtsalon (Vienna) and Selection Center in Wiener Neustadt to select your Bösendorfer Grand Piano (including custom made).

During the trip you would have the opportunity to attend a private visit to the Musikverein and Mozarthaus Vienna (with an optional complimentary opera recital by Louisa Beard).

We also can organise a trip from Vienna to Salzburg to attend the prestigious Salzburg Festival (subject to availability).
