

Habitat for Humanity[®]
of Berkeley County

**THANK YOU FOR
YOUR SUPPORT!**

Because of supporters like YOU, Berkeley Habitat is able to partner with local families to build strength, stability and self-reliance through housing.

Habitat offers families the opportunity to improve their future through their own commitment and hard work. The *perseverance* it takes for habitat homeowners to complete the Habitat program is not only an example to their children but also a catalyst for their own personal growth.

As one partner family said, "A Habitat home will provide *financial stability*, less stress,
freedom for **my kids to be kids.**"

Golf fore Habitat and help build homes in Berkeley County. Teams and individuals are welcome to register for the event!

Visit www.berkeleyhabitat.org for more information!

Sponsorship opportunities available. Contact Alex Dixon: alex@berkeleyhabitat.org

"Christmas of Hope" Brings Community Together

"Habitat for Humanity homeowner Linda Lewis with other community leaders organized a "Christmas of Hope" at the newly built Community's Hope IMPACT Center. The community event served as an outdoor fellowship for the community residents to create social bonding, unity and relationships of trust amongst the community.

"What makes it more important is that it's members of this community working within the community."
-LaTashia Liferidge

While making smores with kids, a young child said "Thank you so much! This is so much fun!"

Become a regular VOLUNTEER!

Be part of the change you want to see in the community by volunteering. We are seeking a group of dedicated people to volunteer one weekend a month on a regular basis.

Learn more about how you can get involved.
