Jake's Seafood Co. was established in 1994. The restaurant was named in honor of a Siberian husky who sometimes answered to “Jake”. We found Jake at an animal shelter. He enjoyed laying on the couch, eating and RUNNING! He was always willing to share his couch, provide that we didn’t complain about the dog hair. Jake has long since passed but he is remembered everyday by the restaurant which bears his name. Next time you are looking for a furry addition to your family, we hope you will consider your local animal shelter.

We hope you enjoy your meal at our family restaurant!
