

## Tape/Packaging/Specialty/Dispensers

### Acrylic Packaging Tape

Our Packaging tape is made from Bi-oriented Poly-Propylene (BOPP). This tape is water-based acrylic adhesive. It has a hi-tensile strength that gives it tremendous holding power.

These tapes can be used for general packaging, enveloping and fixing.

Code	Sizes Available	Colour(s)	Rolls per Carton
PP2JA18	18mm x 75M	Clear	128 rolls
PP2JA24	24mm x 75M	Clear	96 rolls
PP2JA36	36mm x 75M	Clear	64 rolls
PP2JA48/PP2JA48B	48mm x 75M	Clear & Brown	48 rolls
PP30A48100	48mm x 1000M (Machine Tape)	Clear	6 rolls

### Tape Dispensers

#### **Premium Tape Dispenser**

- This tape dispenser is made from high impact plastic and robust steel. It also features sturdy, heat treated cutting blades
- An exceptional tape dispenser that has a retracting blade to reduce blade damage and to cut tape more precisely and cleanly
- Ideal for production lines and fast paced warehouses as the safe retracting blade minimizes accidents.
- 12 pieces per carton. Each dispenser includes 2 rolls of 48mm x 75M acrylic packaging tape.

#### **Economy Tape Dispenser**

- Leading and preferred general use tape dispenser.
- The magnum on this dispenser has an adjustable brake for easy tensioning.
- 24 pieces per carton

## Specialty Tapes Printed Tapes

### Fragile Tape

- Florescent orange designs with Bold black writing, so the message is unmistakable.
- Tape measurements are 48mm x 66M, making it easy to fit on most tape dispensers.
