Property Management

*Commercial Agency
& Professional Services*

TO WHOM IT MAY CONCERN

The Property Management Department of Daniells Harrison Chartered Surveyors manages over 80 properties.

*Building Surveying
Services*

We have employed Anderson Property Services Ltd on many of these sites in their capacity as cleaners and gardeners, together with general property maintenance during the last five years, since the Department opened.

Expert Witness

We are very satisfied with their standard of work, helpfulness, politeness and efficiency of regular attendance at all the properties.

Please contact me at any time for further information.
