

**Priory Court (Locks Heath) No 3  
Residents Company Limited**

**TO WHOM IT MAY CONCERN**

In 1999 we took over the management of our Residents Association, at that time we went out to tender for several services, the cleaning of our communal areas being one of them. Andersons won the tender and have been carrying out this function since then.

We have been more than happy with the service they have provided, so much so that in 2002 when I took over as Secretary/Treasurer of another block of flats Andersons took over the same responsibilities at this block.

We as the board of our own residents association and I personally have found them to be reliable and efficient in their duties.

Tina Standley (Secretary/Director)
