

## DEVOTION TO OUR HOLY GUARDIAN ANGELS

By Philip Illsley

( **My Friends I wrote this in Jan 2018 But it is very important now today after the message from God The Father to Fr Michel Rodrigue in May 2019 I will give this message from The Father in later pages; This below is what I wrote in Jan 2018**

**It is Vital today my friends** That we all pray daily to our Holy Guardian Angels to intercede for us to help us and to guide us all through these difficult times as Evil is becoming the uncontested dominator on earth. All our guardian angels are assigned by God to every human being at the moment of our conception. **Our Guardian Angels are closest to the material world and human beings they deliver our prayers to God and return with God's answers they are the most caring and social beings who assist those who ask for help.**

We must never forget they are always in action looking after us and in fulfilling God's plan for the whole world and for all mankind. We must never forget either that a single guardian angel even the smallest of all **is more powerful than all the demons of**

hell put together because our guardian angel has God with him and the demons do not.

**Simple Small Prayer** to say each day as many times as possible to our guardian angel; “ **Angel of God my guardian dear to whom God’s love commits me here, ever this day be at my side to light and guard to rule and guide” . Amen Fiat**

#### THE HOLY GUARDIAN ANGELS

For he hath given his angels charge over thee; to keep thee in all thy ways. In their hands they shall bear thee up: lest thou dash thy foot against a stone. (Ps. 90: 11-12).

The children of the kings are always escorted by people who are in charge of watching over and defending them, in case of necessity. Now, thanks to the Baptism, every Christian has become a child of the King of Heaven. This is why God has given each of us a faithful partner who is in charge of taking care of us, guiding us and directing us. This partner is our Guardian Angel. We should thank

#### **PRAYER to Our Guardian Angel:**

**My good guardian angel who come from heaven; God has sent you to look after me. shelter me under your wing lighten my path and direct my step’s and never leave me stay always near me and defend me from all harm and all evil. Above all help me in the last struggle of my life and deliver my soul so that with you I may praise love and contemplate the goodness of God for ever and ever. Amen Fiat.**

#### **Be Like an Angel my friends !**

Be like an angel – **Look for ways to serve God**

Be like an angel – **Be there when God needs you**

Be like an angel – **Speak to others about His Mercy**

Be like an angel – **Give directions**

Be like an angel – **Help those in need**

**Be like an angel – Worship God always **Love God Always.****

**We Must never Forget** That the universe created by God is built from many floors God in His Infinite Mercy calls us to fill those floors all the way to the top and to occupy those places which He cast off the evil spirits. **Every child's birth is** a new act of creation of someone who will praise God **every conception and birth of a child is an incredible event in creation and all the universe bows over the mother the woman, and her new born child.**

**There is another dimension to all of this and this is:** Angels are Not Born the number of evil spirits does not increase they have strictly determined numbers The growing world of God's children is composed exclusively of people. **This is why the devil stands irritated and annoyed over a women who gives birth, so it should not come as no surprise to any of us that he will go to great lengths to destroy every conceived human being and all the power of evil attacks the weakest human An Unborn Baby ! he wants to destroy every human being through abortion and we must all do all we can to defend the woman and the child because only in the woman will life be created. AND STOP THIS GREAT SIN OF ABORTION** God is on our side and man will increase in number until they fill all the top floors in Gods House this great life to occupy the empty floors left by the ones who **Fell from Heaven is the great battle being fought on earth today. Weak beings like us all will take our place there and we will attain an even higher dignity**

**That of children of God; this dignity does not apply to angels they are only God's servants.**

**The Devil is very much at work in the world today and is it any wonder that Our Blessed Mother tells us that our sins today are far greater than in the days of Noah and Sodam and Gomorra that this generation is the most sinful in the history of the world. We are all living today in a world that is far from God and many of us are not turning to our celestial friends Our Guardian angels that God has posted at our side to help us and guide us all back to God. Every guardian angel knows God's special plan for us for everyone of us. Many parents today complain about not being listened to by their children because they prefer to listen to their friends of their own age this is why it is vital today that all these young teenagers pray to their guardian angels;**

**Parents please read and reflect on this guardian angels help us all out divinely and in confident prayer to our angels we will all obtain surprising results and miracles. But we must ask through prayer encourage your children to say these prayers daily to their guardian angels and you will see changes in their attitude and life.**

**NOW The Message from God the Father to Fr Michel Rodrigue in May 2019: The Father said I want to remind you the reason I have given you a guardian Angel. Everyone has a holy angel from the day you were created in the womb of your mother until you are presented to Me for your personal judgement after your death.**

I have given you this holy angel your guardian to protect you to defend you and to guide you; **to protect you from the dangers of this life and the mistakes that can lead to your death:** to defend you against the evil spirits of darkness who want to separate you from Me for all eternity: **To guard you on the path of observing My commandments of Life; and to pray with you and for you in a way that suggests to you what is good what is right what being of true justice and love from My Son Jesus will move your heart and your will to follow Him.** My Sadness is that you do not ask for help from your guardian angel **You do not pray with him you ignore him you ignore his protection and the mission I have entrusted to him for You.** THE TIME is now at your door and only your guardian angel **will guard you on the path to a REFUGE your safe place. The refuge I have prepared for you, A REFUGE of My Love which is from the Heart of Jesus My Beloved Son.**

**PRAY** to your guardian angel and to all the souls in Heaven a Battle here on earth and in the Sky will soon be open in this troubled time at the end of the Tribulation. **In The End the Triumph of My Daughter Mary will be as she promised you.**

**Your Father.**

**I wrote this about our guardian Angels in Jan 2018 and I wanted to send it out with what God the Father told Fr Michel in May 2019. It is vital we all read this because it all begins in Oct 2020.**

**[www.holyishisname.co.uk](http://www.holyishisname.co.uk)**

**I am sure many people throughout the whole  
world today sense in their hearts the nearness of  
these times prophesied by Our Blessed Mother.  
The Warning is also known as the Illumination  
of our consciences where we will see our souls as  
we stand before God; what sorrow we will feel  
on seeing our sins and how they offend God.**

**We will all realise the demonic influence that  
exists in this world today and Hell will become a  
great reality to many and with this the loss of  
our souls will become many peoples greatest  
concern**
