GCHS is temporarily closed

With the news about coronavirus (COVID-19) changing rapidly, Green County Humane Society is taking precautions to help prevent the spread of COVID-19 in our community. Beginning Sunday, March 15, all animal adoptions will be by appointment only. Animal viewing areas will be closed to the public and volunteers until it is safe to reopen.

The health and well-being of the animals in our care, GCHS staff and the communities we serve is always our top priority. Staff will be at the shelter daily to care for the animals, and we are currently looking for foster homes for the four dogs in our care during the closure. Three need to be the only animals in the home, and we provide all the supplies for their care.

If you are interested in adopting or fostering, please set up an appointment by calling (608) 325-9600. To see all animals available for adoption, please view the “Adopt” section of our website. And be sure to check out featured pets every day on Facebook.

Thank you for your understanding,

GCHS Board & Staff
