## GAL PROFESSIONAL AND COLLATERAL CONTACT LIST

Professional and collateral contacts are individuals who may have knowledge, experience or an opinion that may be helpful to the Guardian ad litem during the investigation of you, the other party or on the best interest of the minor child/children. Professional and collateral contacts usually include close family members, babysitters, neighbors, schools/teachers, religious/spiritual leaders, medical personnel, including doctors, clinics, psychologists, social workers or therapists. This by no means is an exhaustive list, you may have others that you wish to include. It is assumed that your list will contain individuals who are likely to support your position in the best interest of the minor child/children. The GAL will make every effort to contact the individuals on your professional and collateral contact list, but cannot guarantee success with everyone. A lengthy professional and collateral contact list by the parties involved can increase the length of time of the investigation, as well as costs.

Feel free to add additional pages if necessary.

Sincerely,

Jeffrey A. Watson, M.Ed., LCPC, LMFT, NCC
