

# ŌTŪKAIKINO - RESOURCE PACK

## How to use this resource

Tēnā koutou e ngā pouako huri noa, huri noa. This introduction will outline how to use this resource pack, including the unit plan catering to ECE through to Secondary education. There are three main sections to this resource pack on Ōtūkaikino. This resource pack complements the [Super Site for Education Ōtūkaikino Reserve Resource](#) provided by the Department of Conservation as seen below.

### 1. Overview - Unit Plan

This is an overview of the whole unit plan for all age groups. There are pre-visit, visit and post-visit activities to support and extend learning beyond Ōtūkaikino, with at least two activities per section. There are also several ideas to complement main activities, including games and arts and crafts.

	ECE	Primary (early)	Primary (middle)	Primary (senior)	Secondary
Pre-visit					
Visit					
Post-visit					

### 2. Ōtūkaikino Unit Plan

This is the detailed writing of the unit plan. Age groups are categorised in ECE, Primary (early), Primary (middle), Primary (senior) and Secondary. In this section, you will find instructions and questions to help lead inquiry and discussion.

### 3. Ōtūkaikino Resources

Here are pages of different resources from the unit plan to support learning in the classroom. Some are overviews of activities, some are pictures and names of native plants and wildlife. Please use these when appropriate.

#### Powerpoint and Waiata recording

There is also a powerpoint with pictures and a recording of the Ōtūkaikino waiata to use as desired in the classroom.
