Harbour Tours*
A Harbour Tour takes 45 minutes and enables visitors to enjoy fascinating views across the harbour whilst listening to a lively commentary.

Henry VIII’s Tudor flagship, the Mary Rose, was dramatically raised in 1982. Now you can experience the sights, sounds and smells of life on board!

The museum is located in Portsmouth Historic Dockyard near HMS Victory. To visit you will need to pass through the Mary Rose ticket office at the main dockyard gates. The museum is about 400 metres from the Main entrance. A golf buggy can be made available if required.

More information can be found on the accessibility page on: www.maryrose.org

Due to security regulations within Portsmouth Naval Base, we are required to conduct 100% bag searches upon entry to the dockyard.

I think it must be one of best museums in the world. The building is amazing and shows the ship off incredibly. You really now get to really understand the ship and see what was inside her.
